In 2011, I began creating online tutorial videos on Youtube, with a vision to share my GCSE expertise in English language and literature. As I write, these videos have been viewed over 10 million times across 214 different nations. My GCSE English Youtube channel has over 60,000 subscribers. To accompany these videos, I have published over 20 revision guide eBooks-one of which you are currently looking at! My guide to the previous GCSEs in English language and literature sat at the top of the Amazon bestseller's list for over 45 weeks and achieved huge acclaim; this book aims to build on those strengths. In this ebook, you'll receive detailed guidance on every question in the AQA GCSE English Language exams. Please note that this ebook is not endorsed by or affiliated to any exam boards; I am simply an experienced teacher using my expertise to help students. However, if you read some of the 100+ reviews for this guide, you will see that it has already helped students, teachers and parents across the UK. As an extra bonus, this ebook contains links to five special video tutorials which are only available to those who purchase this guide. These links appear later in the text. I hope you enjoy the ebook. You should also purchase the accompanying eBook which covers the English Literature exams.

Reading the American Novel 1920-2010

Examines the little-known story of how Great Neck, New York, was transformed from a Gentile community to one in which Jews were the majority, in a rich narrative that illustrates the allure of suburbia, Jewish identity in America, and the American dream itself.

All the King's Men

Clare Kendry has severed all ties to her past. Elegant, fair-skinned and ambitious, she is married to a white man who is unaware of her African-American heritage. When she renews her acquaintance with her childhood friend Irene, who has not hidden her origins, both women are forced to reassess their marriages, the lies

they have told - and to confront the secret fears they have buried within themselves. Nella Larsen's intense, taut and psychologically nuanced portrayal of lives and identities dangerously colliding established her as a leading writer of America's Harlem Renaissance. The Penguin English Library - collectable general readers' editions of the best fiction in English, from the eighteenth century to the end of the Second World War.

The Gun and the Pen

The "Fresh Air" book critic investigates the enduring power of *The Great Gatsby* -- "The Great American Novel we all think we've read, but really haven't." Conceived nearly a century ago by a man who died believing himself a failure, it's now a revered classic and a rite of passage in the reading lives of millions. But how well do we really know *The Great Gatsby*? As Maureen Corrigan, *Gatsby* lover extraordinaire, points out, while Fitzgerald's masterpiece may be one of the most popular novels in America, many of us first read it when we were too young to fully comprehend its power. Offering a fresh perspective on what makes *Gatsby* great- and utterly unusual-*So We Read On* takes us into archives, high school classrooms, and even out onto the Long Island Sound to explore the novel's hidden depths, a journey whose revelations include *Gatsby*'s surprising debt to hard-boiled crime fiction, its rocky path to recognition as a "classic," and its profound commentaries on the national themes of race, class, and gender. With rigor, wit, and infectious enthusiasm, Corrigan inspires us to re-experience the greatness of *Gatsby* and cuts to the heart of why we are, as a culture, "borne back ceaselessly" into its thrall. Along the way, she spins a new and fascinating story of her own.

William Golding's unforgettable classic of boyhood adventure and the savagery of humanity comes to Penguin Classics in a stunning Graphic Deluxe Edition with a new foreword by Lois Lowry. As provocative today as when it was first published in 1954, *Lord of the Flies* continues to ignite passionate debate with its startling, brutal portrait of human nature. William Golding's compelling story about a group of very ordinary boys marooned on a coral island has been labeled a parable, an allegory, a myth, a morality tale, a parody, a political treatise, and even a vision of the apocalypse. But above all, it has earned its place as one of the indisputable classics of the twentieth century for readers of any age. This Penguin Classics Graphic Deluxe Edition features an array of special features to supplement the novel, including a foreword by Lois Lowry, an introduction by Stephen King, an essay by E. M. Forster, an essay on teaching and reading the novel and suggestions for further exploration by scholar Jennifer Buehler, and an extended note by E. L. Epstein, the publisher of the first American paperback edition of *Lord of the Flies*. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide

authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Careless People

The York Notes Companion to Nineteenth Century American Literature explores literature written during an era of revolution, independence, civil war and consolidation. Covering genres such as the early American novel, realist fiction and historical romance, short stories and poetry, the Companion explores examples from each genre in detailed commentaries, and guides students through key literary theories and debates. Connecting texts with their historical and scholarly contexts, this is essential reading for any student of nineteenth-century American literature. Texts discussed include: *The Scarlet Letter*, *The Adventures of Huckleberry Finn*, *Leaves of Grass*, *The White Heron* and selected slave narratives. Each York Notes Companion provides:

- Analysis of key texts and debates.
- Extended commentaries for further in-depth analysis of individual texts.
- Exploration of historical, social and cultural contexts.
- Annotations clarifying literary terms and events in history.
- Modern theoretical perspectives in practice.
- Timelines and annotated further reading.

