The Truth About Managing People

Robbins: Leading the way in OB Written as an alternative to Robbins' larger Organizational Behaviour text, OB: The Essentials is an applied and focused text that will help your students to quickly grasp the essential elements of OB. In an engaging 13 chapter format, this book retains the fluid writing style, academic rigour and extensive use of examples that are trademark features of the Robbins texts. While there are less chapters, the book continues to provide cutting-edge content that is often missing in other OB books – this is not merely a subset of material from Robbins' Organizational Behaviour text; it was written from the ground up to present all the essential content in a shorter format. This new text will have broad appeal; particularly to visual learners who will appreciate the lively design and extensive use of examples and photographs to aid comprehension and retention of concepts. New co-author Dr Michael Jones of the University of Wollongong brings his avid enthusiasm for student education as well as a solid research background in motivation, commitment and business operations to the

new text. Reviewers and users of the Robbins texts regularly report that they are 'conversational', 'interesting', 'student-friendly' and 'very clear and understandable'. Packed full of pedagogical features that will engage and stimulate your students, OB: The Essentials will ensure that they are getting a sound understanding of OB. Features such as the 'Applying Knowledge' and 'Student Challenge' boxes prompt students to apply and think strategically about what they have just learnt.

Fundamentals of Organizational Behaviour, Fifth Canadian Edition,

Covering such topics as individual behaviour and organization structure, this work includes a free CD-ROM containing the full text, custom video cases and an Internet connection to the book-specific Web site.

access codes, or print supplements that may come packaged with the bound book. For courses in organizational behavior. A streamlined presentation of key organizational behavior concepts Essentials of Organizational Behavior teaches readers how to communicate and interact within organizations, through real-world scenarios. The text offers comprehensive coverage of key organizational behavior (OB) concepts, making each lesson engaging and easy to absorb. Readers can use the book's concepts to apply what they've learned to their own education, future career plans, and other organizational endeavors. Currently used at more than 500 colleges and universities worldwide, Essentials of Organizational Behavior serves as a popular resource so readers can learn and understand the most important concepts in OB. With updated research and the integration of contemporary global issues, the 14th Edition focuses on the most relevant OB concepts that resonate with readers.

Essentials of Organizational Behavior

Decide and Conquer

As scientists toil in the fields of their disciplines, they rarely enjoy opportunities to step back from their work and evaluate where their efforts have taken them.

Assessing a field's scientific progress, however, is critical if it is to have any hope of making meaningful advances. The time has come for a systematic self-examination of the state of the field of organizational behavior. Where has it been? Where is it now? And where is it going? The present book poses these questions to raise the self-consciousness of organizational scholars, causing them to question the field's values and its worth as a scientific and practical endeavor. Such a critical self-assessment of the state of organizational behavior is absolutely essential if the field is to prosper and make meaningful advances to behavioral science and to the welfare of individuals and society. This volume is a collection of essays by the field's most highly regarded scholars--experts who have contributed widely to the field, and who were invited to share their thoughts about its past, present, and future. By presenting their ideas about the state of organizational behavior, the discipline as a whole is invited to engage in critical self-reflection. No other book serves this function.

Organisational Behaviour

In the Third Edition of the bestselling book, *The Truth About Managing People*, bestselling author Stephen Robbins shares even more proven principles for handling virtually every management challenge. Robbins delivers 61 real solutions for the make-or-break problems faced by every manager. Readers will learn how to overcome the true obstacles to teamwork; why too much communication can be as dangerous as too little; how to improve your hiring and employee evaluations; how to heal "layoff survivor sickness"; how to manage a diverse culture; and ways to lead effectively in a digital world. New truths include: how to nurture friendly employees, forget about age stereotypes, first impressions count, be a good citizen, techniques for managing a diverse age group, and ethical leadership among others.

Organizational Behaviour

Make better decisions – every day, everywhere! Decide and Conquer, Second Edition brings together all the practical skills you need to do just that. This quick, concise book identifies every key obstacle to quality decision-making and shows exactly how to overcome them. You'll discover how your personality impacts your decision-making, why instincts and experience can lead you astray, how to simplify

complex decisions without oversimplifying them and much more. Renowned management author Dr. Stephen P. Robbins translates cutting-edge research findings about human behavior and decision-making into language anyone can understand – and act upon. In this Second Edition, he provides many new and updated examples, updated research, and new coverage, including these crucial new topics: Are you a Maximizer or a Satisficer – and what it means for your decision-making Overcoming the familiarity bias, adaptation bias, and fear-of-loss bias How to stop throwing good money after bad Knowing when doing nothing is your best option Accounting for gendered decision-making styles Decide and Conquer, Second Edition covers everything from goal-setting and risk-taking to overconfidence to procrastination, and offers indispensable insights for overcoming the multiple biases that are built into all human decision-makers. You'll use Robbins' powerful techniques to improve every decision you make – about your relationships, career, finances, everything!

Organizational Behavior

organisational behaviour in Southern Africa, 2nd edition

"Robbins, Millett, Boyle and Judge provide you with cutting edge content,

compelling pedagogy and expositional clarity. Organizational Behaviour, 6e maintains its position as Australia's most popular teaching and learning resource for introductory courses in organizational behaviour. Renowned for its straightforward writing style, this text fully engages students with case applications and an extensive variety of questions and exercises. Its three-level model analysis (the individual, the group and the organization system) prepares students to explain and predict behaviour in any company. Including leading edge Australian and international research, such as virtual teams and deviance in the workplace, the new edition is enhanced by the addition of a new author with expertise in these topics and emerging research on moods and emotions. Organizational Behaviour, 6e provides an unparalleled student and lecturer resource package and continues to define the standards that others try to emulate."--Publisher's website.

Fundamentals of Organizational Behaviour, Updated Fifth Canadian Edition

This book is the first Southern African edition of Stephen P. Robbins's Organizational Behaviour, the best-selling organizational behaviour textbook worldwide.

Essentials of Organizational Behavior

This introduction to the field of organizational behaviour condenses the essential topics into a tightly focused presentation. Its concise format makes it a viable alternative to a core textbook, and an ideal vehicle to be combined with cases, readings, and experimental materials. The entire text has been updated. New examples have been added and the referencing of research findings has been expanded. There are two new chapters in this edition. Motivation: From Concepts to Applications provides practical applications of motivation concepts introduced in Chapter 4. A new chapter on work teams has also been added. The two chapters on organizational structure and design from the previous edition have been condensed into a single chapter and completely rewritten. The chapter on individual decision making has been rewritten to emphasise the behavioural aspects of decision making. The discussion of group decision making has been moved from the chapter on communication to the chapter on group behaviour.

Organizational Behaviour by Pearson 18e

Robbins: Leading the way in OB Organisational Behaviour shows managers how to apply the concepts and practices of modern organisational behaviour in a competitive, dynamic business world. Written and researched by industry-

respected authors, this continues to be Australia's most popular text for introductory courses in organisational behaviour. A new suite of learning and teaching resources that will excite future managers and inspire critical thinking, accompanies the text.

Organizational Behavior, Student Value Edition
