Dad's Daily Success Planner

Kitchen & bath source book

Good Housekeeping

"If you're a student, designer, or prospective builder and you need concise, practical answers to questions on the issues of materials and their methods of installation, then look no further. The new 2nd Edition of Materials and Components of Interior Design gets down to the 'nuts and bolts' of the industry by fully covering all of the exciting finishing and structural materials available on the market today. Once you've read the 2nd edition, you'll be able to talk knowledgeably with architects and contractors about these materials, including their installation and maintenance. Then you can use your know-how to decide which materials and methods are best instead of what's the easiest to do."--Back cover.

Meathead

Progressive Architecture

Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.

Record Houses

Born to Run

All the kitchen and bath manufacturerers' catalogs in one convenient shop-at-home collection! No two rooms in the

American household are changing as radically as the kitchen and the bathroom; nearly 12 million of them will be remodeled this year alone. This reference features all the latest appliances, cabinets, cooktops, faucets, whirlpools, and more. Includes a listing of where to purchase the merchandise featured. Full-color photographs throughout.

The Home Reporter

Now Steven Raichlen's written the bible behind the Barbecue! Bible. A full-color, photograph-by-photograph, step-by-step technique book, "How to Grill" gets to the core of the grilling experience by showing and telling exactly how it's done. With more than 1,000 photographs and lively writing, here are over 100 techniques, from how to set up a three-tiered fire to how to grill a prime rib, a porterhouse, a pork tenderloin, or a chicken breast. There are techniques for smoking ribs, cooking the perfect burger, rotisserieing a whole chicken, barbecuing a fish; for grilling pizza, shellfish, vegetables, tofu, fruit, and s'mores. Bringing the techniques to life are over 100 all-new recipes -- Beef Ribs with Chinese Spices, Grilled Side of Salmon with Mustard Glaze, Prosciutto-Wrapped, Rosemary-Grilled Scallops -- and hundreds of inside tips.

Consumers Digest

Grilling is a science, and it's only when you understand the science of grilling that you can transform it into an art. That's what makes Mastering the Grill a standout on the cookbook shelf. From equipment (grill types and tools) to fire (wood, charcoal, or gas) to ingredients (meat, poultry, fish, and vegetables), the authors have shared their impressive grilling know-how to explain the whys and the hows—and guarantee the wows—clearly and comprehensively. In addition to hundreds of tips and techniques, this ultimate guide is packed with how-to illustrations and mouthwatering photographs plus 350 surefire recipes—everything from rubs and marinades to appetizers, entrees, side dishes, and desserts. Mastering the Grill is a master class in cooking, destined to become a sauce-stained, well-thumbed classic.

House Beautiful's Colonial Homes

The editors of Consumer Reports rate a wide range of consumer items, in an updated buying guide for new products, which includes advice on how to purchase kitchen items, automobiles, entertainment products, and home office equipment, along with more than eight hundred product ratings, brand repair histories, and other helpful features. Original. 200,000 first printing.

Professional Builder & Apartment Business

Many bakers speak of their sourdough starter as if it has a magical life of its own, so it can be intimidating to those new to the sourdough world; fortunately with Artisan Sourdough Made Simple, Emilie Raffa removes the fear and proves that baking with sourdough is easy, and can fit into even a working parent's schedule! Any new baker is inevitably hit with question after question. Emilie has the answers. As a professionally trained chef and avid home baker, she uses her experience to guide readers through the science and art of sourdough. With step-by-step master recipe guides, readers

learn how to create and care for their own starters, plus they get more than 60 unique recipes to bake a variety of breads that suit their every need. Sample specialty recipes include Roasted Garlic and Rosemary Bread, Golden Sesame Semolina Bread, Blistered Asiago Rolls with Sweet Apples and Rosemary, No-Knead Tomato Basil Focaccia, Make-Ahead Stuffed Spinach and Artichoke Dip Braid and Raspberry Gingersnap Twist. With the continuing popularity of the whole foods movement, home cooks are returning to the ancient practice of bread baking, and sourdough is rising to the forefront. Through fermentation, sourdough bread is easier on digestion—often enough for people who are sensitive to gluten—and healthier. Artisan Sourdough Made Simple gives everyone the knowledge and confidence to join the fun, from their first rustic loaf to beyond. This book has 65 recipes and 65 photos.
