Since the industrialization and urbanization of the Western workforce, tanned skin has been perceived increasingly as attractive and fashionable for naturally light-skinned individuals. However, in addition to causing tanning, photo-aging, and other health effects, ultraviolet radiation (UV) is a well-known carcinogen. Despite wide-spread awareness of UV risks, tanning has become increasingly popular in several Western countries including the USA. While millions of individuals tan indoors each day, relatively little is known about this phenomenon. This book fills that gap by providing an overview of indoor tanning, reasons for its popularity, its risks including skin cancers, and the public health context surrounding the behavior. We have invited some of the preeminent experts in the field to summarize the existing scientific literature for each of the chapters. *Shedding Light on Indoor Tanning* is an up-to-date and comprehensive book that provides a unique and essential overview of the most significant current issues related to indoor tanning for scientists, educators, students, clinicians, and the general public interested in dermatology, aesthetic trends, skin care, and skin cancer.

Records Of The American Catholic Historical Society Of Philadelphia;

Mariano Rivera nunca soñó en llegar a ser un atleta profesional. Él nunca coleccionó tarjetas de béisbol, ni jugó en Pequeñas Ligas ni vitoreó a su equipo en una Serie Mundial. Él tampoco oyó hablar de Babe Ruth, Lou Gehrig, Joe DiMaggio o Mickey Mantle. Pero un día, todo cambió. De ser un niño que jugaba con sus amigos en Panamá hasta ser un deportista exitoso con los Yankees de Nueva York, la vida de Mariano se convirtió en algo grandioso que jamás él pensó. Cuando él se para en el montículo no oye a la multitud, sólo oye la voz del árbitro gritando: "¡Strike!". Es el compañero de juego en el que puedes confiar, aun cuando las bases están llenas en la parte baja de la novena entrada. Sea que lo conozcas como Mo o como el "Sandman", Mariano es El cerrador y esta es su historia. Lleno de consejos para atletas jóvenes y anécdotas del equipo de los Yankees, El cerrador: Edición juvenil es una inspiradora historia de perseverancia, espíritu deportivo y dedicación que han definido la vida de una leyenda del béisbol.
