Save time on your workouts and look better than ever! Unlike traditional dumbbells, the kettlebell's center of mass is extended beyond the hand. Because more muscle groups are utilized in the swinging and movement of a kettlebell than during the lifting of dumbbells, a kettlebell workout is more effective, and yields better results in less time. The momentum

generated by the kettlebell also reduces stress on the joints and minimizes the chance for injury. While the general public is starting to catch on to the power of the kettlebell, many kettlebell books on the market merely feature exercises for dumbbells, substituting the dumbbells with a kettlebell. This approach fails to maximize the efficacy and fun of the kettlebell as a workout tool. For the first time ever, *Body Sculpting with Kettlebells for Women* provides a female audience with kettlebell-specific workouts. *Body Sculpting with Kettlebells for Women* will teach you:

- The differences between dumbbells and kettlebells
- How the kettlebell's shape enables endless variety of movement patterns
- Sport-specific exercises to enhance performance
- Uniquely designed exercise programs to benefit all fitness levels
- Where to buy kettlebells and which kettlebells are best for your fitness level
- Basic nutritional guidelines for a more effective workout

With easy to follow instructions, clear photographs, and extensive information on the kettlebell, *Body Sculpting with Kettlebells for Women* provides a comprehensive guide to this unique fitness tool, making these powerful workouts accessible to people of all fitness levels. Created by U.S.A.'s first International Master of Kettlebell Sport, Lorna Kleidman, this guide is sure to bring one of the most effective workouts to date.

Women in Jeopardy!

RedDevil 4 is spine-tingling techno-thriller based on cutting edge research from surgeon and inventor Eric C. Leuthardt. Renowned neurosurgeon Dr. Hagan

Maerici is on the verge of a breakthrough in artificial intelligence that could change the way we think about human consciousness. Obsessed with his job and struggling to save his marriage, Dr. Maerici is forced to put his life's work on the line when a rash of brutal murders strikes St. Louis. Edwin Krantz, an aging, technophobic detective, and his partner, Tara Dezner, are tasked with investigating the horrifying killings. Shockingly, the murders have all been committed by prominent citizens who have no obvious motives or history of violence. Seeking an explanation for the suspects' strange behavior, Krantz and Denzer turn to Dr. Maerici, who believes that the answer lies within the killers' brains themselves. Someone is introducing a glitch into the in-brain computer systems of the suspects—a virus that turns ordinary citizens into murderers. With time running out, this trio of unlikely allies must face a gauntlet of obstacles, both human and A.I., as they attempt to avert disaster. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Music of the Future

Secrets and Lies is the explosive new memoir from Sam Faiers. Sam Faiers has come a long way since she burst on to our screens in *The Only Way is Essex*, but over the last couple of years, her love life, health and success have pushed her to the limit. In *Secrets and Lies*, Sam gives us the truth about life in the spotlight. Finally turning her back on all the TOWIE jealousies and dramas, Sam lays bare her fellow cast members and describes what really goes on behind

the scenes. She also reveals all on her dramatic on-off relationship with Joey Essex: the engagements and bust-ups, that infamous 'slap', what really happened when Joey was in I'm a Celebrity, and their doomed rekindled romance. For the first time she talks about her eating issues, as well as her success as a businesswoman, her excitement and sister Billie's pregnancy and the birth of baby Nelly, and her wish to settle down herself. Funny, charming, telling it like it is, *Secrets and Lies* is essential reading for fans of Sam and TOWIE.

Could It Be Autism?

