### Confucianism and Democratization in East Asia

"This book examines how Confucianism affects the development of democratic citizenship in East Asia. To what extent do East Asians remain attached to the particular way of life and system of government that Confucius and Mencius advocated to bring about a community of grand harmony? How does such attachment to Confucian civic norms affect their engagement in civic affairs? How does attachment to Confucian paternalistic meritocracy affect their commitment to democracy? The book addresses these questions in the context of public opinion surveys conducted in East Asia and other regions"--Provided by publisher.

"What is this place?" In a drought-stricken world, Devin and his grandfather have barely scraped out a living on their isolated farm. When his grandfather dies, Devin knows he can't manage alone and heads for the nearest city to find help. But in the city he finds only children alone like him, living on the streets. Then a small act of kindness earns Devin an invitation to the Gabriel H. Penn Home for Childhood—a place with unlimited food and toys and the hope of finding a new home. But Devin soon finds out that the Gabriel Penn Home is no paradise. A zombie-like sickness afflicts many of the children who live there—and it will claim Devin, too, unless he can become the first to find a way out of this dystopian nightmare.