Before Gatsby

Fifth-grader Peter Hatcher's mother is pregnant, his four-year-old brother, Fudge, is a constant embarrassment to his family, and his parents want to move to New Jersey for a year, could life get any worse?

Passing

The Great Gatsby has long been celebrated as the archetypal American novel, and its influence on later writers from J.D. Salinger to John O'Hara cannot be

overestimated. Fitzgerald looks deeply into himself and his milieu to create the story of James Gatz, a self-educated nobody from Kentucky who has amassed a fortune and adopted the persona of Jay Gatsby, an Oxford-educated man about town, for the sole purpose of winning back the heart of Daisy, the woman he loved in his youth. Daisy is now married to Tom Buchanan a brutal, ignorant racist who embodies the corruption that can come with unlimited wealth. As Gatsby, Daisy and Tom play out the drama in a small Long Island town, Fitzgerald makes it clear that life is meaningless when it is based on money and glamour at the expense of the solid American values of self-reliance and hard work.

Trivium 21c

First published in 1941, a classic portrait of a Soviet revolutionary who is imprisoned and tortured under Stalin's rule finds him agonizingly reflecting on his ironic career under the totalitarian movement.

Simon Called Peter

Jack London's "The Call of the Wild" has been broken down into several books. In this series, there will be a book for every chapter. This is Weekly #3, which is the 3rd chapter(The Dominant Primordial Beast) of The Call of the Wild. Be sure to look for your favorite chapters from this classic story. "The Call of the Wild," set in the late 1800s, takes the reader on an interesting adventure during the 1890s Klondike Gold Rush. Enjoy London's imagination as you discover what life was like for an in-demand dog during those times and how this dog responded to the challenges laid before him.

American Icon

This book examines selected works in the American literary tradition from an evolutionary perspective. Individual essays address figures ranging from Benjamin Franklin to Billy Collins, targeting a variety of fitness-related issues--courtship, nepotism, competition, cooperation, status, and deception, for example--in the context of both physical and social environment.

The Great Gatsby; The Diamond as Big as the Ritz

The masterful novel of Jazz Age idealism, decadence, and disillusionment by the celebrated author of *The Beautiful and Damned*. Here is the timeless story of mysterious millionaire Jay Gatsby; beautiful debutant Daisy Buchanan; Daisy's philandering husband, Tom; and aspiring writer Nick Carraway, who gets caught up in their drama of elegant parties and doomed romance. With its vivid prose and perceptive character portraits, it is widely considered to be author F. Scott Fitzgerald's masterpiece, as well as one of the greatest novels ever written. Adapted for stage and screen numerous times, *The Great Gatsby* is emblematic of the style and sensibility of the Roaring Twenties as well as a brilliant evocation of popular culture's growing disillusionment with the American Dream.

The Prisoner of Zenda

New York Times Best Seller Longlisted for the Man Booker Prize Named a Best Book of 2017 by NPR, Amazon, Kirkus, The Washington Post, Newsday, and the Hudson Group A dazzling, richly moving new novel by the internationally celebrated author of *The God of Small Things* *The Ministry of Utmost Happiness* takes us on an intimate journey of many years across the Indian subcontinent—from the cramped neighborhoods of Old Delhi and the roads of the new city to the mountains and valleys of Kashmir and beyond, where war is peace and peace is war. It is an aching love story and a decisive remonstrance, a story told in a whisper, in a shout, through unsentimental tears and sometimes with a bitter laugh. Each of its characters is indelibly, tenderly rendered. Its heroes are people who have been broken by the world they live in and then rescued, patched together by acts of love—and by hope. The tale begins with Anjum—who used to be Aftab—unrolling a threadbare Persian carpet in a city graveyard she calls home. We encounter the odd, unforgettable Tilo and the men who loved her—including Musa, sweetheart and ex-sweetheart, lover and ex-lover; their fates are as entwined as their arms used to be and always will be. We meet Tilo's landlord, a former suitor, now an intelligence officer posted to Kabul. And then we meet the two Miss Jebeens: the first a child born in Srinagar and buried in its overcrowded Martyrs' Graveyard; the second found at midnight, abandoned on a concrete sidewalk in the heart of New Delhi. As this ravishing, deeply humane novel braids these lives together, it reinvents what a novel can do and can be. *The Ministry of Utmost Happiness* demonstrates on every page the miracle of Arundhati Roy's storytelling gifts.

