### Animal Farm

This fast-paced action novel is set in a future where the world has been almost destroyed. Like the award-winning novel *Freak the Mighty*, this is Philbrick at his very best. It's the story of an epileptic teenager nicknamed Spaz, who begins the heroic fight to bring human intelligence back to the planet. In a world where most people are plugged into brain-drain entertainment systems, Spaz is the rare

human being who can see life as it really is. When he meets an old man called Ryter, he begins to learn about Earth and its past. With Ryter as his companion, Spaz sets off an unlikely quest to save his dying sister -- and in the process, perhaps the world.

### **Hen Hears Gossip**

The year is 2084, and the U.S. has so thoroughly embraced big government that the Wapols (Washington politicians) and their army of pubrats (public bureaucrats) monitor your diet, your finances, even your sex life. But what happens when an omni-present government becomes impotent? In the spirit of Orwell's 1984 and Animal Farm, and Rand's Atlas Shrugged, but written with the style and wit of Kurt Vonnegut, Eidam offers a humorous and thought-provoking cautionary tale against trading away our freedoms to a tech-empowered nanny-state, and asks if it's possible for mankind to become so dependent, we lose the ability to live free. When a virus threatens to wipe out all of mankind, President Poll and his D.C. cronies escape to a survival shelter leaving the rest of the world to perish. However, while the Wapols are safely locked away in their bubble, a reclusive tech genius does what all the experts said was impossible: he develops a treatment that will save mankind from extinction. Only, he won't release it unconditionally; he wants to make sure mankind is worth saving first. Opting to remain anonymous, the man enlists Clyde Sexler, a sixteen-year-old social reject, to issue his demands, and Clyde finds himself playing a starring role in mankind's salvation. But, after first enjoying his newfound power and fame, Clyde starts to worry about how far the recluse is willing to go to reboot civilization. With the Wapols busy fighting for control of their bubble, President Poll taking advice from his talking toilet, and the rest of Washington concerned only with optics and clinging to power, Clyde might be mankind's last hope. Can he save us from certain death or worse?

### **A Modest Proposal**

We all know the stereotype of the Jewish mother: Hectoring, guilt-inducing, clingy as a limpet. In Mamaleh Knows Best, Tablet Magazine columnist Marjorie Ingall smashes this tired trope with a hammer. Blending personal anecdotes, humor,

historical texts, and scientific research, Ingall shares Jewish secrets for raising self-sufficient, ethical, and accomplished children. She offers abundant examples showing how Jewish mothers have nurtured their children's independence, fostered discipline, urged a healthy distrust of authority, consciously cultivated geekiness and kindness, stressed education, and maintained a sense of humor. These time-tested strategies have proven successful in a wide variety of settings and fields over the vast span of history. But you don't have to be Jewish to cultivate the same qualities in your own children. Ingall will make you think, she will make you laugh, and she will make you a better parent. You might not produce a Nobel Prize winner (or hey, you might), but you'll definitely get a great human being.

### **Where the Red Fern Grows**

From the Publisher: Jonathan Safran Foer spent much of his teenage and college years oscillating between omnivore and vegetarian. But on the brink of fatherhood-facing the prospect of having to make dietary choices on a child's behalf-his casual questioning took on an urgency. His quest for answers ultimately required him to visit factory farms in the middle of the night, dissect the emotional ingredients of meals from his childhood, and probe some of his most primal instincts about right and wrong. Brilliantly synthesizing philosophy, literature, science, memoir and his own detective work, *Eating Animals* explores the many fictions we use to justify our eating habits-from folklore to pop culture to family traditions and national myth-and how such tales can lull us into a brutal forgetting. Marked by Foer's profound moral ferocity and unvarying generosity, as well as the vibrant style and creativity that made his previous books, *Everything is Illuminated* and *Extremely Loud and Incredibly Close*, widely loved, *Eating Animals* is a celebration and a reckoning, a story about the stories we've told-and the stories we now need to tell.

