Siren's Call

James Bryan Smith believes we have bought into false notions of happiness and success. In this follow up to his first book, *The Good and Beautiful God*, Smith traces through the Sermon on the Mount and helps us replace our false beliefs with Jesus' narratives about life in the kingdom of God.

Hound Dog True

“The helicopter parent has crashed and burned
Sally Koslow [has] documented a generation so cosseted that they have lost the impetus to grow up or leave home. The over-involved parent has gone from paragon of caring to a figure of fun.”—Lisa Endlich Heffernan, *The Atlantic Parents* once dreamed of dropping their prodigies at first-choice colleges and sighing with relief at a job well done. Nowadays, though, mothers and fathers are stressing about whether Jessica or Josh will boomerang back after graduation—and still be there years later. Why are so many wunderkinds now s-l-o-w-l-y slouching toward adulthood? Panicked after reading that twenty-eight is the new nineteen, Sally Koslow—journalist and mother—searched for answers. Part hard-hitting investigation and part hilarious memoir, *Slouching Toward Adulthood* is a heartfelt cri de coeur that can help families negotiate life around the unexpectedly crowded dining tables for years to come.

"Forensic archeologist, Dr. Ruth Galloway is back--this time investigating a gruesome WWII war crime"--

The Big Hunger

From the author of the break-out hit *ttyl*, a dark and utterly readable take on the hierarchy of high school girls. There are Gossip Girls and Mean Girls but no one has come as close to the dark heart of high-school girl politics as Lauren Myracle does in this shivery smart, wonderfully strange story of a high school where popularity can be stolen. No one notices Jane—not the jocks, the stoners, the debaters, the drama geeks, the cheerleaders, and especially not the Bitches, the school royalty made up of one girl from each class who's so transcendently beautiful and fascinating that no one can help but worship her. Imagine Jane's surprise when the Bitches approach her to be their freshman member. She wants this kind of popularity more than anything, but when she discovers the sinister secret of the Bitches' power, she's forced to make the toughest choice of her life. This savagely funny book will be the talk of the season. F&P level: Z+

JUST YOUR AVERAGE MEGA-WITCH. . . . It's tough being a modern woman, but Persephone Alcmedi has it worse than most. Being the prophesied Lustrata has kicked her career as a witch into high gear, and juggling a wærewolf boyfriend who is about to become king of his kind and a seductive vampire who bears her magical Mark isn't easy either. Still, Seph's beloved foster daughter, Beverley, is causing more trouble than these two men put together. The young girl's been playing with a magical artifact that's far more dangerous than she realizes. Now Seph must summon help from a mystical being so potent that even vampires fear him . . . and the cost of his aid may be more than she's willing to pay. Seph, Johnny, and Menessos face threats from all sides—and a few from within. Will the forces of destiny cement their tenuous supernatural union, or shatter it forever?

Chump Change

Sabine Rose is determined to become a “normal” teenager. She hides her psychic powers, but she can't seem to get Opal, her spirit guide, out of her head. Suspected of a crime she didn't commit, Sabine must defend herself and save a friend's life.

Ruth Galloway: The Early Cases

A New York Times Editors' Choice and an Oprah's Book Club Summer Reading Pick In this brilliant new collection, Scotiabank Giller Prize and Rogers Writers' Trust Fiction Prize nominee Alix Ohlin skillfully displays the full range of human emotions through the subtly powerful dramas of everyday life. In "You Are What You Like" a young couple finds their life derailed by the arrival of a hard-partying old friend. In "Robbing the Cradle" Lisette does everything she can to give her husband a baby, committing an act of desperation. In "The Idea Man" Beth, a divorcee, falls in love with a man who lies for fun. And in the incredible title story, Kathleen finds herself sitting at the hospital bedside of a man she had planned to divorce, comforted by the woman she went out of her way to hurt. These characters are divorced and beginning to date again, childless and longing for children, married and aching for more. Often unexpected and unsettling, always fascinating, Signs and Wonders showcases a young writer of remarkable range and emotional depth.

