### MOON FACE

Point Your Face At This is a wonderfully entertaining book of cartoons and absurdity from Demetri Martin, the Perrier Award-winning comedian, and author of This Is A Book If you want to laugh, point your face at this. In his first book, This Is a Book, Demetri Martin introduced fans and readers to his unique brand of long-form humour writing. Now Demetri returns with an eclectic volume devoted entirely to his trademark drawings and word play. Point Your Face At This contains hundreds of hilarious drawings and visual jokes, showcasing Martin's particular penchant for brevity. With a sensibility all its own, this is a great gift book and an absolute must-have for fans of the brainy, ambidextrous, comedian, palindromist (and author), Demetri Martin. Praise for Demetri Martin: 'Highly inventive . . . Martin is a genius' Telegraph 'A refined sense of the absurd' Guardian Demetri Martin rose to relative obscurity when he started doing stand-up comedy in New York City at the end of the 20th Century. Later he became a writer at Late Night with Conan O'Brien and then a regular performer on The Daily Show with Jon Stewart. In 2003, Demetri won the Perrier Award at the International Fringe Festival for his first one-man show, If I. He released a comedy album called These Are Jokes and then created and starred in his own television series called Important Things with Demetri Martin. Demetri has brown hair, and he is allergic to peanuts. You can find him at [www.demetrimartin.com](http://www.demetrimartin.com), at [www.facebook.com/demetrimartin](http://www.facebook.com/demetrimartin), on Twitter @demetrimartin, and in various places in the actual physical world.

### Christmas Crochet for Hearth, Home & Tree

A modern classic that no child should miss. Since it was first published in 1939, Mike Mulligan and His Steam Shovel has delighted generations of children. Mike and his trusty steam shovel, Mary Anne, dig deep canals for boats to travel through,

cut mountain passes for trains, and hollow out cellars for city skyscrapers -- the very symbol of industrial America. But with progress come new machines, and soon the inseparable duo are out of work. Mike believes that Mary Anne can dig as much in a day as one hundred men can dig in a week, and the two have one last chance to prove it and save Mary Anne from the scrap heap. What happens next in the small town of Popperville is a testament to their friendship, and to old-fashioned hard work and ingenuity.

### **24 Hours Crochet Hacks**

In Dark Agenda, New York Times bestselling author David Horowitz exposes not only the progressive war against Christianity, but also a war against America and its founding principles, which are Christian in their origin. Dark Agenda is about an embattled religion, but most of all, it is about our imperiled nation. Tackling a broad range of issues from prayer in the schools to the globalist mindset, Horowitz traces the anti-Christian movement to its roots in communism. When the communist empire fell, progressives did not want to give up their utopian anti-God illusions, so instead they merely changed the name of their dream. Instead of "communism," progressives have re-branded their movement as "social justice." Dark Agenda shows how the progressives are prepared to use any means necessary to stifle their opponents who support the concepts of religious liberty that America was founded on, and how the battle to destroy Christianity is really the battle to destroy America.

sought-after realizations in this world, discovering your purpose is something countless self-help books will claim they can help you do, but they're missing the biggest piece of the puzzle: your relationship with God. If you're ready to wake up, shake up, break away from bondage, dust off the dullness, and discover genuine joy, it's time to take action and allow the Lord to take control of your life. True transformation can only occur when you're receptive to God's will for your life, and past sorrows and mistakes often prohibit you from moving forward and receiving Jesus's forgiveness and grace. But forgiving others-and receiving forgiveness from the Lord-is imperative for experiencing wholeness and freedom. Growing closer to God also requires some internal housecleaning. From chapters on dusting away anything that dulls the true joy of a relationship with God to receiving the living water from Jesus that quenches any thirst for fulfillment, learn how trusting God fully and seeking after His guidance are the real keys to receiving lasting contentment and transformation.

Kristin Omdahl's Crochet So Fine takes crocheted clothing from fussy to fashionable! By working with thinner yarns and more flexible stitches, crocheters can produce garments that are stylish and comfortable, figure-flattering without being form-fitting and great for layering. And just because the yarn is thin doesn't mean crocheters need to use the smallest of hooks, fine crochet can be quick and easy, too. Crocheters begin by exploring techniques specific to crocheting with fine yarns: gauge, blocking, and garment construction tips to maximize drape. Then they can choose from 20 projects including stunning crocheted pullovers, cardigans, jackets, capes, shawls, scarves, hats, and more. Many of the projects only require one or two skeins of yarn. The designs are interesting to make, using clever stitch motifs, innovative and traditional shaping methods, and a variety of crochet techniques and embellishment ideas. In addition to a variety of stitch patterns, motifs, and techniques, Crochet So Fine includes tutorials with detailed illustrations and instruction on Tunisian crochet, broomstick crochet, and hairpin lace. The garments include couture details such as colorwork, beading, lace, ruffles, tiers, and more. All stitch motifs include charts, and the specialized techniques include how-to sections.

Refusing to be driven away by acts of intimidation, Rebecca's father stood his ground until one night when an armed man walked into the family's kitchen . . . And Rebecca's life was shattered. If anyone had a reason to harbor hatred and seek personal revenge, it would be Rebecca. Yet *The Devil in Pew Number Seven* tells a different story.
