40 Fabulous Social Studies Activities

It's fun to learn the Who Was? way! Introducing a new series of workbooks that explore Social Studies and Science topics for curious kids and Who Was? fans alike. Fans of the Who Was? series are sure to love this workbook filled with reading passages based on their favorite historical figures! The interactive writing prompts at the end of each passage make the educational material more engaging, and allow young learners to apply the skills they've been practicing in an exciting, and creative way. With material that aligns with national Common Core Standards and is vetted by a top educational consultant, Who Was? Workbooks are designed to reinforce social studies and science lessons introduced in the classroom in an accessible way for young learners everywhere. This workbook also includes stand-alone activities like crossword puzzles, fill-in-the-blank word games, and word searches that readers can solve for extra Who Was? fun!

Core Skills Social Studies, Grade 6

Supplement your social studies curriculum with 180 days of daily practice! This essential classroom resource provides teachers with weekly social studies units that build students' content-area literacy, and are easy to incorporate into the classroom. Students will analyze primary sources, answer text-dependent questions, and improve their grade-level social studies knowledge. Each week covers a particular topic within one of the four social studies disciplines: history, economics, civics, and geography. Aligned to the National Council for the Social Studies (NCSS) and state standards, this social studies workbook includes digital materials.

Collins Caribbean Social Studies - Workbook 2

Everything You Need to Ace American History in One Big Fat Notebook

These all-inclusive skills resources provide the focused practice students need to apply, reinforce, and review skills in reading, math, and test-taking. Answer key included.

Super Social Studies

Essential alphabet writing practice for preschool and kindergarten.

The Middle Ages

Collins Social Studies for the Caribbean is a content and activity-led course set in contexts relevant to the Caribbean and suitable for lower-secondary students everywhere. It has been specially developed to help students develop the skills they need for success in social studies.

180 Days of Social Studies for Kindergarten

These cost-effective, innovative, full colour Social Studies workbooks are designed to be used for homework, revision or class-work in New Zealand Social Studies classes. Skills units are self-contained and can be approached in any order, examples: analysing maps, cartoons, photos; making flow charts, timelines, problem-solving, paragraph writing, multi-choice questions, visual information, perspective etc. Settings are widely used in New Zealand schools, examples: Human Rights, Our Economy, Kiwiana, Multiculturalism, Waitangi Day, Environmental Disasters etc.

Discovering the World of Geography, Grades 7 - 8

40 engaging before, during, and after-reading activities and reproducibles that help students get the most from textbooks and other nonfiction.--[front cover].

McGraw-Hill Education Social Studies Workbook for the GED Test

Supplement your social studies curriculum with 180 days of daily practice! This essential classroom resource provides teachers with weekly social studies units that build students' content-area literacy, and are easy to incorporate into the classroom. Students will analyze primary sources, answer text-dependent questions, and improve their grade-level social studies knowledge. Each week covers a specific American social studies topic within one of the four disciplines of social studies: history, economics, civics, and geography. Aligned to the National Council for the Social Studies (NCSS) and state standards, this social studies workbook includes digital materials.

My Skills Book

Offers a six-level course for primary and all-age schools. This book introduces a concept in course material for the Caribbean. It includes many Social Studies activities, and is illustrated with photographs and colour artwork.

Who Was? Workbook: Grade 2 Science/Social Studies

It's the revolutionary American history study guide just for middle school students from the brains behind Brain Quest. Everything You Need to Ace American History . . . covers Native Americans to the war in Iraq. There are units on Colonial America; the Revolutionary War and the founding of a new nation; Jefferson and the expansion west; the Civil War and Reconstruction; and all of the notable events of the 20th century—World Wars, the Depression, the Civil Rights movement, and much more. The BIG FAT NOTEBOOK™ series is built on a simple and irresistible conceit—borrowing the notes from the smartest kid in class. There are five books in all, and each is the only book you need for each main subject taught in middle school: Math, Science, American History, English Language Arts, and World History. Inside the reader will find every subject's key concepts, easily digested and summarized: Critical ideas highlighted in neon colors. Definitions explained. Doodles that illuminate tricky concepts in marker. Mnemonics for memorable shortcuts. And quizzes to recap it all. The BIG FAT NOTEBOOKS meet Common Core State Standards, Next Generation Science Standards, and state history standards, and are vetted by National and State Teacher of the Year Award-winning teachers. They make learning fun, and are the perfect next step for every kid who grew up on Brain Quest.

First Grade Essentials for Social Studies: Everything You Need - In One Great Resource!

Supplement your science curriculum with 180 days of daily practice! This invaluable classroom resource provides teachers with weekly science units that build students' content-area literacy, and are easy to incorporate into the classroom. Students will analyze and evaluate scientific data and scenarios, improve their understanding of science and engineering practices, answer constructed-response questions, and increase their higher-order thinking skills. Each week covers a particular topic within one of three science strands: life science, physical science, and Earth and space science. Aligned to Next Generation Science Standards (NGSS) and state standards, this resource includes digital materials. Provide students with the skills they need to think like scientists with this essential resource!

