Today's Elementary Social Studies

Make learning social studies vocabulary fun with a roots approach! This resource, geared towards secondary grades, focuses on root words for social science and includes tips and strategies, standards-based lessons, and student activity pages.

English Journal

Alfred's Essentials of Music Theory

Instructor's manual to accompany workbook for helping adult students master spelling words with consonant blends and digraphs.

More for Your Money

Includes activities based on: Julie of the wolves by Jean Craighead George, The call of the wild by Jack London, and Kavik the wolf dog by Walt Morey.

Groundwork for a Better Vocabulary

This instructor's edition of a vocabulary textbook for college students, who read at the fifth to eighth grade level, features 25 chapters and teaches 250 basic words. The first and third chapters in each unit contain word-part practices. The second and fourth chapters in each unit contain synonym-antonym practices. The book's last chapter in each unit contains an analogy practice, review, and test. Also included is an answer key, a section on dictionary use, and a word list. The student edition is identical to the instructor's edition except that answers are not provided. (CR)

Fifty-fifty

Using a programmed learning format, this user-friendly, four-color book allows students to learn medical terminology at their own pace. The material is divided into small, easy-to-read units called frames. Each frame ends with a fill-in sentence or question that tests readers' understanding of the frame's content. The text begins with the basic components of medical terminology -- suffixes, prefixes, word roots, and combining forms -- and presents the material according to the major body systems.
