Heart of Darkness is a short novel by Polish novelist Joseph Conrad, written as a frame narrative, about Charles Marlow's life as an ivory transporter down the Congo River in Central Africa. The river is "a mighty big river, that you could see on the map, resembling an immense snake uncoiled, with its head in the sea, its body at rest curving afar over a vast country, and its tail lost in the depths of the land." In the course of his travel in central Africa, Marlow becomes obsessed with Mr. Kurtz. The story is a complex exploration of the attitudes people hold on what constitutes a barbarian versus a civilized society and the attitudes on colonialism

and racism that were part and parcel of European imperialism. Originally published as a three-part serial story, in Blackwood's Magazine, the novella Heart of Darkness has been variously published and translated into many languages. In 1998, the Modern Library ranked Heart of Darkness one of the hundred best novels in English of the twentieth century.

A Day's Ride

One of the finest novels by iconic British author Charles Dickens, this Victorian tale follows the good-natured orphan Pip as he makes his way through life. As a boy, Pip crosses paths with a convict named Magwitch, a man who will heavily influence Pip's adulthood. Meanwhile, the earnest young man falls for the beautiful Estella, the adoptive daughter of the affluent and eccentric Miss Havisham. Widely considered to be Dickens's last great book, the story is steeped in romance and features the writer's familiar themes of crime, punishment, and societal struggle.

Mister Pip

"In a country teetering on the brink of civil war, two young people meet--sensual, fiercely independent Nadia and gentle, restrained Saeed. They embark on a furtive love affair, thrust into premature intimacy by the unrest roiling their city. When it explodes, turning familiar streets into a patchwork of checkpoints and bomb blasts, they begin to hear whispers about doors--doors that can whisk people far away, if perilously and for a price. As violence and the threat of violence escalate, Nadia and Saeed decide that they no longer have a choice. Leaving their homeland and their old lives behind, they find a door and step through. An epic compressed into a slender page-turner, Exit West is both completely of our time and for all time."--

A Wrinkle in Time is the winner of the 1963 Newbery Medal. It was a dark and stormy night—Meg Murry, her small brother Charles Wallace, and her mother had come down to the kitchen for a midnight snack when they were upset by the arrival of a most disturbing stranger. "Wild nights are my glory," the unearthly stranger told them. "I just got caught in a downdraft and blown off course. Let me sit down for a moment, and then I'll be on my way. Speaking of ways, by the way, there is such a thing as a tesseract." A tesseract (in case the reader doesn't know) is a wrinkle in time. To tell more would rob the reader of the enjoyment of Miss L'Engle's unusual book. A Wrinkle in Time, winner of the Newbery Medal in 1963, is the story of the adventures in space and time of Meg, Charles Wallace, and Calvin O'Keefe (athlete, student, and one of the most popular boys in high school). They are in search of Meg's father, a scientist who disappeared while engaged in secret work for the government on the tesseract problem.

A Study Guide to Great Expectations

REVIEW "If some of Dickens's novels sprawl luxuriously across the page, this one is as trim as a whippet. Touch any part of it and the whole structure quivers into life." - The Guardian

BOOK DESCRIPTION Great Expectations is the thirteenth novel by Charles Dickens and his penultimate completed novel, which depicts the education of an orphan nicknamed Pip (the book is a bildungsroman, a coming-of-age story). It is Dickens's second novel, after David Copperfield, to be fully narrated in the first person. The novel was first published as a serial in Dickens's weekly periodical All the Year Round, from 1 December 1860 to August 1861. In October 1861, Chapman and Hall published the novel in three volumes. The novel is set in Kent and London in the early to mid-19th century and contains some of Dickens's most celebrated scenes, starting in a graveyard, where the young Pip is accosted by the escaped convict Abel Magwitch. Great Expectations is full of extreme imagery - poverty, prison ships and chains, and fights to the death - and has a colourful cast of characters who have entered popular culture. These include the eccentric Miss Havisham, the beautiful but cold Estella, and Joe, the unsophisticated and kind blacksmith. Dickens's themes include wealth and poverty, love and rejection, and the eventual triumph of good over evil. Great Expectations, which is popular both with readers and literary critics, has been translated into many languages and adapted numerous times into various media. (Source: Wikipedia)