Inventing Great Neck

Education policy and practice is a battleground between sworn enemies. Traditionalists argue for the importance of a privileged type of 'hard' knowledge and deride 'soft' skills. Progressives deride learning about great works of the past; preferring '21stC skills' like critical thinking, and teamwork. Whilst looking for a school for his daughter, the author became frustrated by schools' inability to value knowledge, as well as creativity, foster discipline alongside free-thinking, and value citizenship alongside independent learning. Drawing from his work as a creative teacher Robinson finds inspiration in the Arts and the need to nurture learners with the ability to deal with the uncertainties of our age. From Ancient Greece to the present day, this book explores whether a contemporary trivium (Grammar, Dialectic, and Rhetoric) can unite progressive and traditionalist institutions, teachers, politicians and parents in the common pursuit of providing a great education for our children in 21st Century.

Darkness at Noon

"Winter Dreams" is a short story by F. Scott Fitzgerald that first appeared in *Metropolitan Magazine* in December 1922, and was collected in *All the Sad Young Men* in 1926. It is considered one of Fitzgerald's finest stories and is frequently anthologized. In the Fitzgerald canon, it is considered to be in the "Gatsby-cluster," as many of its themes were later expanded upon in his famous novel *The Great*

Gatsby in 1925.

Lord of the Flies

Stunning and elegiac, Norwegian Wood first propelled Haruki Murakami into the forefront of the literary scene. Toru, a serious young college student in Tokyo, is devoted to Naoko, a beautiful and introspective young woman, but their mutual passion is marked by the tragic death of their best friend years before. As Naoko retreats further into her own world, Toru finds himself drawn to a fiercely independent and sexually liberated young woman. A magnificent coming-of-age story steeped in nostalgia, Norwegian Wood blends the music, the mood, and the ethos that were the sixties with a young man's hopeless and heroic first love.

Animal Farm

A memoir done in the form of a graphic novel by a cult favorite comic artist offers a darkly funny family portrait that details her relationship with her father--a funeral home director, high school English teacher, and closeted homosexual.

Norwegian Wood

This astute guide to the literary achievements of American novelists in the twentieth century places their work in its historical context and offers detailed analyses of landmark novels based on a clearly laid out set of tools for analyzing narrative form. Includes a valuable overview of twentieth- and early twenty-first century American literary history. Provides analyses of numerous core texts including *The Great Gatsby*, *Invisible Man*, *The Sound and the Fury*, *The Crying of Lot 49* and *Freedom*. Relates these individual novels to the broader artistic movements of modernism and postmodernism. Explains and applies key principles of rhetorical reading. Includes numerous cross-novel comparisons and contrasts.

19th Century American Literature

A collection of "commercial short stories F. Scott Fitzgerald published before he began to work on what would become his great American novel, *The Great Gatsby*."--Back cover.

American Classics

Ernest Hemingway, F. Scott Fitzgerald, and William Faulkner stand as the American voice of the Great War. But was it warfare that drove them to write? Not according to Keith Gandal, who argues that the authors' famous postwar novels were motivated not by their experiences of the horrors of war but rather by their failure to have those experiences. These 'quintessential' male American novelists of the 1920s were all, for different reasons, deemed unsuitable as candidates for full military service or command. As a result, Gandal contends, they felt themselves emasculated--not, as the usual story goes, due to their encounters with trench warfare, but because they got nowhere near the real action. Bringing to light

previously unexamined Army records, including new information about the intelligence tests, *The Gun and the Pen* demonstrates that the authors' frustrated military ambitions took place in the forgotten context of the unprecedented U.S. mobilization for the Great War, a radical effort to transform the Army into a meritocratic institution, indifferent to ethnic and class difference (though not to racial difference). For these Lost Generation writers, the humiliating failure vis-a-vis the Army meant an embarrassment before women and an inability to compete successfully in a rising social order, against a new set of people. *The Gun and the Pen* restores these seminal novels to their proper historical context and offers a major revision of our understanding of America's postwar literature.

