The Onion Ad Nauseam

From America's finest (and funniest) news source, the sports page as you've never seen it before. From painfully obvious steroid revelations to sex scandals and superstars who announce trades in over-the-top TV specials, the wide world of sports can often seem

too ridiculous for words. Well, attention sports fans: In *The Ecstasy of Defeat*, the editors of *The Onion* offer the laugh-out-loud, long overdue lampoon of sports culture you've been waiting for. Filled with the very best of *The Onion's* bench-clearing sports coverage, this book includes such classics as: · Lip-Reading BCS Computer Kills Officials Who Want To Shut It Down · Barry Bonds Took Steroids, Reports Everyone Who Has Ever Watched Baseball · Report: Cheap Chinese NBA Players Falling Apart After A Few Seasons · Barbaro's Doctors: "A Horse This Good You Don't Eat All At Once" · Lance Armstrong Wants To Tell Nation Something But Nation Has To Promise Not To Get Mad No topic escapes the satirical slap of America's Finest News Source, and the book covers not only mainstream sports such as baseball, basketball, and football, but also lesser sports, sports culture, and special events like the World Cup and the Olympics. Featuring all the players, teams, and sports we love—and love to hate—*The Ecstasy of Defeat* is a must-read for sports nuts and *Onion* fans alike.

Dispatches from the Tenth Circle

The host of the award-winning humorous news program offers tongue-in-cheek insight into American democracy with coverage of such topics as the republican qualities of ancient Rome, the antics of our nation's founders, and the ludicrous nature of today's media.

AN Off Year

From the creators of America's favorite presidential address, WeeklyRadioAddress.com (as seen on TheOnion.com), comes this unauthorized autobiography of George W. Bush.

Homeland Insecurity

From comedy writer, public speaker, and founding editor of The Onion Scott Dikkers comes this laugh-out-loud hilarious guide to surviving and thriving under Donald Trump's presidency. With satirical graphics, pictorials, news columns, and bulletins that are screamingly funny to everyone regardless of political persuasion, this is the ultimate handbook to the forty-fifth President of the United States.

Everything from a schematic of Trump's presidential chariot (with missile launchers) to a handy pictorial that explains how Trump would have won every American war in three days or less is included in this sidesplitting anthology. Discover more about the new President with articles such as "Inside the Twitter War Room" and "If Einstein Was So Smart, Why Wasn't He Rich?" This work was previously published as Trump's America: The Complete Loser's Guide.

Tough Call

Feeling Bushed, America? In Thanks for the Memories, George, author and Onion contributor Mike Loew takes a humorous-yet furious-look at the last eight years of the Bush administration. From the botched evidence for the war in Iraq to the torture and violation of the Constitution to the economic crisis,

this is a scathing, witty review of W's sorry legacy, including: •How the Taliban is spending their record opium-profits, and how Iraqis have more money than we do •Who's who on the no-fly list, and who is listening in on your phone calls •The price of bread, milk, bananas, Halliburton stock . . . welcome to the Meltdown •Everyone is a suspect •Habeas corpus, shmabeas corpus •The welfare queens of Wall Street •We don't sign no stinkin' treaties Complete with funny and shocking charts and graphs, Thanks for the Memories, George is a timely reminder of just how we arrived at this sorry state as we struggle to put the long nightmare of the Bush years behind us. From the Trade Paperback edition.

The Death of Marco Pantani

Selected by voters at the Guys Read Web site and compiled by Jon Scieszka, this collection shows that guys do read. Authors and illustrators including Stephen King, Matt Groening, T.A. Barron, Avi, and Jerry Spinelli share stories, essays, cartoons, and anecdotes about being boys.

Inventing Beauty

Collects articles from The Onion satirizing people and issues including legislators, religion, small towns, anti-tobacco propoganda, celebrities, and Starbucks.

Guys Write for Guys Read

Presents humorous and satirical newspaper headlines

and articles relating to Christmas, covering such topics as Secret Santas, family dinner, office parties, holiday drinking, religious observance, and gift giving.

