One False Note

The Black Book of Buried Secrets

Targeted by Interpol after a series of spectacular heists, a reluctant Amy and Dan are ordered by Vesper One to steal the world's largest diamond, a demand that is challenged by their efforts to rescue the Cahill hostages and stop a Vesper mole.

Premonitions

Leo Caraway—high school senior, president of the Young Republicans club, 4.0 GPA, future Harvard student—had his entire future perfectly planned out. That was, until the X factor. As in Marion X. McMurphy, aka King Maggot, the lead singer of Purge, the most popular, most destructive band punk rock has ever seen. He's also Leo's biological father. When Leo discovers that his real father is a punk rock legend, he is disgusted. Not only is Leo not a punk rock fan, but he believes the X factor (the Maggot blood that is running through his veins) is a dangerous time bomb just waiting to explode. And sure enough it does—Leo stubbornly defends the unlikeliest of people, thereby getting himself falsely accused of cheating on a test. Because of the blemish on his record, the once star pupil finds his scholarship to Harvard taken away. So he hatches the crazy plan of going on tour with King Maggot for Purge's summer revival tour, all the while secretly hoping to convince Maggot to pay for his tuition. But life on the road is even crazier than Leo ever bargained for, and before the summer is out, he will finally discover the surprising truth about his dad, his friends, and most important, himself.

Shatterproof

Could Amy and Dan's biggest enemy be . . . a friend? Book 6 in the bestselling The 39 Clues series challenges everything you thought you knew about the Clue race. Fourteen-year-old Amy Cahill and her younger brother, Dan, head to the Land Down Under to discover what their own mother and father knew about the hunt for the 39 Clues. But following in their parents' footsteps brings up lost memories for Amy so awful that she can't share them . . . even with Dan. Haunted by the ghosts of their past, chased by deadly competitors, Dan and Amy can't see who is an

enemy and who is a friend. Their blindness leads to a terrible mistake . . . and the death of a hidden ally.

Framed (Swindle #3)

When the Vespers continue their abductions and cross a line by kidnapping Atticus, an 11-year-old non-Cahill civilian and Dan's only friend, Dan and Amy confront their biggest challenge ever in order to keep Atticus alive.

Storm Warning

Spies report that Amy and Dan Cahill seem to be tracking the life of one of the most powerful fighters the world has ever known, but his secrets are well-guarded and the price to uncover them just might be lethal.

One False Note

Michael Grant's *Gone* series meets M. Night Shyamalan's *The Village* in this riveting story of one girl's journey to save the very people who have lied to her for her entire life. Amy Plum, international bestselling author of the *Die for Me* series, delivers a fast-paced adventure perfect for fans of Marie Lu, Veronica Rossi, and Robison Wells. Juneau grew up fearing the outside world. The elders told her that beyond the borders of their land in the Alaskan wilderness, nuclear war had destroyed everything. But when Juneau returns from a hunting trip one day and discovers her people have been abducted, she sets off to find them. And leaving the boundaries for the very first time, she learns the horrifying truth: World War III never happened. Nothing was destroyed. Everything she'd ever been taught was a lie. As Juneau comes to terms with an unfathomable deception, she is forced to survive in a completely foreign world, using only the skills and abilities she developed in the wild. But while she's struggling to rescue her friends and family, someone else is after her. Someone who knows the extraordinary truth about her secret past.

Sleuth or Dare #1: Partners in Crime

A million dollars, or a clue? Police report a break-in at an elite hotel, and the suspects sound suspiciously like Amy and Dan. There's a car and speedboat chase and an angry mob! When there's a Clue on the line, anything can happen.

The Medusa Plot

The second entry in an all-new, mesmerizing adventure from the masterful, #1 NEW YORK TIMES bestselling author Gordon Korman -- now in paperback! Jax Opus knows he's not like other kids. And it isn't his skill on the basketball court or his test scores that set him apart. No, Jax is different because he can hypnotize people. In fact, he might be the best hypnotist the world has seen in a very long time. You would think Jax would be happy about this. But really? It's ruining his life. He and his family are hiding from a master hypnotist who wants Jax out of the picture . . . forever. And the FBI is also starting to ask questions about Jax and his

abilities. Jax thinks life might be getting a little better when a very rich, very powerful man asks him to help out with something. The reward will be great. And the price -- well, the price is that Jax starts taking on the man's memories. And some of them are pretty deadly. #1 NEW YORK TIMES bestselling author Gordon Korman keeps the thrills coming and the adventure nonstop as the past and the present collide to build a memory maze that Jax Opus may never escape. . .

