### Raider Captured

Will science officer Daran break the rules for the first time in his life to protect captured enemy fighter Sagiv?

### Learning Python with Raspberry Pi

Laura Lam returns to the near-future SF world of False Hearts with the speculative thriller Shattered Minds. Carina used to be one of the best biohackers in Pacifica. But when she worked for Sudice and saw what the company's experiments on brain recording were doing to their subjects, it disturbed her—especially because she found herself enjoying giving pain and contemplating murder. She quit and soon grew addicted to the drug Zeal, spending most of her waking moments in a horror-filled dream world where she could act out her depraved fantasies without actually hurting anyone. One of her trips is interrupted by strange flashing images and the brutal murder of a young girl. Even in her drug-addicted state, Carina knows it isn't anything she created in the Zealscape. On her next trip, she discovers that an old coworker from Sudice, Max, sent her these images before he was killed by the company. Encrypted within the images are the clues to his murder, plus information strong enough to take down the international corporation. Carina's next choice will transform herself, San Francisco, and possibly the world itself. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

### Standards for Adult Correctional Institutions

"In facing transition to a world of collapse and increasing scarcity of resources, this book focuses on the all-important need to cultivate relationships and community, offering inspiration and guidance for how to engage with ourselves, our fellow creatures, and our environment in potentially tumultuous times"--

### **Essays: on Poetry and Music**

### **High-yield Neuroanatomy**

Follows Sir Launcelot of the Round Table as he rescues Queen Guinevere, fights in the tournament at Astolat and pursues other adventures.

### **At the End of Days**

This book explores the factors that influence violent rebellious political organisations to transform into other entities, such as political parties, criminal organisations and terrorist organisations. From the end of the Second World War until 1990, many events in the world centred on the bipolar struggle between the United States and the USSR. Although there were numerous civil wars occurring during the Cold War era, many of these conflicts went virtually unnoticed unless they were linked to the Cold War struggle for ideological dominance. In the aftermath of the fall of the Soviet Union, the number of intra-state conflicts was prevalent around the globe. Along with the occurrence of civil wars, a variety of violent political movements also developed. Examining cases from Latin America, Africa, Europe, and Asia, this book addresses how violent political movements transform during and after conflict into new types of organisations using the collective political violence transformative (CPVT) model. The study uses a combination of pre-existing literature from the fields of sociology and political science, archival research, and interviews with movement members (former and active) conducted by the author. In studying the Provisional IRA and Sinn Féin, the Spear of the Nation (MK) and the African National Congress (ANC), the Abu Sayyaf Group and the Revolutionary Armed Forces of Colombia (FARC-EP), Transforming Violent Political Movements paints a picture of organisations that have to respond to their environments to survive. This book will be of much interest to students of political violence, terrorism, war and conflict studies, security studies and IR.

### **The Spring of the Ram**

Explains how to leverage the revolutionary Raspberry Pi computer in order to learn the versatile Python programming language. Original.

## **The Fatal Series Collection Volume 3**

Reproduction of the original: Pearl-Maiden by H. Rider Haggard

## **Forms Manual to Accompany Cases and Materials on Oil and Gas Law**

This book revolutionizes the prevailing understanding and teaching of math. This book is a must for all upper-level Christian school curricula and for college students and adults interested in math or related fields of science and religion. It will serve as a solid refutation for the claim, often made in court, that mathematics is one subject which cannot be taught from a distinctively biblical perspective. - Back cover.

## **The Duke's Redemption**

## **The One Percenter Code**

DIVIn The One Percenter Code, best-selling Motorbooks author and editor of Easyriders magazine Dave Nichols takes up where he left off in One Percenter: The Legend of The Outlaw Bikers. Nichols takes readers inside the world of outlaw motorcycle clubs and pulls back the secretive curtain on the biker lifestyle. He explores the concept of brotherhood, ultimately arriving at a new definition of family and community in the process. Being a member of a one percenter motorcycle club requires extreme discipline; in this book, Nichols shows us what that life offers in return./div Nichols delves into the one percenter code of conduct and honor and finds something that is sorely lacking in modern society. In this book, he shows us how we can apply those values in our own lives. The world of the outlaw biker has its own rough-hewn rules of order, and The One Percenter Code acts as a guidebook to that truth-, honor-, and brotherhood-based world.