You've seen him head home with countless hotties and a megawatt grin on his face – now learn how he does it! In 2011, loveable ladies magnet Gary Beadle was jobless and down to his last £20 when he was randomly asked to be in a new reality TV show called *Geordie Shore*. He'd never even heard of its American predecessor, *Jersey Shore*, but with his only prospects being his next dole cheque – and swayed by the prospect of some great nights out – he signed himself up for the challenge. He could never have anticipated the insane new life he was about to lead. From a shy youngster at school, who was the captain of his football team, Gary also never expected the effect he would have on the British public – especially its women. After leaving school at 16, Gary fell into a variety of jobs, even having a brief spell in the Royal Marines. Unfortunately, nothing stuck and, by the time he reached 22, he hadn't a clue what to do next – until the night he was asked to join the

cast of MTV's Geordie Shore. Now, for the first time, Gary reveals what growing up in his native Newcastle was like, explains his winning luck with the ladies, and offers up his much sought after tips on how to bag a bird on a night out: something he's proved he's pretty much an expert at. From job-hunting to making public appearances in front of thousands of screaming girls, Gary is secretly amazed by the change in his fortunes. He may be known for his crazy, fun-loving nature, but there's much more to Gary than girls, booze and nights out. And it's all packed into this "his autobiography.

Women & Power

Philippe Descola has become one of the most important anthropologists working today, and *Beyond Nature and Culture* has been a major influence in European intellectual life since its French publication in 2005. Here, finally, it is brought to English-language readers. At its heart is a question central to both anthropology and philosophy: what is the relationship between nature and culture? Culture—as a collective human making, of art, language, and so forth—is often seen as essentially different from nature, which is portrayed as a collective of the nonhuman world, of plants, animals, geology, and natural forces. Descola shows this essential difference to be, however, not only a specifically Western notion, but also a very recent one. Drawing on ethnographic examples from around the world and theoretical understandings from cognitive science, structural analysis, and phenomenology, he formulates a

sophisticated new framework, the “four ontologies”—animism, totemism, naturalism, and analogism—to account for all the ways we relate ourselves to nature. By thinking beyond nature and culture as a simple dichotomy, Descola offers nothing short of a fundamental reformulation by which anthropologists and philosophers can see the world afresh.

Beyond Nature and Culture

'I wasn't going to get anywhere without causing a stir. The way I saw it, if people don't gossip or talk about you, you are not making waves. And I was making huge rip curls on Geordie Shore.' Now into its tenth season, Holly Hagan has had viewers of Geordie Shore glued to their screens ever since the very first episode. Since appearing as a fresh-faced eighteen-year-old in 2011, Holly has captivated audiences with her hot tub antics and flame-red hair as the Geordies have flirted their way around the world, from Newcastle to Magaluf, Cancun and Australia. Fame and fortune, though, came at a price - the road from the call centre to the celebrity circuit has been far from smooth. In this action-packed, revealing, funny and sometimes heart-breaking memoir, Holly recounts her life in and out of the limelight with brutal honesty - from her childhood days when she was badly bullied, her shocking take on sex and dating and what really goes on behind-the-scenes on the UK's biggest reality TV show, including the truth behind her blossoming relationship with housemate Kyle. Filled with genuinely touching stories and inside accounts of what they don't show you on TV, Holly

has laid herself bare, first physically and now emotionally. If you think you know all there is to know about Holly from Geordie Shore, think again.

Ghosts of My Life

'Popular Factual Programming' has rapidly come to occupy a place at the forefront of contemporary television culture on an international scale. Tracing the history of reality TV from Candid Camera to The Osbournes, *Understanding Reality Television* examines a range of programmes which claim to depict 'real life', from reality formatted game shows to 'real crime' programming and make-over TV. Contributors discuss the phenomenon of reality TV in the context of the debates it has introduced to our social, cultural and televisual agendas, such as the construction of celebrity, fandom, surveillance and the politics of representation.

Love

A “how to” guide for applying statistical methods to biomarker data analysis Presenting a solid foundation for the statistical methods that are used to analyze biomarker data, *Analysis of Biomarker Data: A Practical Guide* features preferred techniques for biomarker validation. The authors provide descriptions of select elementary statistical methods that are traditionally used to analyze biomarker data with a focus on the proper application of each method, including necessary assumptions, software recommendations, and proper interpretation of

