Easy Paper Projects

Art Workshop for Children is not just another book of straightforward art projects. The book's unique child-led approach provides a framework for cultivating creative thinking and encourages the wonder that comes when children are allowed to freely explore the creative process and their materials. As children work through these open-ended workshops, adults are guided on how to be facilitators who provide questions, encourage deep thinking, and help spark an excitement for discovery. Children explore basic materials and workshops that use minimal supplies, and then gradually add new materials to fill the art cabinets as well as new skills and more complex workshops. Most workshops are suitable to preschool-aged children, and each contains ideas for explorations and new twists to engage older or more experienced artists. Interspersed throughout are sidebar essays that introduce perspectives on mess-making, imperfection, the role of adult, collaborative art, and thoughts on the Reggio Emilia method, a self-guided teaching philosophy. These pieces underscore the value of art-making with children, and support the parent/teacher/care-giver on how to successfully lead, question, and navigate their children through the workshops to result in the fullest experiences.

All Things Paper

Five years ago, popular blogger Brandi Doming of The Vegan 8 became a vegan, overhauling the way she and her family ate after a health diagnosis for her husband. The effects have been life-changing. Her recipes rely on refreshingly short ingredient lists that are ideal for anyone new to plant-based cooking or seeking simplified, wholesome, family-friendly options for weeknight dinners. All of the recipes are dairy-free and most are oil-free, gluten-free, and nut-free (if not, Brandi offers suitable alternatives), and ideally tailored to meet the needs of an array of health conditions. Each of the 100 recipes uses just 8 or fewer ingredients (not including salt, pepper, or water) to create satisfying, comforting meals from breakfast to dessert that your family--even the non-vegans--will love. Try Bakery-Style Blueberry Muffins, Fool 'Em "Cream Cheese" Spinach-Artichoke Dip, Cajun Veggie and Potato Chowder, Skillet Baked Mac n' Cheese, and No-Bake Chocolate Espresso Fudge Cake.
