Suitable for ages 3-7, this book combines the fun of coloring with the thrill of folding and flying paper airplanes. Two copies of a dozen different themes include princess planes, jungle jets, and other playful motifs.

Championship Paper Planes

One paper plane flies straight and fast and true. Dylan's. Twelve-year-old Dylan Webber lives in outback Western Australia in a small country town. When he discovers he has a talent for folding and flying paper planes, Dylan begins a journey to reach the World Junior Paper Plane Championships in Japan. Along the way he makes unlikely new friends, clashes with powerful rivals and comes to terms with his family's past before facing his greatest challenge - to create a paper plane that will compete with the best in the world. Steve Worland brings you the exciting, heartwarming story of Paper Planes, adapted from the award-winning family film that features a cast of Australia's finest actors, including Sam Worthington, Deborah Mailman, David Wenham and Ed Oxenbould.

Are You Ready for the Challenges?

The World's Greatest Paper Airplane and Toy Book

An awesome celebration of a timeless pastime, this book collects constructible paper airplanes—and a few other airplane-inspired crafts—created by some of today's hottest artists. Featuring work from rising stars and indie darlings from the aptly named artists' collective littlepaperplanes.com, including Gemma Correll, Michael Hsiung, Julia Rothman, Alyson Fox, and Lisa Congdon, these patterns take the paper plane to a whole new level. Printed on perforated pages for easy removal and assembly, the planes are accompanied by instructions, artist interviews, and loads of cool visuals. From paper doll planes and shark planes to plane mobiles and mix-and-match gliders, this delightful collection is jam-packed with creative ideas sure to launch the imagination into flight.

High-Performance Paper Airplanes

Fold and fire aerodynamic paper airplanes dozens of feet into the air with this easy origami ebook. High Performance Paper Airplanes presents a collection of realistic origami paper airplanes from well-known author and paper aviation expert Andrew Dewar. Dewar has spent decades perfecting the art of folding easy paper airplanes that both look great and fly well. This new series takes paper airplanes to new heights—literally! The planes can be fired high into the air with a rubber band launcher and are designed to circle down for a long time. The airplane designs are also printed in full-color on both sides and pre-cut so you just need to push them out and assemble them using a bit of glue. Although fun for folders of any age, these paper plane designs are so simple that they can be considered "origami-for-kids" projects and are a great way to learn origami. The origami airplanes range from simple designs that can be assembled in under a minute to detailed scale replicas that look and fly like the real thing. The included instructional origami book not only explains how to assemble each plane, but how to fine-tune it to coax the best performance. Helpful tips for hosting competitions with your friends, and suggestions for designing your own origami airplane models are also included. This paper airplanes ebook contains: 46 page, full-color origami book Clear step-by-step instructions Tips on building and flying paper planes 10 paper airplane models Colorful and realistic designs Fun to build and amazing to fly, these beautiful models are guaranteed to turn heads and draw a crowd of spectators every time you fly them. Using the rubber-band catapult and with a bit of practice, you'll be able to launch paper planes that remain aloft for 30 to 60 seconds—and more! Paper airplane models include: Hornet Tiger Eclipse Zero Corsair And many more...

Paper Planes

Paper airplanes as serious science? No longer shamefully relegated to the back rows of elementary-school sports stadiums, paper airplanes come into their own with this amusing -- and instructive -- book. The *Great International Paper Airplane Book* documents the proceedings of the first (and possibly only) International Paper Airplane Competition conducted by *Scientific American*. In addition to the behind-the-scenes story and official records of the Competition, readers will discover intriguing mini-essays on the historical, aesthetic, technological, and folkloric aspects of the paper airplane and on its startling implications for the future of aviation. Best of all, there are dozens of cut-fold-and-fly-them-yourself planes to experiment with. Combining real science with outright fun, this book appeals to paper airplane enthusiasts and would-be aviators of every age.

Paper Planes is a compilation of twenty years of life's struggles, loves lost and found, and my never-ending pursuit to be known.

Little Paper Planes

A poignant, often laugh-out-loud funny and unforgettable snapshot of small-town adolescence and the heart-stopping power of female friendship for fans of Caitlin Moran and Lena Dunham. I just can't imagine me without you It's the mid-1990s, and fifteen year-old Guernsey schoolgirls, Renée and Flo, are not really meant to be friends. Thoughtful, introspective and studious Flo couldn't be more different to ambitious, extroverted and sexually curious Renée. But Renée and Flo are united by loneliness and their dysfunctional families, and an intense bond is formed. Although there are obstacles to their friendship (namely Flo's jealous ex-best friend and Renée's growing infatuation with Flo's brother), fifteen is an age where anything can happen, where life stretches out before you, and when every betrayal feels like the end of the world. For Renée and Flo it is the time of their lives. ----- 'A really gorgeous and nostalgic read' Marie Claire 'As brilliant as you would expect . . . Funny, sad and incredibly poignant' Stylist 'Funny and touching . . . a must for anyone who has experienced the joy - and pain - of teenage friendship' Grazia 'She has nailed every high school girl's defining moments' Jo Elvin, editor, Glamour

Where To Download Paper Planes Book

'Paper Planes and Hopes' is a collection of free verse poems and prose. You think you are not there yet? You are not alone. There are so many emotions one goes through before they get to taste the satisfaction of being there where they are meant to be. This book is for the thinkers. The ones who want to be well in-tuned with their inner self. Those who want to have a hold over their actions and emotions to succeed in life at all levels and for those seeking a brighter tomorrow. The purpose of this book is to motivate the reader to move forward in life. The little everyday happenings may bother you but, do not ever take your eyes off the bigger picture. And so what, if the bigger picture in itself is blurry? The confusion, the anxiety is all what will make the better days more brighter. The author has beautifully woven in these poems- her personal emotions, things that moved her and life experiences. Her thought provoking words in this book will guide you and broaden your vision. They'll compel you to ponder deep over different aspects of your own life, awaken your consciousness with deeper understanding of your own self. Thus, help you at taking better life decisions and leading you to a happier life. These poems and prose are for today's readers, who are always on the go. Most of them don't have much time or patience to sit down and read a whole book at one stretch. They are often disconnected and would rather read something which is like a quick read than something very lengthy. Everything in this book is like different pearls beaded in one fine necklace. It's all in a connected motion and yet not a continuation of each other. So every page that the reader opens, he'll find something very relatable that would move and motivate him or something that would make him think deep upon.