Your Dreams Are Mine Now

Sharks, shipwreck, and sunken treasure in the latest adventure trilogy from Gordon Korman. Four kids are on a marine expedition for the summer, diving to explore an underwater habitat that's just been altered by a seismic event. What they find, though, is much more than fish - it's sunken treasure. Can they salvage it without anyone else getting to it first? Will the prospect of wealth set them against one another? And what about those sharksDIVE is another action-packed trilogy from Gordon Korman. The narrative will shift between an account of two kids caught in the shipwreck and the story of the four kids fighting over and desperately trying to get the treasure.

The Internet has changed our social spaces, our political and social realities, our use of language, and the way we communicate, all with breathtaking speed. Almost everyone who deals with the Internet and the new world of cyberspace communication at times feels bewildered, dismayed, or even infuriated. In this clear and helpful book, computer communications scholar Laura J. Gurak takes a close look at the critical issues of online communication and discusses how to become literate in the new mass medium of our era. In cyberspace, Gurak shows us, literacy means much more than knowing how to read. Cyberliteracy means being able to sort fact from fiction, to detect extremism from reasonable debate, and to identify gender bias, commercialism, imitation, parody, and other aspects of written language that are problematic in online communication. Active reading skills are essential in cyberspace, where hoaxes abound, advertising masquerades as product information, privacy is often compromised, and web pages and e-mail messages distort the truth. Gurak analyzes the new language of the Internet, explaining how to prepare for its discourse and protect oneself from its hazards. This book will appeal to anyone with an interest in the impact of the Internet on the practices of reading and writing and on our culture in general./DIV

The Melancholy of Anatomy

A story about small acts of courage from the author of A Crooked Kind of Perfect. Do not let a mop sit overnight in water. Fix things before they get too big for fixing. Custodial wisdom: Mattie Breen writes it all down. She has just one week to convince Uncle Potluck to take her on as his custodial apprentice at Mitchell P. Anderson Elementary School. One week until school starts and she has to be the new girl again. But if she can be Uncle Potluck's apprentice, she'll have important work to do during lunch and recess. Work that will keep her safely away from the other fifth graders. But when her custodial wisdom goes all wrong, Mattie's plan comes crashing down. And only then does she begin to see how one small, brave act can lead to a friend who is hound dog true. This ebook includes a sample chapter of THE CENTER OF EVERYTHING.

Coaching the Artist Within

In his new book, *The Sacred Search*, best-selling author Gary Thomas tackles the topic of love and dating by asking the question: What if it's not about who you marry, but why? *The Sacred Search Study Resource* is a DVD-driven Bible study for small groups of single, dating, or engaged people to unpack this message even further. In this dynamic companion to the book, Gary will help singles move on from the idea of finding a "soul mate" and adopt the more biblical idea of finding their "sole mate," as they seek to dedicate their future marriages to God. Eight thought-provoking video sessions featuring Gary Thomas lead groups through the study. This DVD also includes study questions designed to facilitate group discussion, interaction, and practical application.

The Magic World of Orson Welles

Abel Wilder, werewolf Alpha, has gone missing, leaving his mate and the pack in a panic. His captor magicked his scent out of the sanctuary so that his mate can't track him down. Only one witch can cast a spell that powerful. James Faulkner has finally crossed a line that Elise Kavanagh can't ignore. Elise is going to have to hunt James down before the werewolf pack loses its Alpha and Rylie loses her mate. And Elise will have to find a way to make sure that James never bothers the pack—or anyone else—ever again.

It's not every day that a writer, almost unheard of in his lifetime, emerges twenty years after his death as a voice of his generation. But then again, there aren't many writers with such irrepressible genius as John Fante. *The John Fante Reader* is the important next step in the reintroduction of this influential author to modern audiences. Combining excerpts from his novels and stories, as well as his never-before-published letters, this collection is the perfect primer on the work of a writer -- underappreciated in his time -- who is finally taking his place in the pantheon of twentieth-century American writers.

