Kleos in a Minor Key

This 75th anniversary edition of a classic bestseller is stunningly illustrated and designed to enchant fans of Greek, Roman, and Norse mythology at all ages. Since its original publication by Little, Brown and Company in 1942, Edith Hamilton's *Mythology* has sold millions of copies throughout the world and established itself as a perennial bestseller. For more than seven decades readers have chosen this book above all others to discover the enchanting world of mythology -- from Odysseus's adventure-filled journey to the Norse god Odin's effort to postpone the final day of doom. This deluxe, hardcover edition is fully-illustrated throughout with all-new, specially commissioned art, making it a true collector's item.

The Educational Times

As scholars have remarked, the word *kleos* in the *Iliad* and the *Odyssey* alike refers to something more substantive and complex than “fame” or “glory.” *Kleos* distinctly supposes an oral narrative—principally an “oral history,” a “life story” or ultimately an “oral tradition.” When broken down into its twin constituents, “words” and “actions” or “deeds,” a hero’s *kleos* serves to define him as a fully gendered social being. This book is a meditation on this concept as expressed and experienced in the adult society Telemachos find himself in. *Kleos* is the yardstick by which his psychological change was appreciated by Homer’s audiences. As this book shows through philological and interdisciplinary analysis, Prince Telemachos grows up in the course of the *Telemachy* and arguably even beyond (in book 24): his education, which is conceived largely as an apprenticeship on land and sea, admits him gradually if unevenly to a full-fledged adult *kleos*—a *kleos* that nonetheless necessarily remains minor in comparison to that of his father and other elders.

The Odyssey

Relates the story of a U.S. airman who survived when his bomber crashed into the sea during World War II, spent forty-seven days adrift in the ocean before being

rescued by the Japanese Navy, and was held as a prisoner until the end of the war.

The Academy

"A bold and subversive retelling of the goddess's story," this #1 New York Times bestseller is "both epic and intimate in its scope, recasting the most infamous female figure from the Odyssey as a hero in her own right" (Alexandra Alter, The New York Times). In the house of Helios, god of the sun and mightiest of the Titans, a daughter is born. But Circe is a strange child -- not powerful, like her father, nor viciously alluring like her mother. Turning to the world of mortals for companionship, she discovers that she does possess power -- the power of witchcraft, which can transform rivals into monsters and menace the gods themselves. Threatened, Zeus banishes her to a deserted island, where she hones her occult craft, tames wild beasts and crosses paths with many of the most famous figures in all of mythology, including the Minotaur, Daedalus and his doomed son Icarus, the murderous Medea, and, of course, wily Odysseus. But there is danger, too, for a woman who stands alone, and Circe unwittingly draws the wrath of both men and gods, ultimately finding herself pitted against one of the most terrifying and vengeful of the Olympians. To protect what she loves most, Circe must summon all her strength and choose, once and for all, whether she belongs with the gods she is born from, or the mortals she has come to love. With unforgettably vivid characters, mesmerizing language, and page-turning suspense,

Circe is a triumph of storytelling, an intoxicating epic of family rivalry, palace intrigue, love and loss, as well as a celebration of indomitable female strength in a man's world. #1 New York Times Bestseller -- named one of the Best Books of the Year by NPR, the Washington Post, People, Time, Amazon, Entertainment Weekly, Bustle, Newsweek, the A.V. Club, Christian Science Monitor, Refinery 29, BuzzFeed, Paste, Audible, Kirkus, Publishers Weekly, Thrillist, NYPL, Self, Real Simple, Goodreads, Boston Globe, Electric Literature, BookPage, the Guardian, Book Riot, Seattle Times, and Business Insider.

The Cyclops

Vols. for 1898-1968 include a directory of publishers.