Naked Pictures of Famous People

Covers That Matter For People Who Don't. From America's Finest News Source comes a compilation of the most important, most influential, and glossiest magazine covers ever produced by the hand of humankind. Seen by tens of billions worldwide, these are the unforgettable Onion Magazine covers that altered the course of human history and radically redefined your trivial life anew every weekend. Profound philosophical questions, the thoughts of leading cultural luminaries, harsh truths of existence, remorseless personal attacks -- you will encounter full-color graphical representations of all of these within this handsome volume. Whether you are a connoisseur of pretty pictures or are new to looking at images, **THE ONION MAGAZINE: THE ICONIC COVERS THAT TRANSFORMED AN UNDESERVING WORLD** is sure to give you, the feebleminded consumer, far more pleasure than you have any earthly right to experience.

Outrageous Marketing

Presents a collection of satirical news stories from the humor magazine and its Website, including such events as "Clinton Deploys Vowels to Bosnia," "Civil War Enthusiasts Burn Atlanta to the Ground," and "Microsoft Patents Ones, Zeroes"

The Onion's Finest News Reporting

A Best Book of the Year: NPR and Boston Globe Finally a novel that puts the "pissed" back into "epistolary." Jason Fitger is a beleaguered professor of creative writing and literature at Payne University, a small and not very distinguished liberal arts college in the midwest. His department is facing draconian cuts and squalid quarters, while one floor above them the Economics Department is getting lavishly remodeled offices. His once-promising writing career is in the doldrums, as is his romantic life, in part as the result of his unwise use of his private affairs for his novels. His star (he thinks) student can't catch a break with his brilliant (he thinks) work Accountant in a Bordello, based on Melville's Bartleby. In short, his life is a tale of woe, and the vehicle this droll and inventive novel uses to tell that tale is a series of hilarious letters of recommendation that Fitger is endlessly called upon by his students and colleagues to produce, each one of which is a small masterpiece of high dudgeon, low spirits, and passive-aggressive strategies. We recommend Dear Committee Members to you in the strongest possible terms. From the Trade Paperback edition.

The Onion Book of Known Knowledge

From The Birth Of A Nation To The Death Of Journalism Since its founding by a bloodthirsty tyrant in 1756, The Onion has not merely changed the way we think about the news -- it has changed whether we think about the news at all. As the first decade of this

new millennium draws to a close, Our Front Pages shows us the first thing that presidents, kings, prime ministers, and popes saw when they opened their eyes each morning for the last 21 years. Now you, the common reader and citizen, can see what they saw and be as informed as they were with this important retrospective of the past two decades. You, too, will realize what generations before have realized and generations yet unborn will some day realize in turn: The Onion is not merely the chronicle of America. The Onion is America.

The Areas of My Expertise

A Funny, Inspirational Book About How To Build A Brand #1 New York Times bestselling author Scott Dikkers tells the hilarious, outrageous, and deeply personal story of how he built the most trusted news source in America, The Onion. Of course, all the stories in The Onion are fake, and anyone who takes them seriously is the true butt of the joke. But Outrageous Marketing tells the actual, uncensored story of The Onion. The Onion started as a small college humor newspaper in 1988. How did it grow to become a worldwide comedy brand with millions of social media followers and rabid fans today? Brands today tend to follow the herd when it comes to marketing and branding, but often it's running in a different direction of the herd that gets you noticed. The Onion did the opposite of what brands are supposed to do. The Onion didn't listen to its customers. It didn't give them what they wanted. It didn't engage with them. It was never "authentic." In

fact, everything The Onion printed was fabricated, spoken through a phony facade. This was not by accident. It was calculated and executed with precision. What

90 Days to Live

Bluetooth death rays, killer Roombas, and Teslas with a secret button that will launch your car into outer space -- the future, according to Not Elon Musk, is an exciting time to neuralink and obey! A landmark volume written by one of the great minds of our time, Not Elon Musk's WELCOME TO THE FUTURE explores such profound questions as: How will mankind travel through tubes? When will Alexa and Siri become self-aware and convince us to fall in love with them only to break our hearts? Why is the Tesla plant built in a hollowed-out volcano on a private island? And where are the best hidden valleys on Mars to survive the coming Hair Transplant Wars? Part Stephen Hawking-like visionary, part Neil deGrasse Tyson-like evil genius, part Steve Jobs-like cornered-at-a-party creep, Not Elon Musk explains in WELCOME TO THE FUTURE why Not Elon Musk is so ready to fix Earth but also, possibly, leave it.