computer output. In addition, the book discusses frequently encountered challenges in analyzing biomarker data and how to deal with them, methods for the quality assessment of biomarkers, and biomarker study designs. Covering a broad range of statistical methods that have been used to analyze biomarker data in published research studies, *Analysis of Biomarker Data: A Practical Guide* also features: A greater emphasis on the application of methods as opposed to the underlying statistical and mathematical theory The use of SAS®, R, and other software throughout to illustrate the presented calculations for each example Numerous exercises based on real-world data as well as solutions to the problems to aid in reader comprehension The principles of good research study design and the methods for assessing the quality of a newly proposed biomarker A companion website that includes a software appendix with multiple types of software and complete data sets from the book's examples *Analysis of Biomarker Data: A Practical Guide* is an ideal upper-undergraduate and graduate-level textbook for courses in the biological or environmental sciences. An excellent reference for statisticians who routinely analyze and interpret biomarker data, the book is also useful for researchers who wish to perform their own analyses of biomarker data, such as toxicologists, pharmacologists, epidemiologists, environmental and clinical laboratory scientists, and other professionals in the health and environmental sciences.

Watch Us Rise

"This stunning book is the story I've been waiting for my whole life; where girls rise up to claim their space with joy and power." --Laurie Halse Anderson, New York Times bestselling and award-winning author of *Speak* "An extraordinary story of two indomitable spirits." --Brendan Kiely, New York Times bestselling co-author of *All American Boys* and *Tradition* "Timely, thought-provoking, and powerful." --Julie Murphy, New York Times bestselling author of *Dumplin'* Newbery Honor and Coretta Scott King Award-winning author Renée Watson teams up with poet Ellen Hagan in this YA feminist anthem about raising your voice. Jasmine and Chelsea are best friends on a mission--they're sick of the way women are treated even at their progressive NYC high school, so they decide to start a Women's Rights Club. They post their work online--poems, essays, videos of Chelsea performing her poetry, and Jasmine's response to the racial microaggressions she experiences--and soon they go viral. But with such positive support, the club is also targeted by trolls. When things escalate in real life, the principal shuts the club down. Not willing to be silenced, Jasmine and Chelsea will risk everything for their voices--and those of other young women--to be heard. These two dynamic, creative young women stand up and speak out in a novel that features their compelling art and poetry along with powerful personal journeys that will inspire readers and budding poets, feminists, and activists. Acclaim for *Piecing Me Together* 2018 Newbery Honor Book 2018 Coretta Scott King Author Award 2017 Los Angeles Times Book Prize, Young Adult Finalist "Timely and timeless." --Jacqueline Woodson, award-winning author of *Brown Girl Dreaming* "Watson, with rhythm

and style, somehow gets at . . . the life-changing power of voice and opportunity." --Jason Reynolds, NYT-bestselling author of Long Way Down "Brilliant." --John Green, New York Times bestselling author of The Fault in Our Stars * "Teeming with compassion and insight." --Publishers Weekly, starred review * "A timely, nuanced, and unforgettable story about the power of art, community, and friendship." --Kirkus , starred review * "A nuanced meditation on race, privilege, and intersectionality." --SLJ, starred review

ME ME ME

The latest in a series of diet and exercises books from svelte Geordie Shore beauty Holly Hagan. In this handy guide Holly gives you twenty-five of her favourite guilt-free desserts which will satisfy your sweet tooth, without making you pile on the pounds. The fully illustrated book, comes complete with full nutritional information to help regulate your calorie intake and with a range of different recipes, there's sure to be something to cater to everyone's budget, time and tastes.

Sex Trafficking

Charlotte Crosby has been one of the UK's best-loved TV stars since she burst onto the celeb scene in 2011 with Geordie Shore. Laugh-out-loud hilarious, genuine, and a proper Geordie, Charlotte's popularity has even seen her crowned winner of 2013's Celebrity Big Brother. With her trademark humour and warmth, in ME ME ME Charlotte takes us on a very unique

journey through her eventful teenage years (where literally nothing is off limits!), her attempts at holding down jobs (and booze), the life-changing experience of Geordie Shore, the truth about Gaz and his parsnip, and her inspiring weight-loss triumph. Full of drawings, doodles, and Charlotte's personal photos, this will be unlike any other celebrity autobiography on the market. Extremely personal, insanely honest and pant-wetingly funny.

