### What My Heart Wants To Tell

Building on the appeal of the popular Stories for the Heart series (more than three million copies sold), readers will cherish these uplifting stories that honor relationships nurtured by time, laughter, and tears.

### Hoof Prints on My Heart

### Harper's Magazine

What happens when a young man and a young woman, each bitterly distrustful of the opposite sex, not only meet but find themselves sharing the same country house? At first Luisa, returning home from abroad, finds herself hating Martyn Saunders, a young vet injured in the war. Martyn becomes engaged to Luisa's best friend, and too late he and Luisa discover their love for one another. First loyalty, then an accident, contrive to keep them apart, and when reconciliation seems likely, another woman from Martyn's past interferes, until love at last finds a solution to all their problems.

### My Heart Is a Drummer

"God knew that it would take brave and sturdy people to survive in these beautiful but rugged hills. So He sent us His very strongest men and women." So begins the heartwarming story of Verna Mae and her father, Isom B. ""Kitteneye"" Slone, an extraordinary personal family history set in the hills around Caney Creek in Knott County, Kentucky.

### **The Century Dictionary and Cyclopedia: Dictionary**

This is a book that expresses my relationship with the God of the universe. It is a true record of my life and where I am with God. Too many times we try to look like we are without fault, but it is the Glory of God to save a sinner. It is my desire to make his name famous. May the reader of this book understand that God is love and by his spirit we can fulfill his commandments.

### **Modern Day Miracles**

When you didn't die, did you wish you could? Did you become cynical and bitter for how your life has turned out? Author Teresa Preston had begged God for a change in her life. She finally realized that she was living the results of bad choices. Reclaiming the belief that she is good enough for God to use felt impossible. However, God worked a miracle from the rubble that was left of her life. Allowing all that she held dear except her children to be stripped from her. And the only place she could look was up. God took her on a long and difficult journey to self-awareness, confidence, and a relationship like she had never known. She realized Jesus could fill every void.

### **Call of My Heart**

Life has its ups and downs but knowing who God is and understanding that He will not leave you or forsake will help you focus on what is truly important. Two women who were blessed with 35 years of friendship share short stories of their lives and how God has continually manifested his love for them. Each story gives hope, and nourishes the soul with the understanding of God's love for us. Annie and Rose throughout the years have shared many a great afternoon chatting about the trials and joys that they have witnessed each other's experiences and how God was always present. Was it mere coincidence that they met and fostered a lifelong friendship? Over coffee one of those days they decided to put those great stories to paper and this book is what it grew to be. Faith and friendship carried them through love, loss and raising their families. Ever heard the saying that God's timing is always perfect? Well Annie would have to agree, after being turned away by a bad-mannered bus driver. Feeling slighted she walked off frustrated with the inconveniencing experience, only to be snapped into reality that a car crashed into that same bus a couple of streets away. Recognizing God's mercies became more obvious in her life after that day. For Rose she recognized God's mercy when as a young woman she survived being

attacked. Her attacker suddenly fled her home in fear. Rose believes if not for Gods mercy, she would have been badly hurt. Thru their experiences they have learned that God was always there and how great He is. Powerful, exciting short stories that will tug at your heart make you laugh but most importantly it will inspire you to take a step of faith and see Gods grace

### **Atalanta**

For a Kentucky girl, coming of age takes a leap of faith in a novel that “will knock you sideways with its Southern charm” (O, The Oprah Magazine). It’s summer in Kentucky. The low ceiling of August is pressing down on the religious town of East Winder, and on thirteen-year-old Charmaine Peake who can’t shake the feeling that she’s being tested. She and her mother get along better with a room between them, but circumstances have forced them to relocate to a tiny trailer by the river. The last in a line of local holy men, Charmaine’s father has turned from prophet to patient, his revelation lost in the clarifying haze of medication. Her sure-minded grandmother has suffered a stroke. And at church, where she has always felt most certain, Charmaine discovers that her archrival, a sanctimonious missionary kid, carries a dark, confusing secret. Suddenly Charmaine’s life can be sorted into what she wishes she knew and what she wishes she didn’t. In a moving, hilarious portrait of mothers and daughters, “one of the most astonishingly talented writers today,” brings us into the heart of a family weathering the toughest patch of their lives. But most of all, Angela Pneuman marks out the seemingly unbearable realities of growing up, the strength that comes from finding real friendship, and the power of discovering—and accepting—who you are (Julie Orringer). “Pneuman captures the voice of adolescence and the uncertainty of faith in this endearing novel.” —Minneapolis Star-Tribune “Pneuman is a master of dark comedy, and the grimmer the material, the funnier it becomes in her twisted but capable hands. Like her literary ancestor, Flannery O’Connor, she shows how myopic allegedly religious people can be, but she doesn’t take cheap shots at religion either.” —San Francisco Chronicle

