An inspirational and instructional Bible lesson about the life of Joseph the son of Jacob. This story is about the shaping of God's people and the developing of forgiveness, generosity, love, understanding, and leadership. Joseph, a type of Savior, sadly, but out of necessity, had to experience the full consequences of hatred and rejection from his jealous and cruel brothers. When Joseph saw the ten foreigners he recognized them instantly; a déjà-vu experience poignantly confronted him. Emotions engulfed his being as the profound dreams he had had as a young lad flooded back into his memory. The brothers didn't recognize him because in their minds Joseph existed only as a deep repressed memory. So Joseph kept his identity quiet and spoke officiously and suspiciously to them.

Diane Alders is a successful, workoholic sales executive in the medical field who has a void in her heart as a result of the tragic death of her husband seven years ago. Mickey Rollins is a genius and entrepreneur about to introduce a revolutionary new therapy that will 'repair' injured or impaired brains. Their sputtering romance hits full speed when Mickey invites Diane to accompany him on a lavish and bizarre vacation to the exotic South Seas intended to stretch their senses, fulfill wild dreams, and bring them closer together. Disaster strikes, and it is Diane who becomes Mickey's first human test subject. There's a catch...the healing process requires a surrogate, and Mickey chooses their mutual friend, lover and temptress—the beautiful Suki. The resurrection of Diane that transpires is not only a transfer of physical and cerebral attributes, but a blending of relationships, feelings, and emotions, drawing many into the fray, ending as shockingly as it begins.

This coloring book is completely unique. Every image here came from someone's photo of their pet. That photo was then turned into line art and a border put around it that is exclusive to each pet's page. Then the pet's name is added, which can also be colored in. The result is a totally personalized experience for each person and their pet. Something you can't find anywhere else. It's such a thrill to see you own pet featured in a full size coloring book. Kids and grandkids get so excited when they see their pet in a book, and love sharing it with their friends. And after they color it in, it's just as exciting to show their family how adorable their pet looks now that they've added their own loving touch to the picture. It's almost impossible to go through this coloring book and not smile. The pets are not posing they're just being themselves wonderful and adorable. And now you can relive that moment with them as you add color to the border and image itself. Enjoy this creative way to connect with your pet and the others in this coloring book. What's Your Green Goldfish?

What's Your Green Goldfish is based on the simple premise that employees are the key drivers of customer experience and that "Happy Employees Create Happy Customers." The book focuses on 15 different ways to drive employee engagement and reinforce a strong corporate culture. It's the second book in the goldfish trilogy. The first book was an Amazon Best Seller entitled, What's Your Purple Goldfish. Purple focused on customers, whereby Green focuses on employees. Both books are based on a revolutionary new approach called marketing g.l.u.e. (marketing by giving little unexpected extras). The book is based on the findings of the Green Goldfish Project, an effort which crowd sourced 1,001 examples of signature added value for employees. Key themes emerged from the Project. The book is filled with over 200 examples. PRAISE FOR WHAT'S YOUR GREEN GOLDFISH "Stan is the sherpa that guides executives along the journey between the heart and mind of business stakeholders. Stakeholders aren't always customers though. At a time when company vision and culture matters more than ever, it takes inspired and engaged employees to bring them to life." - Brian Solis, author of What's the Future of Business #WTF, The End of Business as Usual and Engage "So often overlooked, and so very vital to building company value empowering employees to support each other and the brand. Stan Phelps 'gets' it and Green Goldfish will walk you step-by-step though achieving this critical goal." - Ted Rubin, author of Return on Relationship "Great customer centric organizations only exist because of engaged and empowered employees. The Green Goldfish is packed with awesome examples of what world class companies are doing today to inspire and reward their employees. If you see value in truly building an "A Team," Green Goldfish will be, without question, your single best reference." - Chris Zane, Founder and President of Zane's Cycles, author of Reinventing the Wheel, the Science of Creating Lifetime Customers "Stan Phelps takes customer service to a whole new level by focusing on EMPLOYEE service, and how to do well by your employees - so they take care of your customers. Packed with stories, insights and R.U.L.E.S. any company can follow, this book is a must-read for managers of companies of all shapes and sizes who know that employees don't leave jobs - they leave managers, especially when they don't feel your love and appreciation. Pick this up, and start engaging your team and making more GREEN - Phil Gerbyshak, author of The Naked Truth of Social Media "Our large-scale research shows unequivocally that engaged employees are more likely to work longer, try harder, make more suggestions for improvement, recruit others to join their company, and go out of their way to help customers. They even take less sick time. Companies can tap into the enormous value of engaged employees by following the 15 ideas that Stan lays out in this book." - Bruce Temkin, author of The Six Laws of Customer Experience "Too often, the actual employment experience delivered on the job does not measure up to the version sold to job candidates during the interview process. In What's Your Green Goldfish, Stan Phelps offers 15 ways to close the gap." - Steve Curtin, author of Delight Your Customers: 7 Simple Ways to

Raise Your Customer Service from Ordinary to Extraordinary (AMACOM, June 2013)
"In What's Your Green Goldfish, Stan Phelps brilliantly applies the idea of 'doing a little something extra' for employees. You know, those people that actually get the work done and keep customers happy. Read it, put some of the ideas to work, and soon you'll be reaping more 'green' from your customers." - Bob Thompson, Founder and CEO, CustomerThink Corp.
