Glamour of the God-Touched

25 chilling short stories by outstanding female writers. Women have always written exceptional stories of horror and the supernatural. This anthology aims to

showcase the very best of these, from Amelia B. Edwards's 'The Phantom Coach', published in 1864, through past luminaries such as Edith Wharton and Mary Elizabeth Braddon, to modern talents including Muriel Gray, Sarah Pinborough and Lilith Saintcrow. From tales of ghostly children to visitations by departed loved ones, and from heart-rending stories to the profoundly unsettling depiction of extreme malevolence, what each of these stories has in common is the effect of a slight chilling of the skin, a feeling of something not quite present, but nevertheless there. If anything, this showcase anthology proves that sometimes the female of the species can also be the most terrifying . . .

How To Analyze People On Sight

In Towing Jehovah, the discovery of the two-mile-long corpse of God in the mid-Atlantic proved a serious menace to both navigation and to faith. But was God truly dead, as the nihilists and the New York Times believed? In Blameless in Abaddon, His body - comatose yet far from inert - has been hauled from its temporary resting place in the Arctic to Florida, where it has become the Main Attraction at Orlando's Celestial City USA. And now one Martin Candle, a small-time and sore-afflicted judge practicing in Abaddon Township, Pennsylvania, proposes further travels for the Corpus Dei: to the World Court in The Hague, to answer for history's injustices large and small. In his quest to counter the world's great theodicies, Martin embarks on an astonishing odyssey through the mind of the Creator, where Lot's wife proves a most convenient way of adding salt to a margarita glass, early hominids vigorously debate Augustinian doctrine over jasmine tea, and Martin's alter ego, Job, keeps an eternal vigil atop his dung heap. Once the Trial of the Millennium has begun, Martin will understand why Abaddon is another name for Hell. God hunting simply is not a sport for amateurs.

Theater Geek

What do Natalie Portman, Robert Downey, Jr., Zach Braff, and Mandy Moore have in common? Before they were stars, they were campers at Stagedoor Manor, the premier summer theater camp for children and teenagers. Founded in 1975, Stagedoor continues to attract scores of young performers eager to find kindred spirits, to sing out loud, to become working actors—or maybe even stars. Every summer for the past thirty-five years, a new crop of campers has come to the Catskills for an intense, often wrenching introduction to professional theater. (The camp produces thirteen full-scale productions during each of its three sessions.) These kids come from varying backgrounds—the offspring of Hollywood players from Nora Ephron to Bruce Willis work alongside kids on scholarship. Some campers have agents, others are seeking representation. When Mickey Rapkin, a senior editor at GQ and self-proclaimed theater fanatic, learned about this place, he fled Manhattan for an escape to upstate New York. At Stagedoor, he tracked a trio of especially talented and determined teen actors through their final session at camp. Enter Rachael Singer, Brian Muller, and Harry Katzman, three high school seniors closing out their sometimes sheltered Stagedoor experiences and graduating into the real world of industry competition and rejection. These veteran campers—still battling childhood insecurities, but simultaneously searching for that professional gig that will catapult them to fame—pour their souls into what might be their last amateur shows. Their riveting stories are told in *Theater Geek*, an eye-opening, laugh-out-loud chronicle full of drama and heart, but also about the business of training kids to be professional thespians and, in some cases, child stars. (The camp has long acted as a farm system for Broadway and Hollywood, attracting visits from studio executives and casting directors.) Via original interviews with former and current campers and staff—including Mandy Moore, Zach Braff, and Jon Cryer—Rapkin also recounts Stagedoor Manor's colorful, star-studded history: What was Natalie Portman's breakout role as a camper? What big-time Hollywood director, then barely a teenager, dated a much older Stagedoor staff member? Why did Courtney Love (at Stagedoor visiting her daughter) get into an argument with a hot dog vendor who had set up shop at the camp? *Theater Geek* leads readers through the triumphs and tragedies of the three senior campers' final summer in an absorbing, thought-provoking narrative that reveals the dynamic and inspiring human beings who populate this world. It also explores what the proliferation of theater camps says about our celebrity-obsessed youth and our most basic but vital need to fit in. Through the rivalry, heartbreak, and joy of one summer at Stagedoor Manor, Rapkin offers theater geeks of all ages a dishy, illuminating romp through the lives of serious child actors. Rich, insightful, and thoroughly entertaining, *Theater Geek* pulls back the curtain on an elite and intriguing world to reveal what's really at its core: children who simply love to perform.

Stone Spring

Peter Evans's biography of Aristotle Onassis, Ari, met with great acclaim when it was published in 1986. It provided the world with an unprecedented glimpse of the Greek shipping magnate's orbit of dizzying wealth, twisted intrigues, and questionable mores. Not long after the book appeared, however, Onassis's daughter Christina and his longtime business partner Yannis Georgakis hinted to Evans that he had missed the "real story" -- one that proved Onassis's intrigues had deadly results. "I must begin," Georgakis said, "with the premise that, for

Onassis, Bobby Kennedy was unfinished business from way back" His words launched Evans into the heart of a story that tightly bound Onassis not to Jackie's first husband, but to his ambitious younger brother Bobby. A bitter rivalry emerged between Bobby and Ari long before Onassis and Jackie had even met. Nemesis reveals the tangled thread of events that linked two of the world's most powerful men in their intense hatred for one another and uncovers the surprising role played by the woman they both loved. Their power struggle unfolds against a heady backdrop of international intrigue: Bobby Kennedy's discovery of the Greek shipping magnate's shady dealings, which led him to bar Onassis from trade with the United States; Onassis's attempt to control much of Saudi Arabia's oil; Onassis's untimely love affair with Jackie's married sister Lee Radziwill; and his bold invitation to First Lady Jackie to join him on his yacht -- without the president. Just as this self-made Greek tycoon gloried in the chance to stir the wrath of the Kennedys, they struggled unsuccessfully to break his spell over the woman who held the key to all of their futures. After Jack's death, Bobby became ever closer to Camelot's holy widow, and fought to keep her from marrying his sworn rival. But Onassis rarely failed to get what he wanted, and Jackie became his wife shortly after Bobby was killed. Through extensive interviews with the closest friends, lovers, and relatives of Onassis and the Kennedys, longtime journalist Evans has uncovered the shocking culmination of the Kennedy-Onassis-Kennedy love triangle: Aristotle Onassis was at the heart of the plot to kill Bobby Kennedy. Meticulously tracing Onassis's connections in the world of terrorism, Nemesis presents compelling evidence that he financed the assassination -- including a startling confession that has gone unreported for nearly three decades. Along the way, this groundbreaking work also daringly paints these international icons in all of their true colors. From Evans's deeply nuanced portraits of the charismatic Greek shipping magnate and his acquisitive iconic bride to his probing and revelatory look into the events that shaped an era, Nemesis is a work that will not be soon forgotten.