EXCERPT FROM THE BOOK This was very uncomfortable, and I was half afraid. However, the only thing to be done being to knock at the door, I knocked, and was told from within to enter. I entered, therefore, and found myself in a pretty large room, well lighted with wax candles. No glimpse of daylight was to be seen in it. It was a dressing-room, as I supposed from the furniture, though much of it was of forms and uses then quite unknown to me. But prominent in it was a draped table with a gilded looking-glass, and that I made out at first sight to be a fine lady's dressing-table. Whether I should have made out this object so soon if there had been no fine lady sitting at it, I cannot say. In an arm-chair, with an elbow resting on the table and her head leaning on that hand, sat the strangest lady I have ever seen, or shall ever see. She was dressed in rich materials,--satins, and lace, and silks,--all of white. Her shoes were white. And she had a long white veil dependent from her hair, and she had bridal flowers in her hair, but her hair was white. Some bright jewels sparkled on her neck and on her hands, and some other jewels lay sparkling on the table. Dresses, less splendid than the dress she wore, and half-packed trunks, were scattered about. She had not quite finished dressing, for she had but one shoe on,--the other was on the table near her hand,--her veil was but half arranged, her watch and chain were not put on, and some lace for her bosom lay with those trinkets, and with her handkerchief, and gloves, and some flowers, and a Prayer-Book all confusedly heaped about the looking-glass.

Lloyd Jones' new novel is set mainly in a small village on Bougainville, a country torn apart by civil war. Matilda attends the school set up by Mr Watts, the only white man on the island. By his own admission he's not much of a teacher and proceeds to educate the children by reading them Great Expectations. Matilda falls in love with the novel, strongly identifying with Pip. The promise of the next chapter is what keeps her going; Pip's story protects her from the horror of what is happening around her - helicopters menacing the skies above the village and rebel raids on the ground. When the rebels visit the village searching for any remaining men to join their cause, they discover the name Pip written in the sand and instigate a search for him. When Pip can't be found the soldiers destroy the book. Mr Watts then encourages the children to retell the story from their memories. GCSE English Great Expectations Text Guide

"The Signal-Man" is a Horror/mystery story by Charles Dickens, first published as part of the Mugby Junction collection in the 1866 Christmas edition of All the Year Round. The railway signal-man of the title tells the narrator of an apparition that has been haunting him. Each spectral appearance precedes a tragic event on the railway on which the signalman works. The signalman's work is at a signal-box in a deep cutting near a tunnel entrance on a lonely stretch of the railway line, and he controls the movements of passing trains. When there is danger, his fellow signalmen alert him by telegraph and alarms. Three times, he receives phantom warnings of danger when his bell rings in a fashion that only he can hear. Each warning is followed by the appearance of the spectre, and then by a terrible accident. The first accident involves a terrible collision between two trains in the tunnel. Dickens may have based this incident on the Clayton Tunnel crash^[1] that occurred in 1861, five years before he wrote the story. Readers in 1866 would have been familiar with this major disaster. The second warning involves the mysterious death of a young woman on a passing train. The final warning is a premonition of the signalman's own death

A Great Expectations in Plain and Simple English (Includes Study Guide, Complete Unabridged Book, Historical Context, Biography)

The engaging biography of one of the most celebrated and enduring authors of Western literature Charles Dickens grew up in harsh poverty and became one of the world's most beloved authors. Biographer Fred Kaplan takes a brilliant, multifaceted approach in his examination of Dickens's life: his fraught marriage and relationships; the ever-present effects of his humble beginnings; his extensive, but carefully managed, public life; and his friendships with famous writers. Dickens unearths the complex passions that drove both the man and his work, illuminating why the legendary author—just like the characters in his fiction—has remained a mammoth figure in Western literature.

Heart of Darkness

An adaptation for the theater of the 1942 novel written with a purpose to motivate and enthuse the resistance movements in occupied countries in World War II. The story tells of the military occupation of a small town in Northern Europe by the army of an unnamed nation at war with England and Russia (much like the occupation of Norway by the Germans during World War II). Although the text never names the occupying force as German, references to "The Leader", "Memories of defeats in Belgium and France 20 years ago" clearly suggest it.

George (Scholastic Gold)

Late one spring night in California, Driss Guerraoui—father, husband, business owner, Moroccan immigrant—is hit and killed by a speeding car. The aftermath of his death brings together a diverse cast of characters: Guerraoui's daughter Nora, a jazz composer returning to the small town in the Mojave she thought she'd left for good; her mother, Maryam, who still pines for her life in the old country; Efraín,

an undocumented witness whose fear of deportation prevents him from coming forward; Jeremy, an old friend of Nora's and an Iraqi War veteran; Coleman, a detective who is slowly discovering her son's secrets; Anderson, a neighbor trying to reconnect with his family; and the murdered man himself. As the characters—deeply divided by race, religion, and class—tell their stories, each in their own voice, connections among them emerge. Driss's family confronts its secrets, a town faces its hypocrisies, and love—messy and unpredictable—is born. Timely, riveting, and unforgettable, *The Other Americans* is at once a family saga, a murder mystery, and a love story informed by the treacherous fault lines of American culture.
