The memoir of one of Pakistan's most prominent businessmen in exile 'I reached to see not the beautiful hotel that we had so lovingly built, but a war zone. . . . We found bodies of our dear guests, colleagues, friends: faces I recognized, faces I had worked with and smiled at. The sight that stunned me was the crater—60 feet wide and 20 feet deep. It had been created by over 1000 kg of RDX. The hotel had not been attacked, it had been brutalized. Dead bodies and dismembered limbs, little pools of blood—it was a massacre. I had thought of myself as a hardened man who had seen violence and gristly sights—but what I saw that day left me shaken.'

Truth Always Prevails is the memoir of one of Pakistan's most prominent businessmen, Sadruddin Hashwani, chairman of the internationally renowned Hashoo Group. From sleeping in the back of trucks in the cold deserts of Balochistan to now owning a brand of luxury hotels as well as numerous other businesses, Sadruddin Hashwani has led a remarkable life. He has struggled against corrupt politicians and uncooperative government officials to build and sustain an extensive business empire. He has faced near-death experiences, most remarkably the 2008 bombing of his own hotel, the Marriott Islamabad, and has overcome seemingly insurmountable odds. Filled with fascinating anecdotes and telling sketches of prominent Pakistani personalities, his is an extraordinary story that will inspire and entertain readers.

Christy Brown was severely disabled with cerebral palsy, unable to use any part of his body other than his left foot. Doctors said he was a 'mental defective' and that he would never be able to lead any kind of normal life; Christy proved them wrong. His mother taught him to write using chalk on the worn floor of their small home, and Christy grew into a talented artist and writer. His 1954 memoir My Left Foot was made into an Oscar-winning film starring Daniel Day-Lewis, while his bestselling novel Down All the Days was described by the Irish Times as 'the most important novel since Ulysses'. Using previously unpublished letters and poems, this first authorised biography marks Christy Brown's importance as a writer and celebrates his indomitable spirit. Three decades of conversations with Genesis Breyer P-Orridge, provocateur, artist, gender revolutionary and leader of the bands Throbbing Gristle, Psychic TV and more Published for legendary artist and musician Genesis Breyer P-Orridge's 70th birthday in 2020, Sacred Intent gathers conversations between Breyer P-Orridge and his friend and collaborator, the Swedish author Carl Abrahamsson. From the first 1986 fanzine-based interview about current projects, philosophical insights, magical workings, international travels, art theory and gender revolutions, to 2019's thoughts on life and death in the shadow of battling leukaemia, Sacred Intent is a unique journey in which the art of conversation blooms to the highest degree. With (in)famous projects like COUM Transmissions, Throbbing Gristle, Psychic TV, Thee Temple Ov Psychick Youth (TOPY) and Pandrogeny, Breyer P-Orridge has consistently thwarted preconceived ideas and transformed disciplines such as performance art, music, collage, poetry and social criticism, always cutting up the building blocks to dismantle control structures and authority. But underneath P-Orridge's socially conscious and pathologically rebellious spirit, there has always been a devout respect for a holistic, spiritual, magical worldview--one of "sacred intent." Sacred Intent is a must read for anyone interested in contemporary art, deconstructed identity, gender evolution, magical philosophy and the responsibility artists may carry and contain within their work. The book not only celebrates an intimately deep friendship spanning over four decades, but also the work and ideas of an artist who has never ceased to amaze and provoke the status quo. Also included are photographic portraits of Breyer P-Orridge taken by Carl Abrahamsson.
