Ask a Manager

Cost Accounting in Australia

The ideal graduation gift for anyone about to enter the workforce, a witty, practical guide to 200 difficult professional conversations—featuring all-new advice from the creator of the popular website Ask a Manager and New York’s work-advice columnist. There’s a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don’t know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You’ll learn what to say when

- coworkers push their work on you—then take credit for it
- you accidentally trash-talk someone in an email then hit “reply all”
- you’re being micromanaged—or not being managed at all
- you catch a colleague in a lie
- your boss seems unhappy with your work
- your cubemate’s loud speakerphone is making you homicidal
- you got drunk at the holiday party

Advance praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Clear and concise in its advice and expansive in its scope, Ask a Manager is the book I wish I’d had in my desk drawer when I was starting out (or even, let’s be honest, fifteen years in).”—Sarah Knight, New York Times bestselling author of *The Life-Changing Magic of Not Giving a F*ck*

Management and Cost Accounting

Including European and Harvard Business School cases, this book has been adapted to suit a UK/European syllabus. The Euro is used as the reference currency throughout the text, whilst a range of individual currencies are used in the questions.

Horngren's Cost Accounting

Management and Cost Accounting

The new fourth edition of Blanchard's respected Macroeconomics text has been substantially revised to account for the impact of the GFC on the Australasian Economy and the many issues it raises. Thus, in addition to a first discussion of the crisis in Chapter 1 and numerous boxes and discussions throughout the book, we have brought forward the chapter on the GFC to Chapter 9.

Cost Accounting

Horngren's Cost Accounting: a Managerial Emphasis

The Arab World Edition of this popular text from world famous author Charles T. Horngren has been especially created to motivate and engage students of cost accounting from across the Arab World. While there are many cost accounting textbooks available on the market, none have been developed with such a strong focus on preparing students for an accounting career in both the Arab World and globally. This new text sets out to provide cost accounting students with the practical skills and theoretical knowledge students need to thrive in both their academic study and future careers. Drawing on many locally sourced examples and case studies, this text gives students an essential global perspective on cost accounting, all the while making core concepts relevant to students' own experiences.