#### **Ask Your Heart**

Years ago, Joe McNier loved Maddie Baker like a little sister. When she grew into a teen beauty, their love grew into romance only to be separated by lies, lovers and Joe's tour in Vietnam. Now, years later, Joe returns home. Can he convince Maddie of the man he is, not the person she believes him to be? Chronicling a community through deaths, births, an epic flood, and the everyday dramas within holiday picnics and high school football, *My Heart Can't Tell You No* asks if a woman and a man are strong enough to deny the power of love.

The oddity of words, the parables in daily situations, and the metaphors that always seem to fit until one thread is broken, bring a simplicity to human existence that stabilizes the most harried executive, educator, engineer, and everyone from A to Z. Daily groundings can offer a new light for the halogen-blinded mind, leading to better thinking. Author Rosanne D'Ausilio provides a variety of unique, pithy, and just plain outrageous bits of out of the ordinary observation. Lay Your Cards on the Table provides the perfect prescription for otherwise tenuous times.

To be a separated or divorced Christian is to be an anomaly, a scandal. No one knows what box to put you in or what to do with you, and this no man's land—pun intended—can be a very isolating and core-shaking place to dwell. Elisabeth Klein Corcoran knows from experience. After extensive counseling, mentoring, 12-step groups, many tears, and even more prayers, Elisabeth found her 16-year marriage ending in separation and divorce. A believer completely in love with Jesus, Elisabeth was alone, drowning in a sea of emotions, and questioning how to navigate her way through the end of her marriage. Elisabeth walks readers through the varied emotions of being newly single in this collection of vulnerable and hopeful essays, expounding on some of the most common struggles of divorce: anger, faith, guilt, loneliness, and more.

## **Lay Your Cards on the Table**

Some people wait decades to meet their soul mate. Courtney Kaufman suspects she met hers in high school—only to lose him at seventeen. Since then, Courtney's social life has been a series of meaningless encounters, though she's made a few close friends along the way. Especially her roommate, Max Cooper, who oozes damaged bad-boy vibes from every pore. Max knows about feeling lost—he's been on his own since he was sixteen. Now it's time to find out if he can ever go home again, and Courtney's the only one he trusts to go with him. But the trip to Providence could change everything.... It started out so simple. One misfit helping another. Now Max will do anything to show Courtney that for every heart that's ever been broken, there's another that can make it complete.

## **Purify My Heart**

Gilbert Tuhabonye is a survivor. More than ten years ago, he lay buried under a pile of burning bodies. The centuries-old battle between Hutu and Tutsi tribes had come to Gilbert's school. Fueled by hatred, the Hutus forced more than a hundred Tutsi children and teachers into a small room and used machetes to beat most of them to death. The unfortunate ones who survived the beating were doused with gasoline and set on fire. After hiding under burning bodies for over eight hours,

Gilbert heard a voice inside saying, "You will be all right; you will survive." He knows it was God speaking to him. Gilbert was the lone survivor of the genocide, and thanks his enduring faith in God for his survival. Today, having forgiven his enemies and moved forward with his life, he is a world-class athlete, running coach and celebrity in his new hometown of Austin, Texas. The road to this point has been a tough one, but Gilbert uses his survival instincts to spur him on to the goal of qualifying for the 2008 Olympic Summer Games. THIS VOICE IN MY HEART will portray not only the horrific event itself, but will be a catalyst for people to understand real forgiveness and the gift of faith in God.

