Fairest of Them All

A singular, beautifully written coming-of-age memoir of a Filipino boy with albinism whose story travels from an immigrant childhood to Harvard to a gender transition and illuminates the illusions of race, disability, and gender. Fairest is a memoir about a precocious boy with albinism, a "sun child" from a rural Philippine village, who would grow up to become a woman in America. Coping with the strain of parental neglect and the elusive promise of U.S. citizenship, Talusan found childhood comfort from her devoted grandmother, a grounding force as she was treated by others with special preference or public curiosity. As an immigrant to the United States, Talusan came to be perceived as white. An academic scholarship to Harvard provided access to elite circles of privilege but required Talusan to navigate through the complex spheres of race, class, sexuality, and her place within the gay community. She emerged as an artist and an activist questioning the boundaries of gender. Talusan realized she did not want to be confined to a prescribed role as a man, and transitioned to become a woman, despite the risk of losing a man she deeply loved. Throughout her journey, Talusan shares poignant and powerful episodes of desirability and love that will remind readers of works such as Call Me By Your Name and Giovanni's Room. Her evocative reflections will shift our own perceptions of love, identity, gender, and the fairness of life.

The Fairest Among Women

A second Israeli bestseller from Shifra Horn, *The Fairest Among Women*, tells the life story of Rosa, fabled to be the most beautiful woman in all Jerusalem. Rosa's life coincides with the fifty years of the state of Israel--she was born during the War of Independence in the 1940s and disappears on a cold winter night in the 1990s--and her absorbing tale is part history, part fairy tale, and part legend. The novel combines generational family stories with folklore and magical realism into a unique literary accomplishment.

The Fairest of Them All

Nunavut tigummiun! Hold on to the land! It was just fifty years ago that the territory of Alaska officially became the state of Alaska. But no matter who has staked their claim to the land, it has always had a way of enveloping souls in its vast, icy embrace. For William L. Iggiagruk Hensley, Alaska has been his home, his identity, and his cause. Born on the shores of Kotzebue Sound, twenty-nine miles north of the Arctic Circle, he was raised to live the traditional, seminomadic life that his Iñupiaq ancestors had lived for thousands of years. It was a life of cold and of constant effort, but Hensley's people also reaped the bounty that nature provided. In *Fifty Miles from Tomorrow*, Hensley offers us the rare chance to immerse ourselves in a firsthand account of growing up Native Alaskan. There have been books written about Alaska, but they've been written by Outsiders, settlers. Hensley's memoir of life on the tundra offers an entirely new perspective, and his stories are captivating, as is his account of his devotion to the Alaska Native land claims movement. As a young man, Hensley was sent by missionaries to the Lower Forty-eight so he could pursue an education. While studying there, he discovered that the land Native Alaskans had occupied and, to all intents and purposes, owned for millennia was being snatched away from them. Hensley decided to fight back. In 1971, after years of Hensley's tireless lobbying, the United States government set aside 44 million acres and nearly \$1 billion for use by Alaska's native peoples. Unlike their relatives to the south, the Alaskan peoples would be able to take charge of their economic and political destiny. The landmark decision did not come overnight and was certainly not the making of any one person. But it was Hensley who gave voice to the cause and made it real. *Fifty Miles from Tomorrow* is not only the memoir of one man; it is also a fascinating testament to the resilience of the Alaskan ilitqusiit, the Alaskan spirit.

Besotted

The Pulitzer Prize-nominated novel from the author of the New York Times bestselling novel *We Were the Mulvaney*s "Taut, powerfully imagined and beautifully written, *Black Water* ranks with the best of Joyce Carol Oates's already long list of distinguished achievements. It can be read in a single afternoon, but, like every good book, it continues to haunt us."—The New York Times Kelly Kelleher is an idealistic, twenty-six-year-old "good girl" when she meets the Senator at a Fourth of July party. In a brilliantly woven narrative, we enter her past and her present, her mind and her body as she is fatally attracted to this older man, this hero, this soon-to-be-lover. Kelly becomes the very embodiment of the vulnerable, romantic dreams of bright and brave women—drawn to the power that certain men command—at a party that takes on the quality of a surreal nightmare. One of the acknowledged masters of American fiction, Joyce Carol Oates has written a bold tour de force that parts the black water to reveal the profoundest depths of human truth.
