“Kinsella has a genuine gift for comic writing.”—The Boston Globe Life has been good to Becky Bloomwood: She’s become the top personal shopper at Barneys and she’s living happily with her boyfriend, Luke, in Manhattan’s West Village. But with her best friend, Suze, engaged, how can Becky fail to notice that her own ring finger is bare? Not that she’s been thinking about marriage (or diamonds) or anything. Then Luke proposes! Problem is, two other people are planning her wedding: Becky’s overjoyed mother—who has been waiting forever to host a backyard wedding, with the bride resplendent in Mum’s frilly old gown; and her high-society soon-to-be mother-in-law—who insists on a glamorous, all-expenses-paid affair at the Plaza. Both weddings, on separate continents, on the same day . . . and Becky can’t seem to turn down either one. Can everyone’s favorite shopaholic tie the knot before everything unravels? BONUS: This edition contains an excerpt from Sophie Kinsella’s Shopaholic to the Stars. Praise for Sophie Kinsella and Shopaholic Ties the Knot “Witty and hilarious.”—Cosmopolitan (U.K.) “Another entertaining entry in Kinsella’s unabashedly fluffy Shopaholic series . . . chock-full of the charming antics and asides that made the first two installments hilarious best-sellers.”—Booklist “Kinsella’s Bloomwood is plucky and funny. . . . Angelica Stone

"During the [Khmer Rouge] regime, precious objects were closely guarded out of fear. Some were wrapped in plastic and buried underground, others were carefully hidden within household utility objects like pots or kettles, in the hope that they would not be found until reaching safety. Alive is an ongoing project by Cambodian artist Kim Hak that brings these objects into close view, exploring the stories of conflict and personal tragedy they carry with them. For the project Hak, who is

based in Phnom Penh, met 12 families who came to New Zealand as refugees in the 1970s and 1980s. He documented the objects that travelled with them as they moved through border camps, refugee centres and ultimately as they settled to start new lives in Auckland. In this exhibition, the photographs appear alongside some of the actual objects. Alive demonstrates the power and importance objects can play in our lives, as vessels for memory and markers of change. The exhibition serves to celebrate Cambodian communities living in Aotearoa, creating a moment for greater understanding of their experience of extraordinary conflict and sacrifice."--ObjestSpace website.

She's worried that her mom and dad are running from some kind of trouble, but she can't find out because they won't tell her where they are going. Hilarious, Heartwarming Heroines: Four Novels

#1 New York Times bestselling author Sophie Kinsella returns with a festive new Shopaholic adventure filled with holiday cheer and unexpected gifts. “Funny, charming, and the perfect read to get into the holiday spirit.”—PopSugar ‘Tis the season for change and Becky Brandon (née Bloomwood) is embracing it, returning from the States to live in the charming village of Letherby and working with her best friend, Suze, in the gift shop of Suze’s stately home. Life is good, especially now that Becky takes time every day for mindfulness—even if that only means listening to a meditation tape while hunting down online bargains. But Becky still adores the traditions of Christmas: Her parents hosting, carols playing on repeat, her mother pretending she made the Christmas pudding, and the neighbors coming ‘round for sherry in their terrible holiday sweaters. Things are looking cheerier than ever, until Becky’s parents announce they’re moving to ultra-trendy Shoreditch—unable to resist the draw of craft beer and smashed avocados—and ask Becky if she’ll host this year. What could possibly go wrong? Becky’s sister demands a vegan turkey, her husband insists that he just wants aftershave (again), and little Minnie needs a very specific picnic hamper: Surely Becky can manage all this, as well as the surprise appearance of an old boyfriend-turned-rock star and his pushy new girlfriend, whose motives are far from clear. But as the countdown to Christmas begins and her bighearted plans take an unexpected turn toward disaster, Becky wonders if chaos will ensue, or if she’ll manage to bring comfort and joy to Christmas after all. Praise for Christmas Shopaholic “Kinsella’s popular heroine, Becky Bloomwood Brandon, is back for a delightful ode to shopping, in the engaging eighth Shopaholic novel, this time with a Christmas theme. . . . Becky is as whimsical and wonderful as ever. . . . Kinsella delivers a solid and laugh-out-loud funny installment that longtime readers and new fans alike will gleefully devour.”—Publishers Weekly

Can You Keep a Secret?

For Rebecca Bloomwood, life is peachy. She has a job on morning TV, her bank manager is actually being nice to her, and when it comes to spending money, her new motto is Buy Only What You Need - and she's really (sort of) sticking to it. The icing on the brioche is that she's been offered a chance to work in New York. New York! The Museum of Modern Art! The Guggenheim! The Metropolitan Opera House! And Becky does mean to go to them all. Honestly. It's just that it seems silly not to check out a few other famous places first. Like Saks. And Bloomingdales. And Barneys. And one of those fantastic sample sales where you can get a Prada dress for \$10. Or was it \$100? Is Becky too dazzled to care? .