Analysis of Biomarker Data

An updated edition of the Sunday Times Bestseller Britain's best-known classicist Mary Beard, is also a committed and vocal feminist. With wry wit, she revisits the gender agenda and shows how history has treated powerful women. Her examples range from the classical world to the modern day, from Medusa and Athena to Theresa May and Hillary Clinton. Beard explores the cultural underpinnings of misogyny, considering the public voice of women, our cultural assumptions about women's relationship with power, and how powerful women resist being packaged into a male template. A year on since the advent of #metoo, Beard looks at how the discussions have moved on during this time, and how that intersects with issues of rape and consent, and the stories men tell themselves to support their actions. In trademark Beardian style, using examples ancient and modern, Beard argues, 'it's time for change - and now!' From the author of international bestseller SPQR: A History of Ancient Rome.

Brand New Me

Engineers Black Book

Charlotte Crosby's healthy lifestyle guide is bursting with all her favourite tips and tricks for what to eat when you're out and about, that can fit into even the busiest of schedules. Charlotte shares 80 simple and delicious recipes, including cocktails and hangover cures that don't contain thousands of calories, proving that you can eat healthily to look great while still having loads of fun! Charlotte is everybody's favourite down-to-earth reality star. When it comes to losing weight her mantra is: if she can do it, anyone can. In LIVE FAST LOSE WEIGHT she shares the recipes she cannot live without.

Dead to the World

The latest exercise book from Geordie Shore star Holly Hagan. Avid fans of Holly will have noticed her figure change unrecognisably since she first exploded onto our screens in the MTV hit show. Holly herself admits, she is just an average everyday girl and if she can manage to lose weight and tone up, so can everyone. In this fully illustrated guide she lets you in her secret to tighter tummy, giving you easy to follow step-by-step instructions to her workouts. With twenty exercises to choose from, there's something for everyone no matter what your ability.

Freya

This collection of writings by Mark Fisher, author of the acclaimed *Capitalist Realism*, argues that we are haunted by futures that failed to happen. Fisher searches for the traces of these lost futures in the work of David Peace, John Le Carré, Christopher Nolan, Joy Division, *Burial* and many others.

Understanding Reality Television

From the author of *What to Eat and Shopped*, a revelatory investigation into what really goes into the food we eat.

Swallow This: Serving Up the Food Industry's Darkest Secrets

The Music of the Future is not a book of predictions or speculations about how to save the music business or the bleeding edge of technologies. Rather, it's a history of failures, mapping 200 years of attempts by composers, performers and critics to imagine a future for music. Encompassing utopian dream cities, temporal dislocations and projects for the emancipation of all sounds, *The Music of the Future* is in the end a call to arms for everyone engaged in music: "to fail again, fail better."

A Shore Thing

Megan McKenna is the Essex girl who exploded onto our screens in some of the biggest reality TV shows in Britain, including *Ex on the Beach*, *Celebrity Big Brother* and, of course, *Towie*. Her sassy, no-holds-

barred story follows her journey to the spotlight - from first ever steps on the stage, through to being flown to the EOTB villa for the first time. She speaks candidly about having her heart broken on national TV, as well as pursuing her musical dreams. Megan also shows readers her more vulnerable side, telling of the shy girl who hid from bullies, her struggles with coeliac disease, and the anxiety she still battles every day. Throughout all the meltdowns and mayhem, she has never let go of her dreams and passions - resulting in the launch of her own clothing and makeup brands, and a gluten-free fine-dining restaurant, McK Grill. Mouthy will give readers unique access to what really goes on when the cameras stop rolling and the paparazzi have gone home. Megan uncovers the truth behind the headlines in her own words - straight from the famous Megan McKenna mouth!

