Report of the Director of Audit on the Results of Value for Money Audits

Company News and Notes

John MacNamara's timely report looks at the principles and practice of structured trade and commodity finance deals and what can go wrong. It is supported by invaluable case study material. An authoritative guide to structured trade and commodity finance in emerging markets A detailed study of the problems and opportunities presented by structured trade A clear explanation of typical structures and risk mitigation techniques

China Banking and Finance

Digest of Commercial Laws of the World is a practitioner-oriented compilation of expert commentary written by lawyers who practice in each of the 47 jurisdictions covered. Each country's chapter is consistently structured around 22 points of comparison -- from foreign trade to real estate to competition and antitrust laws. In addition, valuable sample forms and original articles are included, as are the full text versions of important international treaties, agreements, and rules of international organizations that govern cross-border commercial transactions.

Drafting of Contracts - Templates with Drafting Notes

Serial set (no.5800-6599)

This book offers best practice advice on how to meet anti-money laundering (AML) regulations and will help you put together an effective framework to meet your legal obligations. It includes a comprehensive selection of example documents, checklists and an unrivalled collection of training materials.

Legal Aspects of Bank Lending

A new edition of the #1 text in the human computer Interaction field! This book seeks to chart the technology-fueled changes taking place in the field of corporate governance and describes the impact these changes are having on boards and the enterprises they govern. It also describes what the future could look like once companies truly embrace the power of technology to change governance. Additionally, this book will provide a set of "suggested action steps" for companies and their boards focused on ways they can leverage technology tools to enhance governance immediately. Through a review of the latest governance research, interviews with key thought leaders, and case studies of enterprises that have embraced governance technology, readers will be armed with new insights and approaches they can take to enhance the work of their boards and senior leaders to reach new levels of performance. Explains how to use design and evaluation techniques for developing successful interactive technologies Demonstrates, through many examples, the cognitive, social and affective issues that underpin the design of these technologies Provides thought-provoking design dilemmas and interviews with expert designers and researchers Uses a strong pedagogical format to foster understanding and enjoyment An accompanying website contains extensive additional teaching and learning material including slides for each chapter, comments on chapter activities, and a number of in-depth case studies written by researchers and designers.

The Federal Law Reports

This book is an essential handy guide for any draftsman and in-house counsels as it not only contains the practical and usable templates that can serve as a prototype for the various contracts but also provides a sense about the purpose and critical points of the contract. For each of the chapters, along with the templates, there is an introduction and drafting notes, allowing a reader to grasp the essence and importance of the clauses. It comprises of chapters on Partnership; Procurement of goods, services and assets; Mergers, Acquisitions and Joint Ventures; Real Estate; Employment; Confidentiality; Franchise; Trademark; Patent; Copyright publishing, broadcast reproduction and performer's rights; Agency; Hire Purchase; Turnkey/EPC; and Project Finance. One chapter is exclusively devoted to one of the most important clauses in any contract ie the Dispute Resolution clause, and it covers the intricacies of this clause with respect to different contracts. This book will prove useful for professionals/students in understanding the practical details of varied contracts, act as a beginning point for practitioners, and be useful for all considering the vast number of contracts dealt with. Key Features A must to have for in-house legal teams, consultants, legal practitioners, and fresh lawyers. Templates of important and day-to-day contracts, acting as a beginning point for practitioners. Practical and business-oriented templates for day to day contracts with introduction and drafting notes. Special focus on Dispute Resolution clauses in most of the agreements. Useful for professionals/students to understand the practical details of varied contracts.

Report

Familiarity with guarantees and how they function under various national jurisdictions are essential for principals, guarantors, and beneficiaries of international contracts. This enormously useful handbook provides a practical overview of the guarantee regimes in twenty-eight European countries, with country-by-country contributions from regional expert practitioners and academics. For easy comparison, each country report follows the same structure, from preliminary discussion on the provisions of a guarantee to its negotiation, drafting, and enforcement. Focusing on specific issues to consider at every stage, each chapter provides detailed information and guidance on such aspects as the following: . who can issue guarantees; . limitations as to the type of obligations which may be subject to a guarantee; . issues relating to the protection of the contracting parties; . formal requirements which need to be complied with; . stamp duties or other tax payable; . presence of implied terms; . legal framework applicable to joint and several obligations; . modification of the situation; . conditions for release and actions to be taken to ensure a valid release; . opening of bankruptcy proceedings

against the principal; . court enforcement; and . incorporation of uniform rules. Each chapter includes references and model guarantee forms that readers can use to draft their own documents. Invaluable to corporate counsel and law firms with an international practice, this peerless handbook will prove the first order of business in trade negotiations across Europe, among European nations themselves as well as with their global partners.

Mastering Anti-Money Laundering and Counter-Terrorist Financing

Company Law

Digest of Commercial Laws of the World

Manual of Banking and Public Financial Institutions Laws, with Allied Acts

The Companies Act, 2013 has enforced sweeping changes to the mind-set of corporate and their managers alike. Codified roles and responsibilities, higher penalties, disclosures have made the position of directors more demanding. As one moves along with complying with the letter and spirit of law, there may be many questions which are not answered by the relevant section itself. A plethora of rules, notifications, case laws and standards of the ICAI and ICs also need to be looked into. With this background, the book takes a comprehensive approach to understand the requirements of the Office of a director, his roles, responsibilities, liabilities in the light of the relevant sections, decided cases and the applicable Secretarial standards, when it comes to procedural aspects like Board and Committee meetings. For ready reference updated rules for appointment and management of directors, key managerial personnel, meeting of Board and its powers, the Companies (Amendment) Bill, 2016, Exemption notification for government and private companies, SEBI (LODs) and SS-1 have been provided as appendices. To further help our readers navigate their way in the daily performance of corporate actions a separate br>Chapter on resolutions has also been carved out. About the author corpse is a br>mid-sized consulting firm with diverse professionals having significant industry insights & exposure with global brands. We ensure to provide customized solutions to clients and ensure quality services throughout the business life cycle.