## **Transforming Violent Political Movements**

This book explores the growing tension between the requirements of employers for a flexible work force and the ability of parents and communities to nurture their children and provide for their health, welfare, and education. Global competition and the spread of information technology are forcing businesses to engage in rapid, worldwide production changes, customized marketing, and just-in-time delivery. They are reorganizing work around decentralized management, work differentiation, and short-term and part-time employment. Increasingly, workers must be able to move across firms and even across types of work, as jobs get redefined. But there is a stiff price being paid for this labor market flexibility. It

separates workers from the social institutions--family, long-term jobs, and stable communities--that sustained economic expansions in the past and supported the growth and development of the next generation. This is exacerbated by the continuing movement of women into paid work, which puts a greater strain on the family's ability to care for and rear children. Unless government fosters the development of new, integrative institutions to support the new world of work, the author argues, the conditions required for long-term economic growth and social stability will be threatened. He concludes by laying out a framework for creating such institutions.

### **Amazed and Confused**

Authored by vets with experience in all aspects of avian care, this manual is an essential tool for those in general practice who do not often see birds. Subjects including anatomy and physiology, husbandry, behaviour, examination, surgical techniques are covered in detail; common presentations are also dealt with in individual chapters. Includes Quick Reference Guides Informative and detailed appendices Clinical signs-based section, exploring particular conditions in detail

### **Bohemian Rhapsody (Sheet Music)**

Time and telling blur to myth what once was truth, when all the world's legends lived as flesh and blood. An alternate history set in a world not quite our own, Forever After chronicles the quick and the dead. So begins the story of Quin Xavier, a young man who comes of age during the Autumn days of Camelot. The stirrings of an ancient prophecy set in motion events that will change his life forever. A tragic love, the betrayal of fate, a friendship shattered, and a kingdom lost As the Sword of Kings cries out to his heart, can he survive all this in the face of an unimaginable evil? In the first volume of a saga which spans centuries and unites world mythology, witness the cycle of Disaster and Love, Anger and Sorrow, Vengeance and Dust. "With the heart of a lover and the cruel grace of a poet, he has intertwined old Celtic myth with early Arthurian legend to create a unique story in a style that's all his own." -Terri Lawrence, N.C. Spotlight Review"Never what you expect, Matt Booker takes the cliché by the neck and doesn't hesitate to break it." -Lou Koncor, KCDS <http://MattBooker.info>

### **Allegory and the Migration of Symbols**

She thought she'd have more time. Laurie Notaro figured she had at least a few good years left. But no--it's happened. She has officially lost her marbles. From the kid at the pet-food store checkout line whose coif is so bizarre it makes her seethe "I'm going to kick his hair's ass!" to the hapless Sears customer-service rep on the receiving end of her Campaign of Terror, no one is safe from Laurie's wrath. Her cranky side seems to have eaten the rest of her-inner-thigh Chub Rub and all. And the results are breathtaking. Her riffs on e-mail spam ("With all of these irresistible offers served up to me on a plate, I

WANT A PENIS NOW!!!”), eBay (“There should be an eBay wading pool, where you can only bid on Precious Moments figurines and Avon products, that you have to make it through before jumping into the deep end”), and the perils of St. Patrick’s Day (“When I’m driving, the last thing I need is a herd of inebriates darting in and out of traffic like loaded chickens”) are the stuff of legend. And for Laurie, it’s all true. From the Trade Paperback edition.

## **The Story of Sir Launcelot and His Companions**

### **BSAVA Manual of Avian Practice: A Foundation Manual**

The drawings which compose Sketchbook Works Vol. 1 & 2 were developed through painstaking processes of organized mark making within the rigid confines of the grid. The production of these works employ traditional methods of drawing, as well as unconventional modes such as tediously mixing a vast array of custom marker colors for perfect gradients, laser engraving miniature patterns onto pages, and using destructive processes like dissolving imagery with chemical solvents. These drawing processes craft a diverse array of visual experiences derived not only from organized drawing systems, but also from mistakes and destructive actions, whose results were sources of evolution seen in this body of work.

## **Touching Smoke**

1. Introduction to Laboratory 2. Experiments in Plant Physiology 3. Biochemistry 4. Biotechnology 5. Ecology 6. Plant Utilization 7. Project Reports Appendix.