After the End

The sequel to Gordon Korman's SWINDLE---the Man With A Plan is back! When Griffin Bing's class goes to a floating zoo, they don't expect to see animals being treated so badly. They don't expect to find Cleo, Dog Whisperer Savannah's pet monkey who's been missing for weeks. And they really don't expect to have to hide the animals once they've rescued them! Hilarity ensues as Griffin's team once more pulls off a heist . . . trying to break the animals back into a (better) zoo!

The Emperor's Code

A clue takes Amy and Dan Cahill to Egypt, where they investigate the origins of the rivalry between the Tomas and Ekaterina branches of their family and try to figure out if they can trust a message from their dead grandmother Grace.

The Spiritual Exercises of St. Ignatius

When Amy and Dan learn the truth about the Madrigals and Grace Cahill's alternate will, these discoveries lead to the revelation of a secret about their family and a showdown with the man in black who has been following them.

Conjectures and Refutations

An escalating race to find the 39 Clues finds Amy and Dan pursuing a Clue guarded by thousands of the world's best-trained soldiers, an effort that separates them in explosively dangerous ways.

The 39 Clues #6: In Too Deep

Amy and Dan Cahill's quest to find the million dollars takes them to Vienna, where they must outwit their power-hungry relatives as they seek to solve a clue involving Mozart.

The Toilet Paper Tigers

Like every other kid in his class, Joe Stoscack has to write a report on an African American who's made an important contribution to society. Unlike every other kid in his class, Joe has a special talent: with the help of old baseball cards, he can travel through time. So for his report, Joe decides to go back to meet one of the greatest baseball players ever, Jackie Robinson, to find out what it was like to be the man who broke baseball's color barrier. Joe plans on writing a prize-winning report. But he doesn't plan on a trip that will for a short time change the color of

his skin--and forever change his view of history and his definition of courage. Joe Stoshack has really done it this time. When a pitcher insults his Polish heritage, Joe flings his bat and prompts an on-field brawl that ends in a two-team pileup. he's suspended from Little League indefinitely. At school, his teacher assigns an oral report for Black History Month. The topic? An African-American who has made a significant contribution to American society. The prize for the best report is four tickets to a cool local amusement park. But Joe doesn't know where to begin. If he could just get his hands on a certain Jackie Robinson baseball card

The 39 Clues Complete Collection

Vince Luca is just like any other high school guy. His best friend, Alex, is trying to score vicariously through him; his brother is a giant pain; and his father keeps bugging him to get motivated. There is just one thing that really sets him apart from other kids—his father happens to be the head of a powerful crime organization. Needless to say, while Vince's family's connections can be handy for certain things (like when teachers are afraid to give him a bad grade), they can put a serious crimp in his dating life. How is he supposed to explain to a girl what his father does for a living? But when Vince meets a girl who finally seems to be worth the trouble, her family turns out to be the biggest problem of all. Because her father is an FBI agent—the one who wants to put his father away for good.

Flashpoint

Amy and Dan Cahill learn an ultimate truth that reveals the Madrigal Mission's importance and the danger that their nefarious family members pose to the entire world.

One False Note

Gecko doesn't want to go back to Juvenile Detention, but trouble somehow always finds him. Graham "Gecko" Fosse drove the getaway car for a robbery he didn't even know was going down. But that doesn't keep him out of Juvie - the worst place he has ever been. It's a place where its inmates, some convicted teenage killers, could easily write an encyclopedia on how to inflict pain. Thankfully, do-gooder Douglas Healy shows up, giving Gecko a chance to swap the slammer for a halfway house lived in by two other young criminals. There are just three crucial conditions - the three boys must stay in school and out of trouble, all while staying on Social Services' good side. Or else it's back to Juvie for all of them. But Terence seems bent on getting himself into trouble - the boys catch him sneaking down the fire escape, off to pull another heist. If only their fight hadn't gotten physical and Healy hadn't wound up in the hospital with amnesia. If only Gecko wasn't falling for a girl whose dad's best friend was the Deputy Police chief. And that's just the beginning of their problems. One thing's for certain: if the boys are found out, their second chance will be their last.

Showoff (Swindle #4)

As they seem to be at the bottom of every prank at Macdonald Hall, the headmaster decides to separate roommates Bruno and Boots, but to little avail.

Jackie & Me

A brand new adventure from the world of The 39 Clues! For 500 years, the Cahills have been the most powerful family in the world. For 500 years, they've protected the source of their power - the 39 Clues. And for 500 years, they've kept their secrets silent. Until now. This extraordinary stand-alone novel cracks open the Cahill vault to tell the story of the most coveted piece of artwork in the world, a masterpiece that has been the target of seven separate theft attempts: Jan van Eyck's altarpiece at Ghent. OPERATION TRINITY chronicles the first Vesper attack on the altarpiece in the 1600s, then jumps to WWII and young Grace Cahill's desperate bid to save the masterwork from the Nazis. The final piece of the novel tells the story of Ian and Natalie Kabra's first solo operation and features an 11th hour appearance by Grace Cahill on her final mission. History will never be the same.