Once A Mistress

This book is appropriate for any standalone Computers and Society or Computer Ethics course offered by a computer science, business, or philosophy department, as well as special modules in any advanced CS course. In an era where information technology changes constantly, a thoughtful response to these rapid changes requires a basic understanding of IT history, an awareness of current issues, and a familiarity with ethics. Ethics for the Information Age is unique in its balanced coverage of ethical theories used to analyze problems encountered by computer professionals in today's environment. By presenting

provocative issues such as social networking, government surveillance, and intellectual property from all points of view, this market-leading text challenges students to think critically and draw their own conclusions, which ultimately prepares them to become responsible, ethical users of future technologies. Teaching and Learning Experience This program presents a better teaching and learning experience—for you and your students. It will help:

- Encourage Critical Thinking: A balanced, impartial approach to ethical issues avoids biased arguments, encouraging students to consider and analyze issues for themselves.
- Keep Your Course Current and Relevant: A thoughtful response to information technology requires an awareness of current information-technology-related issues.
- Support Learning: Resources are available to expand on the topics presented in the text.

Mouthy

Two old friends reconnect in Dublin for a dramatic, revealing evening of drinking and storytelling in this winning new novel from the author of the Booker Prize winning *Paddy Clarke Ha Ha Ha*. Davy and Joe were drinking pals back in their Dublin youth. Davy rarely sees Joe for a pint anymore--maybe one or two when Davy comes over from England to check on his elderly father. But tonight Davy's father is dying in the hospice, and Joe has a secret that will lead the two on a bender back to the haunts of their youth. Joe had left his wife and family a year earlier for another woman, Jessica. Davy knows her too, or should--she

was the girl of their dreams four decades earlier, the girl with the cello in George's pub. As Joe's story unfolds across Dublin--pint after pint, pub after pub--so too do the memories of what eventually drove Davy from Ireland: the upheaval that Faye, his feisty, profane wife, would bring into his life; his father's somber disapproval; the pained spaces left behind when a parent dies. As much a hymn to the Dublin of old as a delightfully comic yet moving portrait of what it means to try to put into words the many forms that love can take, *Love* marks a triumphant new turn for Roddy Doyle.

Stripped Bare

The latest exercise book from Geordie Shore star Holly Hagan. Ever since Holly tweeted a before and after picture of her newly shaped booty, her fans have gone crazy for her exercise secret. Now for the first time, in this cute handbag size guide, Holly reveals just how she managed to turn her unshapely bottom into the selfie-worthy behind you see today. Each exercise is fully illustrated with an easy step by step guide. The guide also comes complete with suggested workouts and repetition count to give you the butt of your dreams.

Holly Hagan's Booty Camp

Want to know all there is to know about Geordie Shore star Scotty T? In this, his first ever book, we hear the tearaway 'Toon's exclusive, behind-the-scenes account of the MTV show and learn the truth

behind all those infamous tales. The former club promoter is well-known for his wild antics and here the Geordie boy makes his case for why the world needs just a little more banter. As a Newcastle native we know partying comes naturally to him, but here he opens up about his life before reality stardom telling us what it was like growing up in the big city and how a visit to his nan's is still his favourite thing to do. Find out how the university student went from being nicknamed the 'Geordie Genius' to becoming the winner of Celebrity Big Brother 2016, and what the truth is behind those Gaz and Charlotte rumours Scotty will also reflect on his time on TV and reveal all about his recent cameos in Australian soap Neighbours, and what really goes on when the cameras stop rolling. Expect lots of laughs, gossip and cheeky-chappy banter from our favourite Geordie Shore star in his first tell-all memoir.

Gaz (And my Parsnip) - The Autobiography of Geordie Shore's Ultimate Lad

A Top 10 Book of Essays & Literary Criticism for Fall 2017, Publishers Weekly | Books We Can't Wait to Read in the Rest of 2017, Chicago Reader The slippery online ecosystem is the perfect breeding ground for identities: true, false, and in between. The Internet shorthand IRL—"in real life"—now seems naïve. We no longer question the reality of online experiences but the reality of selfhood in the digital age. In *The Secret Life: Three True Stories*, the essayist and novelist Andrew O'Hagan issues three