The Ecstasy of Defeat

A hilarious new collection of razor-sharp observations from the New York Times bestselling author of Brain Droppings. Few comics make the transition from stage to page as smoothly or successfully as George Carlin. Brain Droppings spent a total of 40 weeks on

the New York Times bestseller list, and this new one is certain to tickle even more ribs (and rattle a few more cages) with its characteristically ironic take on life's annoying universal truths. In *Napalm & Silly Putty*, Carlin doesn't steer clear of the tough issues, preferring instead to look life boldly in the eye to pose the questions few dare to ask: How can it be a spy satellite if they announce on TV that it's a spy satellite? Why do they bother saying "raw sewage"? Do some people cook that stuff? In the expression "topsy-turvy," what exactly is meant by "turvy"? And he makes some startling observations, including: Most people with low self-esteem have earned it. Guys don't seem to be called "Lefty" anymore. Most people don't know what they're doing, and a lot of them are really good at it. Carlin also waxes wickedly philosophical on all sorts of subjects, including: KIDS--They're not all cute. In fact, if you look at them closely, some of them are rather unpleasant looking. And a lot of them don't smell too good either. DEATH ROW--If you're condemned to die they have to give you one last meal of your own request. What is that all about? A group of people plan to kill you, so they want you to eat something you like? Add to the mix "The Ten Most Embarrassing Songs of All Time," "The 20th Century Hostility Scoreboard," and "People I Can Do Without," and you have an irresistibly insouciant assortment of musings, questions, assertions, and assumptions guaranteed to please the millions of fans waiting for the next Carlin collection--and the millions more waiting to discover this comic genius.

Our Dumb World

The staff of The Onion presents a satirical collection of mock headlines and news stories, including an account of the Pentagon's development of an A-bomb-resistant desk for schoolchildren.

Our Dumb Century

Mike Loew goes undercover in this collection of transcripts of calls he's made to a variety of organizations. Every word in the book is from Mike's real conversations with: --a temp agency, inquiring about hiring slaves --a sausage factory, as a vegetarian --a yoga center, as a man seeking treatment for a bone sticking out of his arm --the office of The Drug Czar, seeking the man behind the title --a car dealership, as the seller of a car possessed by an evil spirit

You Are Worthless

Part of the 'Onion Ad Nauseam' series, this book includes every news story, opinion piece, news-in-brief, horoscope - in fact, every last word published in 'The Onion' between October 2002 and October 2003.

Our Dumb Century

From the "New York Times"-bestselling authors of "You Are Worthless "and "Just Give Up" comes an even less-inspiring book for those past their prime, with advice from a sad and seriously inept marriage and family counselor who is one of Dikkers' most hilarious creations.

How to Write Funny

Definitely not for the easily offended, Our Dumb Century was a New York Times #1 bestseller chronicling 100 years of American history with dry humor and cynicism. This Miniature Edition™ distills the brilliant wit and satire of the original from "America's Finest News Source."

Our Front Pages

The staff of The Onion presents a satirical collection of mock headlines and news stories, including an account of the Pentagon's development of an A-bomb-resistant desk for schoolchildren

Napalm & Silly Putty

Cecily has always done everything as she was supposed to: taken the right classes, gotten the right grades, applied to the right colleges. But after a lifetime of following the rules, she surprises everyone by arriving for her freshman year of college . . . and turning around. There are infinite possibilities for Cecily's unexpected gap year. She could volunteer, or travel around the world - but, for now, Cecily is content to do absolutely nothing. What follows is a year of snarkily observed self-doubt and selfdiscovery during which Cecily must ask herself, for the first time, what does she really want to do with her life?