The Vegan Guide to the Holy Scriptures leads you down a path towards The Garden of Eden. That fantasy land of Peace and Loving-kindness may be our next evolutionary step. Most people realize that the way the world of Death and Disease has taken over is not right or healthy in any way. The Veganism Movement will heal mankind thus healing the world as well. The modern thinking Vegan is ready to meet and overcome any non-Vegan resistance by learning every thing connected to the purpose of Veganism. There is a spiritual side of Veganism to consider and The Vegan Bible is a great place to begin researching the real history of our Mother earth and Father God. Most people never knew that the God of The Holy Bible is Vegan. This one little fact changes the face of society from innocent meat eaters to a mob of evil dead-flesh worshipers, especially the ones that refuse to accept the truth of our Vegan world. Don't be one of them. The right way is always the best way to live and enjoy the good health and clean conscious that the Vegan way of life represents. Now you will have all of the Vegan Holy Scriptures at your fingertips to rise over anyone whom decides to support their meat eating habits by miss-quoting The Holy Scriptures. The Vegan Bible proves that God and Jesus Christ are Vegans as well as some of the Holiest Prophets. Was Cain really the cold hearted monster we were taught he was or was he just an angry Vegan unwilling to control his temper? And who is this Lord God character that keeps on trying to ruin everyone's lives? Was Jesus Christ targeted by the religious leaders of His time for taking a firm stand against animal sacrifices? Did He offer his life as a one time human sacrifice to try and save them. By threatening the financial security of those selling the sacrificial animals this put a price on his head. His teachings of Love were not only aimed at people but they were for all living creatures. His personal sacrifice did put an end to most religiously motivated animal sacrifice in the world. Before Jesus Christ there was only a blood thirsty Lord God to pay off with daily sacrifices which was for sale at the Holy Temples. Now we face a world lost in a cloud of ignorance teaching our children it is normal and right to consume dead animal flesh and this has got to stop. We must learn everything there is to know about Veganism so we can begin to heal our world and save our souls. I have dedicated the rest of my life to the study and research of the Ancient Vegan Creation Story as it is found in every copy of the Bible that exist. Proving that we have an all-loving Father God that is Vegan was only the beginning of what I have discovered. The magnitude of this one important fact has yet to reach the

ears of the normal every day church goer. The implications of the facts presented in the pages of The Vegan Bible is destined to cause some uproar with the religious institutions and their religious dogma. Why was it such a crime in the dark ages to be a Christian? Did the term Christian mean Vegan and were they hunted, tortured, burned and killed for the same reason that Jesus Christ was. Have you ever seen a normal person go into a fit of rage when you tried to explain Veganism to them? The Vegan Bible will help answer many religious questions and provide morally correct Vegan answers. It used to be just a matter of Faith but now the Medical Science is proving our Vegan heritage. Veganism is growing and it will influence the greater populations of every country. I hope that you are ready for The Vegan Apocalypse. Thank You.

### **Duck for President**

From the New York Times bestselling creators of Click, Clack, Moo, comes an entertaining introduction to politics. My fellow Americans: It is our pleasure, our honor, our duty as citizens to present to you Duck for President. Here is a duck who began in a humble pond. Who worked his way to farmer. To governor. And now, perhaps, to the highest office in the land. Some say, if he walks like a duck and talks like a duck, he is a duck. We say, if he walks like a duck and talks like a duck, he will be the next president of the United States of America. Thank you for your vote.

One of the BBC's '100 Novels That Shaped Our World' A worldwide bestseller and the first part of Achebe's African Trilogy, Things Fall Apart is the compelling story of one man's battle to protect his community against the forces of change Okonkwo is the greatest wrestler and warrior alive, and his fame spreads throughout West Africa like a bush-fire in the harmattan. But when he accidentally kills a clansman, things begin to fall apart. Then Okonkwo returns from exile to find missionaries and colonial governors have arrived in the village. With his world thrown radically off-balance he can only hurtle towards tragedy. First published in 1958, Chinua Achebe's stark, coolly ironic novel reshaped both African and world literature, and has sold over ten million copies in forty-five languages. This arresting parable of a proud but powerless man witnessing the ruin of his people begins Achebe's landmark trilogy of works chronicling the fate of one African

community, continued in Arrow of God and No Longer at Ease. 'His courage and generosity are made manifest in the work' Toni Morrison 'The writer in whose company the prison walls fell down' Nelson Mandela 'A great book, that bespeaks a great, brave, kind, human spirit' John Updike With an Introduction by Biyi Bandele

### **Things Fall Apart**

The first SAT guide for students with learning disabilities. For the growing number of students with learning disabilities who take the SAT each year, studying for the test is even more grueling than it is for traditional students. There is nothing on the market to prepare them for the SAT, and traditional manuals are inadequate both in content and presentation. LD SAT Study Guide is the first commercially available SAT preparation manual that prepares students with disabilities in general, and devotes specific attention and instruction to the more common disabilities, including dyslexia, ADD/ADHD, nonverbal learning disabilities, math disabilities, and visual or auditory processing disorders. As a free supplement to the book, readers will have access to a companion website that enables them to take several practice tests and receive subject-specific feedback that pinpoints their strengths and weaknesses. Students can then focus their preparation accordingly to maximize their overall SAT score.

