Hearing God enables us to follow Him more

confidently, love Him more deeply, and serve Him more completely. ## **Pursuing Intimacy With God**

How do I know it's God? is one of the most commonly asked questions of new and mature Christians alike, and the aim of God Conversations is to both equip and inspire the reader and show them that hearing the voice of the Spirit is accessible to everyone who chooses to follow Jesus. Most Christians know that God speaks, yet struggle with how to recognise his voice in their everyday lives. What does God's voice sound like? How do we know if what we're hearing is from God? Stories of God talking to his people abound throughout the Bible, but we usually only get the highlights. We read; "And God said to Joseph; 'Go to Egypt'," and then; "Mary and Joseph left for Egypt." We don't get a blow-by-blow description of how God spoke. We don't receive a detailed explanation of how they knew it was God, and we don't get to see what was going on inside their heads as they acted on what they'd heard. In God Conversations, international speaker and pastor Tania Harris shares insights from her own journey about hearing God's voice. You'll get to eavesdrop on some contemporary conversations with God in the light of his communication with the ancient characters of the Bible. Part memoir, part teaching, this unique and creative collection of stories will help you to recognise God's voice when he speaks and how to respond when you do.

## **Seven Keys to Hearing God's Voice**

Hear God's Voice Everyday is about taking your intimacy with God to a new personal level. This book is about learning how to hear and recognize God's voice. God is constantly speaking to us everyday; but do we actually recognize many of those different ways? We live in a society that is always fighting for our attention. As a result, we are more in tune to the sound of the media around us rather than the subtle ways that the Lord might be speaking to us. This book will show you some of the ways that God speaks. Many books have been written that talk about hearing the voice of God, which is great! It is good to hear from many different sources that hearing God's voice is a normal part of the Christian walk. Yet, many do not teach you how to actually hear and recognize his voice. This book is written in a simple, easy-to-understand way that anyone can pick up, read and understand. Inside are practical exercises and journaling questions that will help you to hear His voice. If you will spend time with the Lord and ask Him the questions that are at the end of each chapter, you will develop a relationship with the Lord that is deeper, stronger and more exciting than what you have known in the past. God always shows up for those who diligently seek Him. Proverbs 8:17 (NKJV)"

She poured her heart out to God, and He heard her. The Our Daily Bread devotionals selected for this collection reassure you that God is with you, God is for you, and God hears you. The personal stories, Scripture passages, and inspirational quotes lift you up and remind you that God is bigger than the trials you face.