## **Pearl-Maiden**

With the bravura storytelling and pungent authenticity of detail she brought to her acclaimed Lymond Chronicles, Dorothy Dunnett, grande dame of the historical novel, presents The House of Niccolò series. The time is the 15th century, when intrepid merchants became the new knighthood of Europe. Among them, none is bolder or more cunning than Nicholas vander Poele of Bruges, the good-natured dyer's apprentice who schemes and swashbuckles his way to the helm of a mercantile empire. In 1461, Nicholas is in Florence. Backed by none other than Cosimo de' Medici, he will sail the Black Sea to Trebizond, last outpost of Byzantium, and the last jewel missing from the crown of the Ottoman Empire. But trouble lies ahead. Nicholas's stepdaughter--at the tender age of thirteen--has eloped with his rival in trade: a Machiavellian Genoese who races ahead of Nicholas, sowing disaster at every port. And time is of the essence: Trebizond may fall to the Turks at any moment. Crackling with wit, breathtakingly paced, The Spring of the Ram is a pyrotechnic blend of scholarship and

narrative shimmering with the scents, sounds, colors, and combustible emotions of the 15th century.

## **Knights of the Round Table**

### **Shattered Rhythm**

Chaz Jones' life hasn't been easy. Meltdown's newest drummer doesn't give a damn about anything except for his kit, his sticks and his throne. Music offers him a way out and he takes it, only to discover it isn't enough. Nothing is ever enough. Until Olivia Olivia Marshall had her dream job, her dream boyfriend, and her dream life. Then, in the blink of an eye, she discovered it was all a lie. She hit rock bottom. But then fate steps in, and music offers her a way back. She thinks it's enough. Until Chaz Together, they find their rhythm and begin to mend their shattered lives. Fate steps back in. This time, it's not to save them but to tear them apart.

### **We Thought You Would Be Prettier**

Illus. in full color. Youngsters can celebrate the 500th anniversary of Columbus's fateful voyage with this dramatic, easy-to-read account of a pivotal moment in American history. "

### **Sustaining the New Economy**

Perfect for fans of Mike Lupica, New York Times bestselling author and former NFL player Tim Green tells a heartfelt and moving story about a deaf boy's journey to change how others see him—both on and off the football field. All Landon Dorch has ever wanted is to be like everyone else. His deafness and the way he talks have been obstacles all his life. But now he finally sees his chance to fit in. Bigger and taller than any other seventh grader in his new school, Landon plans to use his size to his advantage and join the school's football team. But the same speech problems and the cochlear implants that help him hear continue to haunt him. Just when it looks like Landon will be left out of football for good, an unlikely friend comes along. But in the end only Landon can fight his way off the bench and through a crowded field of bullies bent on seeing him forever left out.

### **Forever Ours**

(Piano Vocal). This sheet music features an arrangement for piano and voice with guitar chord frames, with the melody

presented in the right hand of the piano part as well as in the vocal line.

### **Lasagna Gardening**

From best friend to first love... Then, his rock stardom tore them apart. Now he's back, and her explosive secret threatens their second chance. The day I meet Chris is like any other day. I've been kicked out of yet another foster home. The moment I see the piercing in his lip and the tattoos on his smooth skin, I know I won't last long here. I've never been so happy to be so wrong. With a patience I've never known in my short, tumultuous life, Chris and his mother show me it's possible to trust again. And when no one's looking, Chris shows me it's possible to feel loved. Unfortunately, he's my foster brother. I can be kicked out of the only home I've ever known if anyone finds out about us. But these are the least of my worries when Chris is offered a record deal. I know he won't take it unless I force him to. I have to do the unthinkable. I have to do it for him.

### **The Blade's Edge**

Includes standards covering the critical program areas for effective institutional management, including safety procedures, security, rules and discipline, staff development, physical plant, and health care services.

### **Drinking Closer to Home**

Christina Noble's story is one of bravery and resilience in the face of deprivation and abuse on a scale that most would find unimaginable. Her childhood in the Dublin slums barely merits the name: after the early death of her mother, her family was split apart, her alcoholic father unable to care for his children. Christina was sexually abused and later escaped from an orphanage to live in poverty on the streets of Dublin. Whilst in an abusive marriage, in a dream she found the will to fight. Christina's hope lay in a determination to work among the bui doi, the street children of Vietnam, and this was the starting point for the most extraordinary part of her story. Within two years of arriving in Ho Chi Minh City she had opened a medical and social centre and achieved worldwide fame. Outspoken, often angry, yet profoundly moving, *Bridge Across my Sorrows* is one of the most inspirational stories ever told.

