First of the five great works of traditional prose fiction, this master narrative transforms history into epic and has thereby educated and entertained readers of five centuries with unforgettable exemplars of martial and civic virtue, of personal fidelity and political treachery. Moss Roberts's translation, the first complete rendering in English, is one of surpassing excellence and impeccable scholarship. It should delight and captivate Western readers for many more years to come."—Anthony C. Yu, University of Chicago "Moss Roberts's elegant and powerful translation of China's most important historical romance has a stunning directness that aptly conveys the dramatic boldness of the original episodic narrative. English readers may now finally understand why this 15th-century novel so strategically shaped the political world-view of generations of Chinese."—Frederic Wakeman, Director of the Institute of East Asian Studies, University of California, Berkeley

## **Fiction and Poetry**

Nella Larsen was an important writer associated with the Harlem Renaissance. While she was not prolific her work was powerful and critically acclaimed. Collected here are both of her novels, *Passing* and *Quicksand*, as well as all three of her published short stories; "Freedom," "The Wrong Man," and "Sanctuary." *Quicksand*, was autobiographical in nature and examined a woman's need for sexual fulfillment balanced against respectability and acceptance amid a deeply religious society. The novel is deeply pessimistic and ends as the protagonist is sucked into a life that is at odds with all that she desired. *Passing* confronts the reality of racial passing. The novel focuses on two childhood friends Clare and Irene, both of whom are light skinned enough to pass as white, who have reconnected with one another after many years apart. Clare has chosen to pass while Irene has embraced her racial heritage and become an important member of her community. The Novel examines how people pass on many different levels and in many different ways. Some forms of passing are perfectly acceptable while others can lead to disaster.