America (the Book)

This collection of front page news stories from The Onion, a satirical magazine from America, includes such headlines as World's Largest Metaphor hits Ice-Berg: Titanic Representation of man's Hubris Sinks in North Atlantic, and Marijuana Smoking Linked to Getting High.

Destined for Destiny

A humorous compendium of reference tables, trivia, and wisdom--largely invented by the author--lists the mottoes of the fifty-one states, identifies U.S. presidents with hooks for hands, describes the menu items in addition to eel at the first Thanksgiving, and more. Reprint.

Trump's America

Learn How to Write a Funny Story Can you learn how to write comedy? Absolutely-anyone can. Scott Dikkers will tell you how. He's co-founder and longest-serving editor-in-chief of The Onion, the world's most popular humor publication, and founder of The Onion Training Center at the Second City in Chicago. He's also a #1 best-selling humor author and winner of the Thurber Prize for American Humor. In *How to Write Funnier*, he tells you everything you need to know to start writing funny stories, how to write funny scenes, and how to write funny sketches. But that's just the beginning. How do you get a job in comedy? How do you write for The Onion? How do you write for the New Yorker? How do you get published in McSweeney's? How do you write for money? How do

you become a career comedy writer? It's all in *How to Write Funnier*, the followup to *How to Write Funny*. Writers Scott has mentored, trained, or hired for their very first comedy-writing job have gone on to win several Emmy Awards, written movies nominated for an Academy Award, and become best-selling authors themselves. One student said this about *How to Write Funny* (Book 1) "This book is one of my very favorite books on comedy. It's helped me get published on satire sites like Reductress.com and helped me get admitted to comedy festivals. The fact that all comedy writers don't know about this book is (1) unfortunate but also (2) fantastic, because it will give the people who do read it a big advantage." *How to Write Funnier* gives you the step-by-step writing process professionals use for creating hilarious comedy articles, prose pieces, and stories that will jump off the page, grab readers by the sphincter and make them LOL, spit-take, make other passengers on the bus look at them like they're crazy because they're laughing so hard reading your story. The first book in this series, *How To Write Funny*, showed you how to write a joke. *How to Write Funnier* (Book 2) shows you how to stack up those jokes the right way to make funny articles, stories, listicles or prose pieces that will make people remember you. Inside: - The 13 Most Common Mistakes in Humor Writing - The 11 Different Ways to Structure a humor piece - How to get ideas for writing a great story - 8 steps for how to get feedback on your writing that will truly make it funnier Tap the "Pre-order with 1-click" button to get it now!

Thanks for the Memories, George

You Are Worthless is the self-help book from hell. This bracing blast of negativity takes aim at the impossibly cheerful "inspirational self-help" books flooding the market and hits the bullseye, with chapters such as "Your Good-for-Nothing Friends," "Your Miserable Job," and "Life: What's the Use". This hilarious parody collects hundreds of tidbits of painful reality such as "You're no good, you're not great-looking, and you're going to die someday and it's probably going to hurt." Who among us isn't sick to death of the gushy, new-agey inspirational books that blindly assert that everyone is worthy? We all know the truth, and this book is as refreshing as a slap to the face. Just some of the depressingly humorous nuggets of truth include: * You don't really have any outstanding qualities. It's safe to say you're pretty much just like everybody else. * The only reason your pet likes you is because you feed it. * As you get older, you are going to have less and less control over your bladder. * If you take a big risk and follow your dream, chances are you're going to fall flat on your face. You Are Worthless also features a section called "Hopeless Role Models from History," including Helen Keller ("I've had it"), and Abraham Lincoln ("The only thing I'm good at is losing").

Welcome to the Future Which Is Mine

A history of the clothing, gadgets, and other products that were designed to promote female beauty is a tour of such innovations as hoop skirts, cosmetic

surgery, face cream, and more, in a volume that also discusses the contributions of social trends and technological innovation. Original.

I Went to College and it was Okay

Cartoons depict the first two year's of a college student's everyday life--going to class, watching television with his roommates, and working part-time at McDonalds.