### **Fahrenheit 451**

Set in contemporary Bombay and other cities, these stories reflect the kaleidoscope of urban life - evoking the colour, sounds and white-hot heat of the city. Warm, perceptive, humorous and touched with sadness, Anita Desai's stories are peopled with intensely individual characters - the man spiritually transformed by the surface texture of a melon; the American wife who, homesick for the verdant farmlands of Vermont, turns to the hippies in the Indian hills; the painter living in a slum who fills his canvasses with flowers, birds and landscapes he has never seen.

### **The Road to Wigan Pier**

"You can live on a shilling a day in Paris if you know how. But it is a complicated business." As a struggling writer in his twenties, Orwell lived as a down-and-out among the poorest members of society. In this, his early memoir, Orwell recalls with vivid clarity his time working as a penniless dishwasher in Paris, pawning clothes to buy a day's worth of bread and wine, sleeping in bug-infested bunks, trading survival skills and cigarette butts with fellow tramps, and trudging between London's workhouse spikes for a few hours' sleep and tea. With all of the sensitivity and compassion that Orwell is known and loved for, he exposed the hardships of poverty and gave readers an unprecedented look at life lived on the fringes of society. This vivid account is an enduring call to support the world's most vulnerable people and exemplifies his belief that 'The greatest of evils and the worst of crimes is poverty.'

A beloved classic that captures the powerful bond between man and man's best friend. Billy has long dreamt of owning not one, but two, dogs. So when he's finally able to save up enough money for two pups to call his own—Old Dan and Little Ann—he's ecstatic. It doesn't matter that times are tough; together they'll roam the hills of the Ozarks. Soon Billy and his hounds become the finest hunting team in the valley. Stories of their great achievements spread throughout the region, and the combination of Old Dan's brawn, Little Ann's brains, and Billy's sheer will seems unbeatable. But tragedy awaits these determined hunters—now friends—and Billy learns that hope can grow out of despair, and that the seeds of the future can come from the scars of the past. ### **Official SAT Study Guide 2020 Edition**

George Orwell's triumphant first novel. Informed by his experiences as a police officer in Burma, the novel paints a vivid portrait of the waning days of British imperial rule, and the racism and corruption that ran rampant. It centres on John Flory, a European businessman in colonial Burma, disenfranchised by the bigotry he sees around him and his persistent feeling of being out of place. When he meets Elizabeth Lackersteen, a beautiful, sensitive young woman, he thinks he has found a kindred spirit, but the picture of her in his mind may not prove to match the real person. #### **Portrait Life of Lincoln**

*A Modest Proposal* is a satirical essay written and published by Jonathan Swift. Swift suggests that the impoverished Irish might ease their economic troubles by selling their children as food for rich gentlemen and ladies. This satirical hyperbole mocks heartless attitudes towards the poor, as well as Irish policy in general. In English writing, the phrase "a modest proposal" is now conventionally an allusion to this style of straight-faced satire. Swift goes to great lengths to support his argument, including a list of possible preparation styles for the children, and calculations showing the financial benefits of his suggestion. He uses methods of argument throughout his essay which lampoon the then-influential William Petty and the social engineering popular among followers of Francis Bacon. These lampoons include appealing to the authority of "a very knowing American of my acquaintance in London" and "the famous Psalmanazar, a native of the island Formosa." This essay is widely held to be one of the greatest examples of sustained irony in the history of the English language. Much of its shock value derives from the fact that the first portion of the essay describes the plight of starving beggars in Ireland, so that the reader is unprepared for the surprise of

Swift's solution when he states, "A young healthy child well nursed, is, at a year old, a most delicious nourishing and wholesome food, whether stewed, roasted, baked, or boiled; and I make no doubt that it will equally serve in a fricassee, or a ragout." Readers unacquainted with its reputation as a satirical work often do not immediately realize that Swift was not seriously proposing cannibalism and infanticide. The satirical element of the pamphlet is often only understood after the reader notes the allusions made by Swift to the attitudes of landlords, such as the following: "I grant this food may be somewhat dear, and therefore very proper for Landlords, who as they have already devoured most of the Parents, seem to have the best Title to the Children." Swift extends the conceit to get in a few jibes at England's mistreatment of Ireland, noting that "For this kind of commodity will not bear exportation, and flesh being of too tender a consistence, to admit a long continuance in salt, although perhaps I could name a country, which would be glad to eat up our whole nation without it."
