A paper repair manual is a valuable manual that provides instructions on how to repair a car or truck. Each car needs to have a paper repair manual provided to the owner to aid in basic upkeep of the car. A paper repair manual specifically covers on the car it was written for, down to the year, make, and model.

F10 and F12. The F10 and F12 trucks introduced in 1977 soon became the biggest success that Volvo had ever experienced (up to the mid 1990s, more than 200,000 trucks of this range had been produced in total) so it was obvious that the lead which had been obtained with the F10/F12 had to be defended with continuous improvements and modernisation.