McGraw-Hill Education Language Arts Workbook for the GED Test, Second Edition

All new for the new GED test! Drills and exercises you need to ace the Social Studies section The GED test includes a Social Studies section covering civics, U.S. history, economics, and geography. This workbook provides the focused practice you need to earn a passing score on this section. McGraw-Hill Education Social Studies Workbook for the GED® Test provides intensive practice in all of the national Social Studies standards topic areas covered by the new test. Drills and exercises reinforce learning and assess your progress.

Caribbean Social Studies

A simple Geography course that introduces and explains basic geographical terms and surface features, and introduces the purpose and structure of globes and maps. Twelve of the 30 lessons are stories about children around the world. The meaning and use of the new words used are taught by fill-in-the-blank exercises.

Social Studies Skills Book 2 Teachers Guide

The teacher guide is a full colour resource. It contains complete answers overlaid on the actual pages of Social Studies Skills Book 2.

Pearson My World Social Studies

180 Days of Science for First Grade

What does it mean to make a difference? It means challenging ourselves every day to make the world better, in small ways and large. Today, it's more important than ever that we show our students what it means to be citizens of this nation - that respect, caring, responsibility, fairness, courage, and honesty are the pillars that make us strong. Scott Foresman Social Studies helps you make a difference. With rich content that captures students' imaginations and built-in reading and vocabulary instruction, your students will not only be learning, they'll be preparing for success on high-stakes state and national tests. Plus, exciting lessons from Colonial Williamsburg, the nation's largest living history museum, give your students unique opportunities to connect with the past. Take a look and you'll see that Scott Foresman Social Studies truly makes a world of difference! Freedom to read and succeed. Freedom to learn. Freedom to act. Freedom to teach. Scott Foresman Teaching Freedom.

Comprehension Activities for Reading in Social Studies and Science

Supplement your social studies curriculum with 180 days of daily practice! This essential classroom resource provides teachers with weekly social studies units that build students' content-area literacy, and are easy to incorporate into the classroom. Students will analyze primary sources, answer text-dependent questions, and improve their grade-level social studies knowledge. - Complete coverage of all the RLA questions topics that you will find on the test
- A pretest to help you pinpoint your

strengths and weaknesses • Extensive examples of the latest question types • A posttest modeled on the actual exam that will give you a realistic test-day experience The bonus Flashcard App includes 100 cards that will help you review key topics spanning all 4 GED sections. (See inside front cover for more information.) The learning objectives in this book are based on the Common Core State Standards. This means that you can use this book as a base for study on all high school equivalency exams.

People and Places

These all-inclusive skills resources provide the focused practice students need to apply, reinforce, and review skills in reading, math, and test-taking. Answer key included.

Core Skills Social Studies, Grade 5

This comprehensive activity book and curriculum guide contains all you need to make history come alive for your child! Don't just read about history—experience it! Color a picture of a Viking warrior, make an edible oasis, create a Moorish ruler's turban and Aztec jewelry and more. Designed to turn the accompanying book *The Story of the World: Volume 2: The Middle Ages* into a complete history program, this Activity Book provides you with comprehension questions and answers, sample narrations, maps and geography activities, coloring pages, lists of additional readings in history and literature, and plenty of simple, hands-on activities all designed for grades 1-4.

Our Father's World

Pre GED Skill Workbook Social Studies

Supplement your social studies curriculum with 180 days of daily practice! This essential classroom resource provides teachers with weekly social studies units that build students' content-area literacy, and are easy to incorporate into the classroom. Students will analyze primary sources, answer text-dependent questions, and improve their grade-level social studies knowledge. Each week covers a particular topic within one of the four social studies disciplines: history, economics, civics, and geography. Aligned to the National Council for the Social Studies (NCSS) and state standards, this social studies workbook includes digital materials.

180 Days of Spelling and Word Study for Second Grade

Provides sample questions and answers, recommended readings, maps, and activities.

180 Days of Social Studies for Sixth Grade

Supplement your language arts block with 180 days of daily spelling and word work practice! This second grade spelling workbook provides teachers with weekly spelling and word study units that are easy to incorporate into the classroom or home. Perfect for after school, intervention, or homework, teachers and parents can help students gain daily practice through these quick activities that correlate to state and national standards. Arranged into weekly units, the worksheets feature fun activities for second grade students such as analogies, word sorts, homophones, sentence completions, sentence types, inflectional endings, prefixes, suffixes, synonyms, antonyms, and more! The repetitive structure helps students focus on the words rather than the activities and allows for more independent practice. Provide fun, engaging, and purposeful practice for your students with this must-have student workbook that includes digital materials.