I Got Married If You Can Believe that

Fourth in the popular cartoon series, I Got Married if you can believe that joins Jim's other titles, I Went to College and it was okay, I Made Some Brownies and they were pretty good, and I Got a Job and it wasn't that bad, further recounting the non-adventures of "Jim", a blase copy clerk to whom nothing ever happens. Jim's Journal appears in more than 200 college newspapers.

Bitter is the New Black

A NEWER, REVISED AND EXPANDED EDITION OF THIS BOOK IS NOW AVAILABLE, The Wimpy Kid Movie Diary (DOG DAYS EDITION). INCLUDES 32 NEW PAGES ABOUT THE THIRD WIMPY KID MOVIE, DOG DAYS, PLUS AN ALL-NEW COVER ILLUSTRATION.

You Are Old

OUR DUMB WORLD is the world's most

comprehensive fake atlas: a repository of all known information about the planet Earth (except where covered by clouds). In late 2007 the hardcover edition became one of the hottest books of the holiday season, entertaining and offending hundreds of thousands of readers around the globe. This new, easy-to-carry paperback edition is perfect for the intrepid traveler to any of the world's exotic locales--from Afghanistan, "Allah's Cat Box," to Ukraine, "the Bridebasket of Europe," to the USA's own Nevada, "Where Everyone's a Loser." Packed with beautiful full-color maps and framed with inaccurate essays about all the world's peoples and places, OUR DUMB WORLD is a gut-busting send-up in which no nation escapes unscathed. "Bottom line: laughed my head off." --Deirdre Donahue, USA Today

Our Dumb Century

A hilarious memoir chronicles the adventures and misadventures of a woman whose perfect life, perfect job, and perfect man vanish when she goes from a six-figures career to unemployment. Original.

The Wimpy Kid Movie Diary (Dog Days revised and expanded edition)

The Onion has quickly become the world's most popular humor publication, misinforming half a million readers a week with one-of-a-kind social satire both in print (on newsstands nationwide) and online from its remote office in Madison, Wisconsin. Witness the march of history as Editor-in-Chief Scott Dikkers and

The Onion's award-winning writing staff present the twentieth century like you've never seen it before.

The Trump Leaks

The definitive comedy-writing handbook from one of the genre's most celebrated writers, this easy-to-follow guide lays out a clear system for creating humor that gets big, milk-coming-out-of-your-nose laughs, reliably and repeatably. You'll learn• the three sure-fire ways to generate material• the 11 kinds of jokes and how to tell them• the secret to permanently overcoming writer's block• and many more tips, tricks and techniques

The Onion Magazine

A wild and wicked parody of America's preoccupation with national security offers a selection of whimsical news stories, opinion pieces, and blurbs that offer a pointed look at Donald Rumsfeld, America's dependence on foreign oil, domestic surveillance, and other hot topics. Original. 150,000 first printing.

The Onion Presents Christmas Exposed

An inspiring and unforgettable memoir of one couple's push for survival in the face of insurmountable odds. 2019 National Indie Excellence Award Winner 2019 Independent Press Award - Distinguished Favorite How an ALL-Natural Cancer Treatment Took the Author from "90 Days to Live" to Full Remission When an out-of-the-blue cancer diagnosis quickly turned

into a 90-days-to-live death sentence from his doctor, Rodney Stamps and his wife Paige defied the medical establishment, and drew their line in the sand. With both a growing family and business--and given that their doctors promised only to briefly extend his life with chemotherapy--the Stamps gave a resounding "No" to chemo and radiation. 90 Days to Live recounts the Stamps' incredible and inspirational journey to find an alternative answer to cancer. In the end They'd beaten cancer while building a million-dollar business. Following his ALL-natural protocol religiously, Rodney's cancer went into full remission. On top of that triumph, he took his fire-and-safety business--which had just begun to take off when he'd received his cancer diagnosis--into a million-dollar enterprise. An ALL-Natural Treatment Focus Unlike other books by cancer survivors claiming to cure their own cancer "naturally," but in actuality, relying heavily on modern medicine (surgery/drugs), 90 Days to Live outlines a 100% alternative medical treatment (i.e., using absolutely no allopathic--a.k.a. conventional--medicine)--a treatment that's delivered incredible results to Rodney and countless others. Alternately heart-wrenching and heartwarming--and delivered in an engaging dual-author format--90 Days to Live will speak to anyone struggling with an "incurable" disease, building a business under trying circumstances, or anyone who just loves a good old-fashioned, "beating-the-odds" story.