### **OS X Mavericks: The Missing Manual**

The New York Times best-selling creative team Grant Morrison and Rags Morales' landmark run on SUPERMAN: ACTION COMICS ends here in SUPERMAN: ACTION COMICS VOLUME 3: AT THE END OF DAYS! Five years ago, Clark Kent moved to

Metropolis. Alone but hopeful, he donned a simple t-shirt laden with a giant S, beginning the career of one of the greatest heroes this--or any other--world has seen. Superman has grown with the city around him, and though he is feared by the public, there's no doubt they need him to protect them from this universe's gravest threats. But when the multiverse sends it's deadliest villains against the Man of Steel, can even he turn them back? Collects Superman: Action Comics #13-18.

### **Mathematics**

Enjoy books 7-9 in The Fatal Series from New York Times bestselling author Marie Force, now in one box set. Fatal Jeopardy (includes a bonus story!) Washington, D.C., Police Lieutenant Sam Holland and her husband, U.S. Senator Nick Cappuano, have been looking forward to a quiet Thanksgiving with their son. But any thoughts of a restful holiday are dashed when Sam and Nick return home to a gruesome scene: Sam's seventeen-year-old niece Brooke, barely conscious and covered in blood on their front stoop. With lines between personal and professional blurring in this emotionally charged, deeply personal case, Sam will need to decide how far she's willing to go to prove Brooke is a victim, not a murderer. Fatal Scandal As a new year dawns in the capital city, dual scandals rock the Metropolitan PD—and Lieutenant Sam Holland is right in the middle of them. Chief Farnsworth is catching heat for the way he handled a recent homicide investigation, and Detective Gonzales is accused of failing to disclose an earlier connection to the judge who decided his custody hearing. When Gonzo's fight for his child turns deadly and he has a shaky alibi, Sam must defend two of her closest colleagues. All while her husband, Vice President Nick Cappuano, settles into his new office at the White House. As the evidence against Gonzo piles up, Sam suspects someone is gunning for her—and her team. Fatal Frenzy Lieutenant Sam Holland is on leave, recovering from an attack that shook her to the core. With no case to distract her, she's trying to stay busy—even voluntarily meeting with her new White House staff. But it's not enough to keep the horrific memories at bay, and her family is worried...especially her husband, Vice President Nick Cappuano. When two college girls go missing in the midst of inauguration madness, the chief of police needs the one cop he can count on to find them and save the Metro PD from disgrace. In a case full of ugly twists and turns, Sam will have to confront her past and find her strength again...before it's too late.

### **Christopher Columbus**

Are you a student preparing for the NBCOT exam? Looking for only one study guide to help you prepare for this important day? Wondering what thousands of your peers and fellow students have relied on for their studying needs? The answer is the OTA Exam Review Manual-now available in a completely updated and revised second edition with over 550 questions. This invaluable study tool is designed to guide students through the studying process from start to finish. With a redesigned question format to match the NBCOT exam, more questions, and an on-line testing component, this second edition is a

study guide that inspires critical thinking. Karen Sladyk and her co-authors incorporate domain-, task-, and knowledge-style questions as a way to prepare students for the pace of the NBCOT exam. This collection of questions enables students to think logically for the answers, not just practice for the exam. The OTA Exam Review Manual, Second Edition also includes an on-line testing component. With 250 questions (50 more than the previous edition), this feature assists students with integrated learning and the ability to maximize their computer testing skills. Covering topics such as study techniques, content outlines, fieldwork, and life after the exam, the OTA Exam Review Manual, Second Edition is the most current and extensive review on the market for OTA students. Features: Contains 550 questions (50 more than the previous edition) divided into 11 one-hour test period simulations Redesigned question format to match new NBCOT exam Includes a new user-friendly, on-line testing component incorporating domain-style questions from the book Worksheets, time organizers, and appendix resources

### **Dan Tesene**

He came to the colonies for one reason: revenge. Drake Amberly, Duke of Hawk Haven, won't leave South Carolina until he's unmasked the colonial spy who killed his brother. Yet the more he sees of spirited Elise Cooper, the more he's moved by the happiness she brings him...never suspecting the dangerous secret she hides. Her faith drives Elise to spy for the rebels, dreaming only of freedom for her homeland. Then she meets Drake, and learns that love could be hers, as well. When his pursuit of "The Fox" brings him dangerously close to the truth, she'll risk everything to prove that love and forgiveness are all they need.

