The Hundred Days [Illustrated Edition]

Illustrated with 30 maps, portraits and diagrams of the Waterloo Campaign Philip Guedalla was a British barrister, but he was better known as a popular historical and biographical writer. His subjects were many and varied, but he had a noted inclination toward European subjects and particularly the history of France. For this volume he chose as his subject the "Hundred Days" — the return of the Emperor Napoleon from exile on Elba to his defeat at Waterloo and his final banishment to St. Helena. Eschewing national bias, the author sums up the dramatic events with wit, panache in his inimitable style.
