American English Primary Colors is a new 4-level course for young learners. It is packed with fun activities which ensure that children use English in a purposeful way. Right from the start, they are fully involved in thinking for themselves, doing things for themselves and making things themselves, all of which is underpinned by a strong structural syllabus. The Student's Books have engaging stories, puzzles, games, songs and chants, and craft activities. The course includes Activity Books, Teacher's Books, Class Audio CDs, Songs/Songs and Stories CDs, and Vocabulary Cards. The course encourages children to think about the world around them and, at the higher levels, to make connections with other areas of the curriculum. This approach makes language learning meaningful and memorable.