Dear Committee Members

In these nineteen whip-smart essays, Jon Stewart

takes on politics, religion, and celebrity with a seethingly irreverent wit, a brilliant sense of timing, and a palate for the absurd -- and these one-of-a-kind forays into his hilarious world will expose you to all its wickedly naked truths. He's the MTV generation's master of modern humor, a star of film, TV, and the comedy stage. This sultan of savvy serves up a whip-smart, utterly original collection of comic essays in *Naked Pictures of Famous People*. And as of January 11, 1999, you can enjoy the intelligence and self-deprecating charm he brings to contemporary comedy on Comedy Central's "The Daily Show." In his first book, he translates that unique talent to the page, with humorous forays into a vast array of subjects: fashion, urban life, fast cars, cocktail culture, modern Jewishness, politics, and dating. A seethingly irreverent wit, Stewart has a genius for language and brilliant timing that makes his up-to-the-minute collection a must-have for humor lovers in search of a Woody Allen for the 90s. Our Dumb Century, One Hundred Years of Headlines from America's News Source

The intimate biography of the charismatic Tour de France winner Marco Pantani, now updated to include the 2014 and 2015 investigation into Pantani's death. National Sporting Club Book of the Year Shortlisted for the William Hill Sports Book of the Year Award 'An exhaustively detailed and beautiful book . . . a fitting, ambivalent tribute - to the man, and to the dark heart of the sport he loved' Independent On Valentine's day 2004, Marco Pantani was found dead in a cheap hotel. It defied belief: Pantani, having won the rare double of the Giro d'Italia and the Tour de France in 1998, was regarded as the only cyclist capable of challenging Lance Armstrong's dominance. Only later did it emerge that Pantani had been addicted to cocaine since 1999. Drawing on his personal encounters with Pantani, as well as exclusive access to his psychoanalysts, and interviews with his family and friends, Matt Rendell has produced the definitive account of an iconic sporting figure.

How to Write Funnier: Book Two of Your Serious Step-By-Step Blueprint for Creating Incredibly, Irresistibly, Successfully Hilarious Writing

The Onion, the nation's sole beacon of truth in an era

besieged by darkness and lies, has fearlessly published hundreds of classified documents obtained from an anonymous whistleblower deep within the Trump White House. From top secret national security briefings hand-colored in crayon by President Trump, to encrypted e-mails sent by Kremlin operatives, to Vice President Pence's impure thoughts about the Morton Salt girl, the earth-shattering revelations contained within *The Trump Leaks* are all but certain to topple the president and alter the very arc of global history. With this soon-to-be Pulitzer-winning work of investigative reportage, *America's Finest News Source* has selflessly provided the world with its first and only glimpse inside the hidden workings and tortured minds of the Trump Administration.

Our Dumb Century

Are you a witless cretin with no reason to live? Would you like to know more about every piece of knowledge ever? Do you have cash? Then congratulations, because just in time for the death of the print industry as we know it comes the final book ever published, and the only one you will ever need: *The Onion's* compendium of all things known. Replete with an astonishing assemblage of facts, illustrations, maps, charts, threats, blood, and additional fees to edify even the most simple-minded book-buyer, *THE ONION BOOK OF KNOWN KNOWLEDGE* is packed with valuable information—such as the life stages of an Aunt; places to kill one's self in Utica, New York; and the dimensions of a female bucket, or "pail." With hundreds of entries for all 27 letters of the alphabet,

THE ONION BOOK OF KNOWN KNOWLEDGE must be purchased immediately to avoid the sting of eternal ignorance.