### **Getting the Soul Winner's Heart**

Nicole Treadwell has a secret. If she reveals it, she will surely die. Of course, she knows it's true because certain death is what he promised her after the "incident" in the deep woods years ago. Her fate ever in his hands, keeping the secret guts her on the inside as she struggles to make ends meet, serving as a law clerk to a dangerously ambitious judge in the Nation's Capitol with secrets of her own. Nicole is tired--exhausted--toying with thoughts (she's afraid to own) of letting life go. Her life is unraveling, her sound mind frayed. At the end of herself, she knows she can't save herself, but who can? Worse, does she want to be saved? A swift reply to both questions comes in the way of a still, small voice at an unlikely time that ushers her onto a path few dare to tread or openly discuss. In contrast, Nicole's former law school chumb and classmate, Timothy Grue, is a hotshot, private attorney who blazes notorious trails in and out of the courtroom. Both handsome and brash (owing to his kinship with privilege and social standing of a "fine" Philadelphia family), he seems to have the world on a string, every creature comfort easily within his reach, including an overabundance of company from the "fairer sex." Despite his privilege and pedigree, Tim later learns that it came at a very high price. By a stroke of legal fortune (or misfortune), their paths collide professionally, as Tim is handpicked to represent an "A-List" Hollywood client in a lawsuit over which Nicole's boss is the presiding judge. Not so secretly, the judge relishes the prospect of having her "fifteen seconds of fame" before the world press. Her staff knows that the attention from the paparazzi may prove to be her professional undoing--and theirs. Her job potentially on the line, Nicole contacts Tim Grue for a clandestine meeting of the minds, but will Tim take the bait and "sign on" to Nicole's "harmless" solution? Their former friendship (on course to self-ignite or implode) sets in motion a chain of events that blast open the door to Nicole's secret past and their bitter-sweet history; and where crises of identity, spirituality, and morality intersect, conflicting issues of race and class deepen already murky waters, as Nicole is black, and Timothy is white. Yet, as between the two, they want to know why race is still an issue at all? On the road from hell to higher ground, both learn that anything worth having is always tried by fires of a faith that asks, simply, what do you really believe? And more, can redemption ever come too late?

Poetry, All of the works you are about to experience are original poems written by Michael Anthony Booker, Sr. Some are songs already composed by the same, but the form of poems are found here in their original state. They mirror life, death, love, hate, inner thoughts and feelings not only as I felt them, but as others did also. By putting myself into another's place, I imagined what they must be feeling and wrote that down as well. I can only hope that the reader can relate to some or all of what is here now. Enjoy this journey that I started over thirty years ago by reading the emotions within.

## Footprints in My Heart

Would you pay any price, do anything for the woman you love? Would you lay it all on the line and hold nothing back to find her, to win her heart? Does every second without her seem like an eternity lost? Can you imagine poetry that encompasses the emotions of wonder, apprehension, joy, elation, discord, passion, conscious personal growth and awareness that is written by a sequential, left-brained man teaching in a very left-brained academic area? Can you imagine the real masterpiece is not the poetry but the love this man holds in his heart for one woman, a woman he can only hope for, pray for? If you want to feel and renew the fire in your heart, this is the book that will do it. This is the second book of poetry written by Howard Lindsey. His first, 'Tears from the Heart' is now in its second edition and was written about and for the same woman, his Janet.

The “fascinating” #1 New York Times bestseller that awakened the world to the destruction of American Indians in the nineteenth-century West (The Wall Street Journal). First published in 1970, *Bury My Heart at Wounded Knee* generated shockwaves with its frank and heartbreaking depiction of the systematic annihilation of American Indian tribes across the western frontier. In this nonfiction account, Dee Brown focuses on the betrayals, battles, and massacres suffered by American Indians between 1860 and 1890. He tells of the many tribes and their renowned chiefs—from Geronimo to Red Cloud, Sitting Bull to Crazy Horse—who struggled to combat the destruction of their people and culture. Forcefully written and meticulously researched, *Bury My Heart at Wounded Knee* inspired a generation to take a second look at how the West was won. This ebook features an illustrated biography of Dee Brown including rare photos from the author’s personal collection.

Imagine if you fell in love with everyone you saw. Donald Hanak doesn't have to imagine it-- and his life is going downhill fast. He was born with a condition that causes him to fall in love with everyone he lays eyes on, and once in love, he can never fall out. Now, after twenty years of being adored, used and abused by a motley, ever-changing stream of people, he's suddenly forced to face the fact that everyone he loves might not really be worth it. Unfortunately, while searching desperately for a reason to believe in love again, it soon becomes clear to Donald that much more is at stake than just his relationships-- his very life is in danger.

With *The Sportsman*, in 1985, Richard Ford began a cycle of novels that ten years later – after *Independence Day* won both the Pulitzer Prize and the PEN/Faulkner Award – was hailed by *The Times* of London as “an extraordinary epic [that] is nothing less than the story of the twentieth century itself.” Frank Bascombe’s story resumes, in the fall of 2000, with the presidential election still hanging in the balance and Thanksgiving looming before him with all the perils of a post-nuclear family get-together. He’s now plying his trade as a realtor on the Jersey shore and contending with health, marital and familial issues that have his full attention: “all the ways that life seems like life at age fifty-five strewn around me like poppies.” Richard Ford’s first novel in over a decade: the funniest, most engaging (and explosive) book he’s written, and a major literary event. From the Hardcover edition.
