The highly anticipated and epic conclusion to the Chasing Red duology "Red," Caleb whispered. "Do you know how I felt when you left me?" I looked into his eyes. The emotion I saw in them, the intensity, and the tenderness filled up my throat. "I felt ruined. Because, Red, every time you break me apart, you put me back together. And I always come out better than before." "So," he cupped my face, stroking my cheek with his thumb. "Ruin me." Chasing Red Duology: Chasing Red (Book 1) Always Red (Book 2) Praise for Chasing Red: "Chasing Red is a perfectly sweet romance, with just the right amount of spice."—Foreword Reviews "Readers will be chomping at the bit while waiting for the next installment!"—RT Book Reviews "Readers will swoon over Caleb."—Publishers Weekly

In the Eye of the Storm

"Imagine Game of Thrones with less blood and more gender confusion and you get a taste of this knightly epic." - The Guardian
Brash, cocky, and unbeatable with a sword (well, almost), Sam of Haywood is the most promising Paladin trainee in the kingdom of Thule and knows it. The only problem is that Sam is really Lady Samantha, daughter of the seventeenth Duke of Haywood, and if her father has his way, she'll be marrying a Paladin, not becoming one. But Sam has never held much interest in playing damsel-in-distress, and so she rescues herself from a lifetime of boredom and matrimonial drudgery. Disguised as a boy, Sam leaves home behind to fight demons--the most dangerous monsters in Thule--alongside the kingdom's elite warriors. Pity that Tristan Lyons, the Paladin assigned to train her, is none other than the hero of her childhood. He hasn't recognized her-yet-but if he does, he'll take away her sword and send her packing. Sam is not the only trainee hiding secrets: Braeden is a half-demon with a dark past that might be unforgivable. Whether he can be trusted is anyone's guess, including his. As demons wreak havoc across the land, rebellion stirs in the West, led by a rival faction of warriors. A war between men is coming, and Sam must pick a side. After

An acclaimed novel by the author of *The Mistress of Spices*, and *Before We Visit the Goddess*. Jhumpa Lahiri praises: "One Amazing Thing collapses the walls dividing characters and cultures; what endures is a chorus of voices in one single room." Late afternoon sun sneaks through the windows of a passport and visa office in an unnamed American city. Most customers and even most office workers have come and gone, but nine people remain. A punky teenager with an unexpected gift. An upper-class Caucasian couple whose relationship is disintegrating. A young Muslim-American man struggling with the fallout of 9/11. A graduate student haunted by a question about love. An African-American ex-soldier searching for redemption. A Chinese grandmother with a secret past. And two visa office workers on the verge of an adulterous affair. When an earthquake rips through the afternoon lull, trapping these nine characters together, their focus first jolts to their collective struggle to survive. There's little food. The office begins to flood. Then, at a moment when the psychological and emotional stress seems nearly too much for them to bear, the young graduate student suggests that each tell a personal tale, "one amazing thing" from their lives, which they have never told anyone before. And as their surprising stories of romance, marriage, family, political upheaval, and self-discovery unfold against the urgency of their life-or-death circumstances, the novel proves the transcendent power of stories and the meaningfulness of human expression itself. From Chitra Divakaruni, author of such finely wrought, bestselling novels as *Sister of My Heart*, *The Palace of Illusions*, and *The Mistress of Spices*, comes her most compelling and transporting story to date. *One Amazing Thing* is a passionate creation about survival--and about the reasons to survive.

Loving Blackmail

The girl who's had everyone meets the boy who has no one. For Bella, the sweet-talking, free-loving, hip-checking student manager of the Harkness men's hockey team, sex is a second language. She's used to being fluent where others stutter, and the things people say behind her back don't (often) bother her. So she can't understand why her smoking hot downstairs neighbor has so much trouble staying friends after their spontaneous night together. She knows better than to worry about it, but there's something in those espresso eyes that makes her second guess herself. Rafe is appalled with himself for losing his virginity in a drunken hookup. His strict Catholic upbringing always emphasized loving thy neighbor—but not with a bottle of wine and a box of condoms. The result is an Ivy League bout of awkwardness. But when Bella is leveled by a little bad luck and a downright sinister fraternity stunt, it's Rafe who is there to pick up the pieces. Bella doesn't want Rafe's help, and she's through with men. And Gray couldn't be happier when a grateful Allye follows him home to Colorado Springs. For Allye, finding sanctuary in the arms—and bed—of the former Navy SEAL is only temporary. People are disappearing off the streets of San Francisco, victims of the same underground trade that targeted her, and Allye could be the key to dismantling the entire operation. She's willing to do anything to bring them down. Gray isn't—for good reason. But you don't say no to a tough girl like Allye who refuses to play it safe. Now Gray is risking more than ever before. The Mountain Mercenaries have his back. But is it enough to keep the woman he loves out of harm's way?
