The ebook of the stunning new novel from the bestselling author of SHIVER, LINGER AND FOREVER. Stay alive, stay astride, stay out of the water Every November, the Scorpio Races are run beneath the chalk cliffs of Skarmouth. Thousands gather to watch the horses and the sea that washes the blood from the sand. The mounts are capaill uisce: savage water horses. There are no horses more beautiful, more fearless, more deadly. To race them can be suicide but the danger is irresistible. Sean Kendrick knows the dangers of the capaill uisce. With one foot in the ocean and one on land, he is the only man on the

But the horse she rides is an ordinary little mare, just as Puck is an ordinary girl. When Sean sees Puck on the beach he doesn't think she belongs. He doesn't realize his fate will become entwined in hers. They both enter the Races hoping to change their lives. But first they'll have to survive.
