The Huguenot Family

Jerry D Young was born at home, in Senath, Missouri July 3, 1953. At age 5 the family rented a small farm house on an active farm 40 miles southwest of St. Louis. While the family weren't farmers, they lived something of a homestead type life, raising a milk cow, sometimes two, and calves, a pig or two, chickens, and the occasional goat. Along with the stock, a large garden helped to feed Jerry's three brothers and two sisters for several years. Fishing and hunting contributed to the pantry, as did foraging the wild edibles on the property. At the age of 14, the family, minus a brother and two sisters that were now adults and on their own, moved back to Senath. Having been encouraged from an early age to read, Jerry was a regular patron of the Senath Branch Library. A love of a good story was born within him, and shortly before graduating high school, for a lack of stories that he liked at the library, he began to write short vignettes, and started taking notes for stories that he wanted to tell. Well, a full life interceded, and the writing didn't resume for several years. But while working a job with a much free time, and the then newfangled home computer, Jerry began to write in earnest. With the occasional gap in the process, Jerry continued to research and write, never believing he could ever be published. But when he turned 50, he wanted a change in his life, left the job he was doing and began focusing on his writing. When he became ill, the writing stopped, but not the inspiration. When he started writing again, in 2004, after getting the medical problems under control, he began to read some on-line stories dealing with emergency preparedness, one of his other loves. The die was cast. Now with over a hundred of the vignettes and short stories about how to survive disasters written, along with his other novels, Jerry decided to go for broke, adding one of his previous works every few days to his list of stories now

available, Jerry continues to write, both the Prep/PAW stories, as well as action adventure with a little romance type stories that first got him started.

Building a Family Breaks My Heart

USA TODAY bestselling author Kathryn Shay spent five years riding fire trucks with a large city fire department, eating in their firehouses and interviewing hundreds of America's Bravest. RT Book Reviews Ian Woodward, one of the firefighter heroes of the 9/11 terrorist attack, lost the use of his legs on that horrific day. When Ian starts teaching at the Hidden Cove Fire Academy, he finds meaning in his life again. But he vows never to accept the love of beautiful Broadway star Lisel Loring—until a deluded fan starts stalking her. Booklist "I was profoundly moved by this book in a way that I haven't often been moved by a romance novel. It speaks of redemption, forgiveness and the transcendent healing power of love. Love Heals a Broken Heart (Trust Me)

I chronicle the nature of grief peculiar to divorce in a personal manner through the lens of my experience and clinical understanding. I begin with love and end with love. In Part One: I begin with the fantasy that turned into tragedy, and I use the analogy of a clock's mechanism to show the general nature and course of healthy grief – especially in divorce. I start with an analogy of the mechanical nature of something totally non-mechanical and fully metaphysical. A mainspring, fulcrum, lever, and pendulums show how inward and outward expressions of grief facilitate or impede healing. In Part Two: the Black Forest Pathway – How Expression Unfolds – chapters III through XII, a few other analogies are used to chronicle the journey through grief, like the "Bay of Heartbrokenness," the "Bridge of Finality," and the "Wasteland." With these analogies and some liberty, I take the reader on a walk through the "Black Forest," observing the various trees that make up grief in the various stages of a divorce. In Part Three: the Black Forest – What Helps Expression – chapters XIII and XV, I step back and view the Black Forest as a whole; that is, in comparison with and without diminishing the grief of death, I show the peculiar and greater pain of divorce. All analogies have some weaknesses, and there is no pretension to having chronicled every aspect. Even these are but scribbles. But perhaps the pictures and journey will help a little. If anything, I hope for an increase in sensitivity toward those going through a divorce, for it can be the most traumatic and painful event in a person's life – indeed, life-changing. He has resents her ever since she met Caleb in college and even more when their relationship blossoms into marriage. He goes out of his way