Slouching Toward Adulthood

Based on the hit USA Network series *The 4400*, an original novel about a group of 4400 people taken out of their time and returned to the present day with special powers, only no one, including them, is sure if they are a force for good or for evil. Over nine thousand people were killed in Seattle, when promicin was unleashed within the city limits. Now the Federal government has to decide how to deal with citizens who have powers and abilities that cannot be legislated. An uneasy truce has arisen between Jordan Collier, the self-styled leader of *The 4400*, and the Federal government. While he stopped more people from being killed, Collier was the one responsible for unleashing promicin on the world. Now governments around the world have to wonder just who controls these powerful people and just what are Collier and *The 4400* going to do next?

Prodigy. Iconoclast. Genius. Exile. Orson Welles remains one of the most discussed figures in cinematic history. In the centenary year of Welles's birth, James Naremore presents a revised third edition of this incomparable study, including a new section on the unfinished film *The Other Side of the Wind*. Naremore analyzes the political and psychological implications of the films, Welles's idiosyncratic style, and the biographical details--both playful and vexing--that impacted each work. Itself a historic film study, *The Magic World of Orson Welles* unlocks the soaring art and quixotic methods of a master.

Great Gals

Amusing, touching, and unsettling, *The Melancholy of Anatomy* is that most wonderful of fictions, one that makes us see the world in an entirely new light. Here is the body turned inside out, its members set free, its humors released upon the world. Hearts bigger than planets devour light and warp the space around them; the city of London has a menstrual flow that gushes through its underground pipes; gobs of phlegm cement friendships and sexual relationships; and a floating fetus larger than a human becomes the new town pastor. In this debut story collection, Shelley Jackson rewrites our private passages, and translates the dumb show of the body into prose as gorgeous as it is unhygienic.

Before the X-Files, before alt.conspiracy, there was Robert Anton Wilson and his legendary *Illuminatus!* Trilogy. Now this avatar of conspiriology, renowned for his razor wit and progressive philosophy, takes you on a fascinating, eclectic ride through what Wilson has termed the "Cultic Twilight" where conspiracy theories flourish. *Everything Is Under Control* covers the range of Wilson's kaleidoscopic knowledge, from John Adams to the Voronezh (former Soviet Union) UFO sighting, the Campus Crusade for Cthulhu to the Mothman prophecies, and everything in between. What do the Freemasons, the Kennedys, and Princess Diana have in common? All are at the center of gigantic conspiracy theories with incredibly complex and endlessly multiplying twists, turns, highways and byways. Arranged by alphabetical entries which include cross-references to other entries in the book and also provide addresses to related sites on the Web, this book is truly interactive--you can dip in, read through, or follow one of the URLs from an interesting entry onto the internet. What some famous people say about Robert Anton Wilson: "A dazzling barker hawking tickets to the most thrilling tilt-a-whirls and daring loop-o-planes on the midway to higher consciousness." --Tom Robbins "Wilson managed to reverse every mental

polarity in me, as if I had been pulled through infinity." --Philip K. Dick "One of the most important scientific philosophers of his century--scholarly, witty, scientific, hip and hopeful." --Dr. Timothy Leary

Shattered Circle

"A strong-minded, sharp-witted heroine who will appeal to fans of Charlaine Harris' Sookie Stackhouse series and Laurell K. Hamilton's Anita Blake." (Library Journal) Clouds are brewing over Cadogan House, and Merit the vampire can't tell if this is the darkness before the dawn, or the calm before the storm. With the city itself in turmoil over paranormals and the state threatening to pass a paranormal registration act, times have never been more precarious for the vampires. If only they could lay low for a bit Then magic rears its ugly head when Lake Michigan turns black. The mayor insists it's nothing to worry about, but Merit knows a panic is coming. She'll have to turn to friends old and new to find out who's behind this, and stop them before it's too late for both the vampires and humans.

The Internet, Law and Society

John Fante, an important figure in the history of the Italian-American novel, is proving to be fascinating to contemporary readers. Richard Collins has caught Fante's spirit from several crucial angles: as an ethnic writer; as a comic novelist; as a serious writer struggling to remain so in Hollywood. Intelligent, balanced, informative, and empathetic, this book combines criticism with scholarship, and biography with history to make what Henry James would have called a perfect 'literary portrait,' for it gives life to an interesting subject.