### **Love in the Age of Ecological Apocalypse**

The principal function of this forms manual is to illustrate the exceptional importance of specific language to all contract-based transactions. Unintended ambiguities or carelessness in wording may result in the loss of properties worth millions of dollars. Additionally, differences in state law, regional custom, the identity and interests of the client, and the peculiarities of the specific transaction require a lawyer to choose carefully which form to use as the basis of the transaction. For this reason, there are often included several forms for the same transaction.

### **Witch Hunt**

This series extracts the most important information on each topic and presents it in a concise, uncluttered fashion to prepare students for the USMLE. High-Yield™ means exactly that!

## Left Out

What do you get when you cross a Mac with an iPad? OS X 10.9 Mavericks. Its 200 new features include Mac versions of iPad goodies like Maps, iBooks, and iTunes Radio—but not a single page of instructions. Fortunately, David Pogue is back, with the expertise and humor that have made this the #1 bestselling Mac book for over 11 years straight. The important stuff you need to know: Big-ticket changes. Finder tabs. Finder tags. App Nap. iCloud Keychain. iTunes Radio. Maps. iBooks. Automatic app updating. If Apple wrote it, this book covers it. Nips and tucks. This book demystifies the hundreds of smaller enhancements, too, in all 50 programs that come with the Mac: Safari, Mail, Calendar, Notification Center, Messages, Time Machine... Shortcuts. Meet the tippiest, trickiest Mac book ever written. Undocumented surprises await on every page. Power users. Security, networking, build-your-own Services, file sharing with Windows, even Mac OS X's Unix chassis—this one witty, expert guide makes it all crystal clear. There's something new on practically every page of this edition, and David Pogue brings his celebrated wit and expertise to every one of them.

## Practical Botany

## OTA Exam Review Manual

“Riveting and startling....So raw and funny I wanted to read parts aloud to strangers.” —Dylan Landis, author of *Normal People Don't Live Like This* “Jessica Anya Blau...creates characters that have a lot more depth and more of a past than one often sees in fiction these days.... I found it impossible not to care about them—and equally impossible to forget them. Blau is a magnificent writer, and this is one special novel.” —Steve Yarbrough, author of *Safe from the Neighbors* From Jessica Anya Blau, critically-acclaimed author of *The Summer of Naked Swim Parties*, comes a new novel of California, growing up, and learning to love your insane family. Perfect for fans of Jess Walter, Kevin Wilson, and Michael Chabon, *Drinking Closer to Home* is a poignant and funny exploration of one family's over-the-top eccentricities—a book Ron Tanner calls “heartfelt and hilarious.”

## Shattered Minds

Dragons. Right. Teenage girls don't believe in fairy tales, and sixteen-year old Elena Watkins was no different. Until the night a fairy tale killed her father. Now Elena's in a new world, and a new school. The cutest guy around may be an evil dragon, a Prince wants Elena's heart, and a long dead sorcerer may be waking up to kill her. Oh. And the only way Elena's going to graduate is on the back of a dragon of her own. Teenage girls don't believe in fairy tales. Now it's time for Elena to

believe - in herself.

## **Firebolt**

Most people have prayed for something or someone in earnest, seeking God's will, only to be left confused by God's response. Sometimes we ask, "Why would a good God allow bad things to happen to good people?" In *Amazed and Confused*, Heather Zempel tackles this question head-on by exploring the book of Habakkuk. When the prophet Habakkuk prayed that God would bring change to the backsliding nation of Israel, this issue came to the forefront. Habakkuk begged God for revival and that He would turn the hearts of faithless people back to Him. God's answer to Habakkuk was, "Take a look at the nations and watch what happens! You will be shocked and amazed" (1:5, *The Voice*). The vision God gave Habakkuk was one of warfare and exile. How do you respond when God answers your prayers in a way that seems out of line with his character and promises? *Amazed and Confused* proceeds systematically through the book of Habakkuk, exploring the prophet's prayer, God's response, and the prophet's journey from confusion to worship. This interactive Bible study is the perfect choice for those who are hurting and confused about God's responses to their prayers. Features include: Helpful guidance on a question without an easy answer Practical tools for studying the Minor Prophets Easy-to-understand, accessible language

## **Disappearing Nine Patch Quilts**

An account of the madness that overtook Salem Village, Massachusetts, when several young girls accused a number of adults in the community of being witches.

## **Bridge Across My Sorrows**

Explains how to use a system of layered mulch materials, including newspaper, leaves, and grass clippings, to provide a nutrient-rich base for healthy gardens and robust flowers, herbs, vegetables, and fruits