bulletins from the porous border between cyberspace and IRL. “Ghosting” introduces us to the beguiling and divisive Wikileaks founder Julian Assange, whose autobiography the author agrees to ghostwrite with unforeseen—and unforgettable—consequences. “The Invention of Ronnie Pinn” finds the author using the actual identity of a deceased young man to construct an entirely new one in cyberspace, leading him on a journey deep into the Web’s darkest realms. And “The Satoshi Affair” chronicles the strange case of Craig Wright, the Australian Web developer who may or may not be the mysterious inventor of Bitcoin, Satoshi Nakamoto—and who may or may not be willing, or even able, to reveal the truth. O’Hagan’s searching pieces take us to the weirder fringes of life in a digital world while also casting light on our shared predicaments. What does it mean when your very sense of self becomes, to borrow a term from the tech world, “disrupted”? Perhaps it takes a novelist, an inventor of selves, armed with the tools of a trenchant reporter, to find an answer.

Holly Hagan - Not Quite A Geordie

Welcome to the world of James 'Arg' Argent - the cheeky chap with loveable charm and a big heart. One of the original cast members of the award-winning reality TV series, *The Only Way is Essex*, Arg is best known for his long-term relationship with Lydia Bright and his affectionate 'Bro-mance' with Mark Wright. A key figure in the show, he remains a favourite with writers and is a character loved by male and female fans alike. But life for Arg hasn't

always been easy - broken hearts, an on-going battle with weight and self-esteem issues - there is a lot more to Arg than meets the eye and he lifts the lid here for the first time. From his disastrous on-going quest to find 'The One' to his secret passion for The Rat Pack and Frank Sinatra, Arg is an old-fashioned soul who found over-night fame and he tells us what really goes on behind the scenes of one of ITV's biggest hit shows.

Body Sculpting with Kettlebells for Women

Happily Imperfect: Living life your own way

More information to be announced soon on this forthcoming title from Penguin USA

Chloe Sims - The Only Way is Up - My Story

The bestselling author of *Close My Eyes* returns with a chilling psychological thriller. Julia has always been the friend that Livy turns to when life is difficult. United fifteen years ago by grief at the brutal murder of Livy's sister, Kara, they've always told each other everything. Or so Livy thought. So when Julia is found dead in her home, Livy cannot come to terms with the news that she chose to end her own life. The Julia that Livy knew was vibrant and vivacious, a far cry from the selfish neurotic that her family seem determined to paint her as. Troubled by doubt but alone in her suspicions, Livy sets out to prove that Julia was in fact murdered. But little does she realise that digging into her best friend's private life will cause her to question everything she thought she knew about Julia. And the truth that Livy discovers will tear the very fabric of her own life apart.

The Secret Life

“[A] double bildungsroman” of two British women “set against a background of political and cultural upheavals” in the direct aftermath of WWII (*The New Yorker*). It begins on May 8, 1945. The streets of London are alive with VE-Day celebrations. In the crowd, twenty-year-old Freya Wyley meets eighteen-year-old Nancy Holdaway. Freya’s acerbic wit and free-wheeling politics complement Nancy’s gentle, cautious nature, and what begins on that eventful day in history is the story of a transformative friendship that spans two decades. As Freya chooses journalism and Nancy realizes her ambitions as a novelist, their friendship takes on the nuances of sexual, emotional,

and professional rivalries. Beneath the relentless thrum of changing times are the eternal battles fought by women in pursuit of independence and the search for love. Stretching from the war haunted halls of Oxford and Nuremburg to the cultural shifts of the early 1960s, Freya brings to life two extraordinary women facing down an era of political and personal tumult. "With this three-dimensional portrait of his headstrong heroine, whose hard-gloss shell conceals a hard-fought vulnerability, Quinn achieves a distinct and unusual creation." —The New York Times

When God Talks Back

The Sunday Times bestseller from one of the UK's best-loved television stars. 'I'm a girl with a crazy head, a big heart and even bigger dreams. If I've made mistakes, I've learned from them. But whatever's happened to me , I can never say that life's been boring.' From a young North-East girl to star of the small screen, Geordie Shore personality Marnie Simpson is here to lift the lid and reveal all. Marnie Simpson is one of the UK's best-loved TV personalities, first bursting on to our screens in the TV series Geordie Shore. Marnie lifts the lid on her life with characteristic punch - uncover the real Marnie through the ups and downs of growing up in Newcastle to the hilarious and dramatic antics of Geordie Shore and Celebrity Big Brother. Marnie reveals all - and everything in between!

