What does it mean to make a difference? It means challenging ourselves every day to make the world better, in small ways and large. Today, it's more important than ever that we show our students what it means to be citizens of this nation - that respect, caring, responsibility, fairness, courage, and honesty are the pillars that make us strong. Scott Foresman Social Studies helps you make a difference. With rich content that captures students' imaginations and built-in reading and vocabulary instruction, your students will not only be learning, they'll be preparing for success on high-stakes state and national tests. Plus, exciting lessons from Colonial Williamsburg, the nation's largest living history museum, give your students unique opportunities to connect with the past. Take a look and you'll see that Scott Foresman Social Studies truly makes a world of difference! Freedom to read and succeed. Freedom to learn. Freedom to act. Freedom to teach. Scott Foresman Teaching Freedom.

"There once lived a very rich king called Midas who

## Get Free Envision Math Workbook 5th Grade Printables

believed that nothing was more precious than gold." So begins this imaginative and breathtaking retelling of the myth of the man with the golden touch. When a mysterious stranger offers to reward Midas for a kindness, the king does not hesitate: He wishes that all he touches would turn to gold. To his delight, his wish is granted and he soon sets about transforming his ordinary palace into a place of golden beauty. But to his dismay, when he accidentally turns his beloved daughter into a golden statue, Midas learns that what at first seems a blessing can also become a curse.

"Written specifically to address the Common Core State Standards, enVisionMATH Common Core is based on critical foundational research and proven classroom results. Since enVisionMATH Common Core was built from the ground up to meet the Common Core State Standards, mathematical practices are deeply rooted in the curriculum. These practices promote student success in mathematics. Teach all of the Standards for Mathematical Content within the structure of a program powerful in concept development and grounded on big ideas of mathematics and related essential understandings. This new program develops conceptual understanding through daily Problem-Based Interactive Learning and step-by-step Visual Learning. How do I differentiate instruction? enVisionMATH Common Core shows you.