to undermine their marriage in anyway possible and despite the many chances Caleb gives him to make amends, but it didnt seem to do any good. Caleb is forced to end his longtime friendship with Dalton for the sake of his marriage and to shield his son from the godly behavior Dalton portrays in view of his son. The decision Caleb makes didnt set too well with Dalton and vows in his heart to somehow get even with the woman who destroyed his friendship with Caleb, but first he had to make it appear he no longer has any resentment toward Kenitra. It is during Seths sixth birthday party that he arranges an air show to set his revenge in motion. Kenitra is devastated when Dalton maliciously murders her beloved husband and his supposedly godson in front of her. He looks at her without any remorse and leaves her for dead after shooting her, but his brutal attempt to kill her fails. He is convicted of murder as well as attempted murder. Kenitra tries to put the pieces of her shattered life back together, but it is nearly impossible when her mother in law constantly blames her for their deaths when they were her life. She began to blame God for all that has happened since He is big enough to have stopped it from ever happening in the first place. Her best friend, Stephanie, who is also Calebs sister, only reminds her of what didnt have any longer. She feels like she has nothing left after this tragedy and turns her back on Most High God and runs from everything that reminds her of the life she once had. Kenitra didnt care about anything or anyone after that and traveled from one place to another till she settles in England. She lives there for years before being led to move to Kennebunk Beach, ME where she meets a teenager named Mercedes Branden after converting an abandoned bar into a health food caf. Mercedes lands a job working for her and introduces her brother the first day of her new job. Philip, a pastor, is immediately drawn to her and soon discovers Kenitra is agnostic and doesnt believe in God, but has no idea she would later become the woman of his dream. Kenitra didnt have any intentions of falling for anyone especially someone like Philip since she resents his religious beliefs, but in time her feelings for him changes and much to her surprise she marries Philip 18 months later. The moral is love does heal a broken heart when God is doing the healing so trust Him with all of your problems because He has the answers.

God Heals Broken Hearts

Sixteen-year-old Max and 10-year-old Tessa were fully prepared for another horrible summer vacation. While they always hoped to go somewhere fun like Disney World or Universal Studios, they usually went somewhere weird and cheap that their father, former boy bander Don Masters, found in an ad in a truck stop coupon magazine. But this year was different. Where they went couldn't be found on any map or in any truck stop coupon book. They passed through a portal to a place called Turtle Island, an alternate version of America that diverged from our history before the pilgrims landed at Plymouth Rock. It was there where they met world famous action movie star Jordie Paine -- star of such films as I Plan to Kill You Now and the sequel, I Plan to Kill You Now, Too, the ninja film, Chuck Butcher: Sword Wielding Jackal, as well as the light-hearted romp, Harry Hinklehoffer and the Giant Dancing Toad of East Nebraska -- who would be their guide in this strange new world. Jordie, they later learned, brought the Masters family to Turtle Island for a very specific reason. Because they look just like the ruthless first family of Turtle Island, the Masters are pawns in a coup to overthrow the dictator. But things don't go as planned and the Masters wind up in the Survival Games, Turtle Island's national pastime/system of justice where criminals competitors, or crimpetitors, compete for their freedom. In this scifi comedy, the stakes are very simple -- if they win, they rule, if they lose, they must suffer the consequences.

Fortune's Impasse

Ruth Graham--third daughter of Billy Graham--has discovered through bitter personal experience that God does his great work in the ruins of our lives. As Ruth's life descended through divorce, depression, and shame; as she bore heartrending parental struggles; and as she faltered trying to make wise choices in the wake of bad ones, she discovered the unending embrace of a faithful, forgiving, and grace-filled God. This book surpasses the testimony of her fascinating story as she brings sharp new insight from the Word of God for all who fear their actions may be beyond forgiveness or their broken circumstances may keep them from being used by God ever again. Through the words of Jeremiah--the weeping prophet--Ruth reveals the God who makes wasted places come to life. The reader grasps the parable of the Prodigal Son as never before as Ruth discloses her own journey through that parable, first as the indignant older brother struggling to understand God's grace toward her husband's infidelity, then as the prodigal when her own actions bring deep shame and painful circumstances, and even in her role as the father, running to embrace her own children in the midst of bulimia, drug abuse, and unwed pregnancy. Finally, Ruth includes practical steps in every chapter anyone can take to offer care, support, and hope to the broken people they encounter in their lives and in the pews beside them every Sunday. The broken and those who love them will run with Ruth to the arms of the God they can trust, the Father God who embraces, sustains, and redeems. Foreword by Billy Graham.
