The Code of Federal Regulations is a codification of the general and permanent rules published in the Federal Register by

the Executive departments and agencies of the United States Federal Government.

Direct and General Support Maintenance Manual

Special edition of the Federal register, containing a codification of documents of general applicability and future effect as of Jan. with ancillaries.

Aircraft Operating Data Manual [DASH 8].

This book addresses the subject of the mechanics of writing. The desirability of mechanical accuracy is seen in composition--the only effective composition is accurate composition. The outward manifestation of accuracy in composition is accuracy in the mechanics of writing. The writer who is precise about the form of his thinking is particular about the form of his composition. Mastery of the various forms of the mechanics of writing allows the writer to convey shades of meaning that can be expressed no other way.

Brooklyn Daily Eagle Almanac

Direct Support and General Support Maintenance Manual for Truck, Dump, 20-ton, 6 X 4, On-off Highway, 71,000 GVW (NSN 3805-00-192-7249), IHC Model F-5070 (CCE).