The John Fante Reader

When he finds out his father is in a coma, aspiring writer and part-time drunk Bruno Dante, fresh from the nuthouse, must head to Los Angeles for a fraught family reunion in Dan Fante's *Chump Change*. Now back in print to coincide with the publication of his new novel, *86'd*, *Chump Change* follows Bruno through the tension and stress of facing his family—and the inevitable, pain-dulling drinking that lands him naked in a stolen car with an underage hooker whose pimp has stolen his wallet. *Chump Change* is “an honest misfit's view of America far too few know.” (John Fowles, author of *The French Lieutenant's Woman*).

Internet Law & Policy

This collection of critical essays on the fiction of John Fante is the first concerted effort to assess the work, and acknowledge the significance, of one of America's most engaging and original twentieth-century literary talents. Over the span of a half-century - from the early 1930s to the early 1980s - the Italian-American Fante (1909-1983) wrote short stories and novels that drew on his own life from his Catholic childhood in Colorado through his down-and-out days in Los Angeles, to his adventures as a screenwriter in Hollywood. He writes about all these things with gusto, humor, directness, and an honesty tinged with the irony of a true modernist.

Full of Life

The first three cases in Elly Griffiths' bestselling Dr Ruth Galloway mystery series. *THE CROSSING PLACES*. Ruth Galloway is called upon by DCI Nelson to investigate human remains found in the Norfolk marshes, thought to be those of a missing girl about whom the police having been receiving some very strange letters. *THE JANUS STONE*. Bones are unearthed on the site of an old children's home. Two children had gone missing from the home forty years previously but the evidence points to a different crime altogether. *THE HOUSE AT SEA'S END*. Ruth Galloway and DCI Nelson find themselves investigating a hideous crime that has been concealed for decades. And it soon becomes clear that someone wants the truth to stay buried, and they will go to any lengths to keep it that way. 'Ruth Galloway is one of the most engaging characters in modern crime fiction' - Kate Mosse

John Fante

A tale inspired by a little-known romance between the famous blind and deaf Radcliffe graduate and her private secretary, Peter Fagan, takes place in Keller's 30s, when in the wake of Annie Sullivan's diagnosis with tuberculosis, Keller's plans to marry are thwarted by her disapproving family.

Encyclopedia of Cybercrime

Helen Keller in Love

In this biography of John Fante, one of the great lost souls of 20th-century literature, Stephen Cooper untangles the enigma of an authentic American original. By turns savage and poetic, violent and full of love, such novels as 'Ask the Dust' reveal and disguise the author.

The Carrier

There are today no more compelling sets of crime and security threats facing nations, communities, organizations, groups, families and individuals than those encompassed by cybercrime. For over fifty years crime enabled by computing and telecommunications technologies have increasingly threatened societies as they have become reliant on information systems for sustaining modernized living. Cybercrime is not a new phenomenon, rather an evolving one with respect to adoption of information technology (IT) for abusive and criminal purposes. Further, by virtue of the myriad ways in which IT is abused, it represents a technological shift in the nature of crime rather than a new form of criminal behavior. In other words, the nature of crime and its impacts on society are changing to the extent computers and other forms of IT are used for illicit purposes. Understanding the subject, then, is imperative to combatting it and to addressing it at various levels. This work is the first comprehensive encyclopedia to address cybercrime. Topical articles address all key areas of concern and specifically those having to do with: terminology, definitions and social constructs of crime; national infrastructure security vulnerabilities and capabilities; types of attacks to computers and information systems; computer abusers and cybercriminals; criminological, sociological, psychological and technological theoretical underpinnings of cybercrime; social and economic impacts of crime enabled with information technology (IT) inclusive of harms experienced by victims of cybercrimes and computer abuse; emerging and controversial issues such as online pornography, the computer hacking subculture and potential negative effects of electronic gaming and so-called computer addiction; bodies and specific examples of U.S. federal laws and regulations that help to prevent cybercrimes; examples and perspectives of law enforcement, regulatory and professional member associations concerned about cybercrime and its impacts; and computer forensics as well as general investigation/prosecution of high tech crimes and attendant challenges within the United States and internationally.