Live Fast, Lose Weight

Renowned and loved for her refreshing candour on everyday issues, social, domestic and intimate, Stacey Solomon reminds us how important it is to embrace ourselves; the good, bad and the ugly.

Living it Arg

Say the name Chloe Sims and most people think of the hugely entertaining, bubbly and glamorous Essex girl on the hit ITV show *The Only Way Is Essex*. But there is more to Chloe than viewers see on the TV, and the drama doesn't stop when the camera stops rolling. Just two years ago, Chloe was a single mum struggling to make ends meet doing a string of jobs she hated and wondering if she would ever find happiness. Then, at the beginning of 2011, after joining the cast of *TOWIE*, she won the hearts of the nation with her funny ways and frank confessions. Since joining the cast, her life - which has been anything but ordinary - is now a whirlwind of glitzy parties and jet-set holidays, but life hasn't always dealt Chloe a good hand. Her story is one of triumph over adversity - with plenty of laughs along the way. From her turbulent childhood where she was raised by a neighbour after her mother abandoned her, to battling with bullies and struggling with an eating disorder, to the magical moment when she met the man of her dreams. But even the path to true love hasn't run smoothly for Chloe, and she has experienced plenty of ups and downs along the way. Finally, things are on the up and the future is looking bright for the 31-year-old Essex girl. In *Chloe Sims: The Only Way Is Up*, Chloe finally sets the record

straight; speaking frankly about the plastic surgery she's had done, what it was really like working for Playboy France and how she coped with her rollercoaster ride to stardom - with plenty of shocking revelations and secrets she's never told until now. This is her story, and it's not like any other you will read.

Holly Hagan's 25 Guilt Free Desserts

Psychic Sookie Stackhouse has her hands full with an amnesiac vampire in the fourth seductive novel in the #1 New York Times bestselling series. When cocktail waitress Sookie Stackhouse sees a naked man on the side of the road, she doesn't just drive on by. Turns out the poor thing hasn't a clue who he is, but Sookie does. It's the vampire Eric Northman—but now he's a kinder, gentler Eric. And a scared Eric, because whoever took his memory now wants his life. Sookie's investigation into why leads straight into a dangerous battle among witches, vampires, and werewolves. But a greater danger could be to Sookie's heart—because the kinder, gentler Eric is very difficult to resist

Ethics for the Information Age, Global Edition

“The best book ever written on human trafficking for sexual exploitation”—the basis for the feature film, *Trafficked*, starring Ashley Judd (Kevin Bales, president of Free the Slaves). Every year, hundreds of thousands of women and children are abducted, deceived, seduced, or sold into forced prostitution.

These trafficked sex slaves form the backbone of one of the world's most profitable illicit enterprises and generate huge profits for their exploiters, for unlike narcotics, which must be grown, harvested, refined, and packaged, sex slaves require no such "processing," and can be repeatedly "consumed." In this book, Kara provides a riveting account of his four-continent journey into this unconscionable industry, sharing the moving stories of its victims and revealing the shocking conditions of their exploitation. He draws on his background in finance, economics, and law to provide the first ever business analysis of contemporary slavery worldwide, focusing on its most profitable and barbaric form: sex trafficking. Kara describes the local factors and global economic forces that gave rise to this and other forms of modern slavery over the past two decades and quantifies, for the first time, the size, growth, and profitability of each industry. Finally, he identifies the sectors of the sex trafficking industry that would be hardest hit by specifically designed interventions and recommends the specific legal, tactical, and policy measures that would target these vulnerable sectors and help to abolish this form of slavery, once and for all. The author will donate a portion of the proceeds of this book to the anti-slavery organization, Free the Slaves. "Sex trafficking is more of a problem than most people realize. Read this well-written book and find out."—Kirk Douglas