The Hypnotists Book 2: Memory Maze

A BEST BOOK OF THE FALL AS SEEN IN: Apartment Therapy • Book Riot • Business Insider • BuzzFeed • Daily Nebraskan • Entertainment Weekly • Esquire • Fortune • Harper's Bazaar • HelloGiggles • LinkedIn • O Magazine • Time Magazine "[A] razor sharp book of cultural criticism...With blistering prose and all-too vivid reporting, Petersen lays bare the burnout and despair of millennials, while also charting a path to a world where members of her generation can feel as if the boot has been removed from their necks." —Esquire "An analytically precise, deeply empathic book about the psychic toll modern capitalism has taken on those shaped by it. Can't Even is essential to understanding our age, and ourselves."—Ezra Klein, Vox co-founder and New York Times bestselling author of Why We're Polarized An incendiary examination of burnout in millennials—the cultural shifts that got us here, the pressures that sustain it, and the need for drastic change Do you feel like your life is an endless to-do list? Do you find yourself mindlessly scrolling through Instagram because you're too exhausted to pick up a book? Are you mired in debt, or feel like you work all the time, or feel pressure to take whatever gives you joy and turn it into a monetizable hustle? Welcome to burnout culture. While burnout may seem like the default setting for the modern era, in Can't Even, BuzzFeed culture writer and former academic Anne Helen Petersen argues that burnout is a definitional condition for the millennial generation, born out of distrust in the institutions that have failed us, the unrealistic expectations of the modern workplace, and a sharp uptick in anxiety and hopelessness exacerbated by the constant pressure to "perform" our lives online. The genesis for the book is Petersen's viral BuzzFeed article on the topic, which has amassed over seven million reads since its publication in January 2019. Can't Even goes beyond the original article, as Petersen examines how millennials have arrived at this point of burnout (think: unchecked capitalism and changing labor laws) and examines the phenomenon through a variety of lenses—including how burnout affects the way we work, parent, and socialize—describing its resonance in alarming familiarity. Utilizing a combination of sociohistorical framework, original interviews, and detailed analysis, Can't Even offers a galvanizing, intimate, and ultimately redemptive look at the lives of this much-maligned generation, and will be required reading for both millennials and the parents and employers trying to understand them.

Mission Hindenburg (The 39 Clues: Doublecross, Book 2)

The 39 Clues: Cahills vs. Vespers Book 5: Trust No One

As the open-source and free competitor to expensive software like Maple™, Mathematica®, Magma, and MATLAB®, Sage offers anyone with access to a web browser the ability to use cutting-edge mathematical software and display his or her results for others, often with stunning graphics. This book is a gentle introduction to Sage for undergraduate students toward the end of Calculus II (single-variable integral calculus) or higher-level course work such as Multivariate Calculus, Differential Equations, Linear Algebra, or Math Modeling. The book assumes no background in computer science, but the reader who finishes the book will have learned about half of a first semester Computer Science I course, including large parts of the Python programming language. The audience of the book is not only math majors, but also physics, engineering, finance, statistics, chemistry, and computer science majors.

Beyond the Grave

A guide to the characters and situations in "The 39 Clues" outlines the Cahills' secrets, including hidden facts, strategies, agents, lost founders, secret bases, and scandals, as well as information about all branches of the family.

Breakaway

When seven members of their family were kidnapped, thirteen-year-old Dan Cahill and his older sister, Amy, got ready for the fight of their lives. But their enemy, a terrifying group known as the Vespers, remained frustratingly elusive. They stay in the shadows, picking off Cahills one by one. And now the Vespers have landed their most serious blow yet – a blow that strikes at the very heart of the Cahill family. Because Amy and Dan discover that there's a Vesper mole in their innermost circle. Amy and Dan need to smoke out the traitor before the next hostage dies. They have just days to discover who has their back . . . and who wants to sink a knife into it.

One False Note

Book 3 in the #1 bestselling The 39 Clues series may just be the most thrill-packed yet! ATTENTION! Amy and Dan Cahill have been located once again, this time in the company of the notoriously unreliable Alistair Oh. Could they have been foolish enough to make an alliance? Spies report that Amy and Dan seem to be tracking the life of one of the most powerful fighters the world has ever known. If this fearsome warrior was a Cahill, his secrets are sure to be well-guarded . . . and the price to uncover them just might be lethal.