"The Call of the Wild" Weekly #3

How and why Fitzgerald's novel, initially called a failure, has come to be considered a masterwork of American literature and part of the fabric of the culture.

A Sky Painted Gold

X-Kit Literature Series: FET Great Gatsby

George Orwell (born Eric Arthur Blair), was one of the most prolific English authors of the 20th century. *Animal Farm* is one of his most celebrated works.

Mr Bruff's Guide to GCSE English Language

F.S. Fitzgerald was an American writer, whose works illustrate the Jazz Age. *The Great Gatsby*, Fitzgerald's third book, stands as the supreme achievement of his career. Being acclaimed by generations of readers, the story of the fabulously wealthy Jay Gatsby and his love for the beautiful Daisy Buchanan remains one of the most famous Fitzgerald's works. It is an exquisitely crafted tale of America in the 1920s. *All the Sad Young Men* is a wonderful short-story collection. It contains two of the most famous tales: the beautifully elegiac «*The Rich Boy*» and «*Winter Dreams*», dealing with wealthy protagonists as they come to terms with lost love and «*Absolution*», a boy's confession to a priest.

CliffsNotes on Fitzgerald's The Great Gatsby

If historically tinged action-adventure is your genre of choice, hang on to your hat -- you're in for a wild ride. In *The Prisoner of Zenda*, Anthony Hope relates the misadventures that befall the soon-to-be-crowned king of the fictional country of Ruritania in the days leading up to his coronation. An English tourist who just happens to be a dead ringer for the king is called into service as a decoy, and a string of increasingly perilous scrapes follow.

The Witches

"Prepare your high school students for AP, IB, and other standardized tests that demand an understanding of the subtle elements that comprise an author's unique

voice. Each of the 100 sharply focused, historically and culturally diverse passages from world literature targets a specific component of voice, presenting the elements in short, manageable exercises that function well as class openers. Includes teacher notes and discussion suggestions."

So We Read On

Willie Stark, a well-intentioned idealistic back-country lawyer is unable to resist greed, power, and lust for politics during his rise and fall as an American demagogue.

The Scarlet Letter

The Great Gatsby, by the American author F. Scott Fitzgerald, is one of the great novels of twentieth-century literature. Set in the Long Island of 1922, it provides a critical social history of America during the "Roaring Twenties", an era that Fitzgerald himself dubbed the "Jazz Age", known for unprecedented economic prosperity, the evolution of jazz music, flapper culture, and bootlegging and other criminal activity. A historic period when "gin was the national drink and sex the national obsession", as classified by The New York Times.

F. Scott Fitzgerald's the Great Gatsby

"A true genius . . . Roald Dahl is my hero" David Walliams Witches really are a detestable breed. They disguise themselves as lovely ladies, when secretly they want to squish and squelch all the wretched children they despise. Luckily one boy and his grandmother know how to recognize these vile creatures, but can they get rid of them for good?

Superfudge

Presents a series of critical essays discussing the structure, themes, and subject matter of Fitzgerald's story of the love between wealthy Jay Gatsby and the beautiful Daisy Buchanan.

The Great Gatsby

This Side of Paradise is the debut novel by F. Scott Fitzgerald, published in 1920. The book examines the lives and morality of post-World War I youth. Its protagonist Amory Blaine is an attractive student at Princeton University who dabbles in literature. The novel explores the theme of love warped by greed and status seeking, and takes its title from a line of Rupert Brooke's poem Tiare Tahiti. The novel famously helped F. Scott Fitzgerald gain Zelda Sayre's hand in marriage; its publication was her condition of acceptance.

The Unofficial Great Gatsby Companion

The Great Gatsby & All the Sad Young Men

Classic light comedy, fully sustained in the spirit of the plays of this genre. As is characteristic of the dramaturgy of this epoch, the obviousness of the incipient intrigue does not spoil the general charm of the play at all, and the onslaught of free irony and elegant juggling with words and meanings delivers true enjoyment. The plot tells about the creation of a union of two pairs, very different from each other. The wedding of the first couple has already been discussed, and preparations are underway. The second couple still does not even realize that a sharp reversal of fate will happen soon.