Secrets and Lies

Holly Hagan's Body Bible is a 12 week guide, giving

you a complete diet plan for EVERY MEAL and step by step exercise and cardio plan, which combined, seriously shift fat fast! Inside the book you'll find Holly's exact diet plan, guiding you through every single meal for 12 weeks. Giving you the power to select foods you like, follow this diet strictly, along with a super simple exercise plan which can be performed at home or in the gym and just like Holly, you'll burn fat. Holly Hagan is almost unrecognisable from the girl who first hit our screen's on MTV'S hit show Geordie Shore. Overweight and unhappy, Holly was depressed about the way she looked, until one day when she decided to take matters into her own hands by transforming her lifestyle and body. Holly herself, will admit it's been hard work, but now, healthy, happy and three stone lighter she wants to share her secret's with you. For the first time, Holly has brought together everything she did to change her look and it's all here in her simpler 12 Week Body Bible. Most of us would like to burn some fat, tone up and look healthier, by following Holly's complete everyday diet, along with her fat busting exercises for the total 12 weeks, she will give you all the advice to enhance your body. Start your journey right here! This diet worked for Holly, and it will work for you!

Nothing But the Truth

Charlotte Crosby is one of the nation's best loved and funniest TV stars. Here in BRAND NEW ME Charlotte talks us through an incredibly busy year, making us laugh as ever with her funny moments (like when her mum woke up on Christmas morning to find her

passed out naked by her new swimming pool) but also opening up about the difficult months surrounding her shock departure from Geordie Shore, betrayal and her heartbreaking ectopic pregnancy. After working through her loss by bravely speaking out, she is now an ambassador of the Ectopic Pregnancy Trust, helping raise awareness of the symptoms so other women can get early treatment and help. So welcome to BRAND NEW ME, the next chapter in Charlotte's life: businesswoman, TV presenter, charity spokesperson, stronger than ever, inspiring us with her work ethic, smashing it with her style and still making us wet our pants laughing.

RedDevil 4

If you have questions or concerns about your child's social, emotional, or behavioral development, you're not alone. The number of children affected by autism—an umbrella term for a wide spectrum of disorders that includes “classic” autism, Asperger's syndrome, and Rett syndrome—is growing every year. Most children are not diagnosed until they start school. But developmental problems can be recognized in infants as young as four months old. Early intervention can vastly improve a child's chances for a successful outcome and recovery. *Could It Be Autism?* provides vital information so you can recognize the red flags of developmental delays and begin treatment based on those first signs. Nancy Wiseman is the founder and president of First Signs, the organization dedicated to educating parents, clinicians, and physicians on the early identification of

and intervention for developmental delays. She is also the mother of a child who was diagnosed with autism at the age of two, and she draws on her own experiences as well as the latest research to present real strategies. Emphasizing warning signs, she describes the most important milestones at each stage of a child's growth, including things parents and pediatricians often overlook. She also empowers parents to act on their instincts and initial concern, rather than to "wait and see," which is often encouraged. The book explains the steps parents can take to confirm or rule out a developmental delay or disorder. It details various diagnoses and show how sometimes multiple diagnoses may apply. But even more valuable is the information on how to design and implement the best intervention plan based on a child's unique developmental profile. Different treatments and therapies are outlined so parents can explore and understand what may work best for their child, based on his or her particular strengths and weaknesses. Ultimately, *Could It Be Autism?* is about giving parents hope--hope that they can know one way or the other where their child is developmentally and hope that they can give their child what he or she needs to have the best life possible.

Holly Hagan's Tigher Tummy In 20

Analyzes the American evangelical experience, drawing on intimate interviews with members of the Vineyard church while explaining the scientific aspects of intensely practiced prayer and collective supernatural experiences.

Holly Hagan's Body Bible

Thelma and Louise meets The First Wives Club in this fun and flirtatious comedy. Divorcées Mary and Jo are suspicious of their friend Liz's new dentist boyfriend. He's not just a weirdo; he may be a serial killer! After all, his hygienist just disappeared. Trading their wine glasses for spy glasses, imaginations run wild as the ladies try to discover the truth and save their friend in a hilarious off-road adventure.