American Odyssey

The Athenæum

The tragic tale of a Montana family ripped apart by scandal and murder: “a significant and elegant addition to the fiction of the American West” (Washington Post). In the summer of 1948, twelve-year-old David Hayden witnessed and

experienced a series of cataclysmic events that would forever change the way he saw his family. The Haydens had been pillars of their small Montana town: David's father was the town sheriff; his uncle Frank was a war hero and respected doctor. But the family's solid foundation was suddenly shattered by a bombshell revelation. The Hayden's Sioux housekeeper, Marie Little Soldier, tells them that Frank has been sexually assaulting his female Indian patients for years—and that she herself was his latest victim. As the tragic fallout unravels around David, he learns that truth is not what one believes it to be, that power is abused, and that sometimes one has to choose between loyalty and justice. Winner of the Milkweed National Fiction Prize

The Educational Times, and Journal of the College of Preceptors

These cross-curricular activities for The Odyssey incorporate key skills from the Common Core. The activities integrate literature with social studies, science, mathematics, and more. Activity pages engage and challenge students.

The Athenaeum

Published by OpenStax College, U.S. History covers the breadth of the

chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

The Odyssey Making Cross-Curricular Connections

"I hold this book to be the most important expression which the present age has found; it is a book to which we are all indebted, and from which none of us can escape." T.S. Eliot Ulysses depicts a day in Leopold Bloom's life, broken into episodes analogous to Homer's Odyssey and related in rich, varied styles. Joyce's novel is celebrated for its depth of learning, earthy humor, literary allusions and piercing insight into the human heart. First published in Paris in 1922 Ulysses was not published in the United States until 1934. Immediately recognized as an extraordinary work that both echoed the history of English literature and took it in new, unheralded directions, Joyce's book was controversial. Its widespread release was initially slowed by censors nitpicking a few passages. The novel is challenging, in that it is an uncommon reader who will perceive all that Joyce has put into his pages upon first reading, but it is uniquely rewarding for anyone willing to follow where the author leads. Far more than a learned exercise in literary skill, Ulysses displays a sense of humor that ranges from delicate to roguish as well as sequences of striking beauty and emotion. Chief among the latter must be the

novel's climactic stream of consciousness step into the mind of the protagonist's wife, Molly Bloom, whose open-hearted acceptance of life and love is among the most memorable and moving passages in English literature. With an eye-catching new cover, and professionally typeset manuscript, this edition of Ulysses is both modern and readable.

The Odyssey of Homer

Explore a mythical world and encourage students to analyze various story elements through the fun, challenging activities and lessons provided in this instructional guide for literature. This guide is the perfect tool to aid students in analyzing and comprehending this timeless story. Appealing and challenging cross-curricular lessons and activities incorporate research-based literacy skills to help students become thorough readers. These lessons and activities work in conjunction with the text to teach students how to analyze and comprehend story elements in multiple ways, practice close reading and text-based vocabulary, determine meaning through text-dependent questions, and much more.

The Adventures of Ulysses

The Pathway of Roses

So You Think You're Smart is an eclectic collection of word games, riddles and logic puzzles to tantalize, tease and boggle the brains of readers of all ages and educational levels. The brain teasers are about ordinary words and things that everybody knows about so only common sense and a bit of resourcefulness are needed to solve them. The book is in its 17th printing and has appeared on Saturday Night Live.

So You Think You're Smart

"Homeric Conversation" is the first full-length study of conversation in the Homeric poems. Deborah Beck argues that conversation should be considered a traditional Homeric type scene, alongside recognized types such as arrival, sacrifice, battle, and hospitality. This book is a wide-ranging, closely argued aesthetic analysis of repetition and variation in the Homeric epics.

The Saturday Review of Politics, Literature, Science and Art

An astounding tale of courage, belonging and endurance from a renowned storyteller. Tree-ear has a dream. He has watched the master potter Min take a lump of clay and shape it into a thing of beauty. For Tree-ear the transformation is a miracle. Someday he wants to perform such a miracle himself. But you cannot just walk up to a master potter and ask him to teach you his craft, especially not if you're an orphan like Tree-ear. First Tree-ear must prove he is worthy of Min's time and teachings. So he asks the honourable master if he can work for him, without pay, for the privilege of being near such talent. Tree-ear has taken his first step toward his dream. If Tree-ear takes it one hill, one valley, one day at a time, just maybe, he'll be able to make his dream come true. 'Readers will not soon forget these characters or their sacrifices.' Publishers Weekly Contains Linda Sue Park's
