Wolves of Time - Secrets of The Dragon King

Age Level: 10 and up - Grade Level: 4 and up An Ancient Prophecy. A Secret Royal Destiny. An Incredible Epic Fantasy Adventure. On the first day of the Year of the Dragon, Master Ming Wu, a Chinese dragon disguised as a mysterious elderly gardener, makes orphan Little Tiger his son and only heir, secretly putting the fate of the world into the boy's hands.

Suddenly finding his life in terrible danger, Little Tiger must flee China for the safety of Tarpon Springs, Florida, where his magical destiny is waiting for him. "Little Tiger and the Year of the Dragon" is a 6-part fantasy adventure by author D. Byron Patterson and includes these sequential titles: The Dragon King of Beijing The Sponge Docks of Tarpon Springs The Song of Dragons Watchwardens of the Dragon King The Shadow Mists of Twilight ("ETA 2013") Throne of the Songfinder King ("ETA 2013-2014") Amazon Q&A with D. Byron Patterson Q: Byron, what inspired you to write this story? A: I designed this nutty little cartoon lamb character. You know, creating a voice and developing a world, all that good stuff. A friend of mine thought he was interesting, but he challenged me to figure out how he came to be. Admittedly, I hadn't given it that much thought. But since Lamby had two Chinese dragon companions, I decided to delve into the "mythology of ancient China," specifically the legends about royalty, magic, Sacred Beasts and the strange dance between our world and the world of the supernatural, the spirit. My wife and I live in "Tarpon Springs, Florida," so as I began to wind down my research, I decided to write about an orphan named Little Tiger in our modern age and then find a way to bring him over to my neck of the woods and see how that played out. Q: But it's six books, right? A: Technically, it's a novel-length story -- roughly the length of a Harry Potter book -- bridged by six parts that we've been releasing as chapter books. I originally created this very simple tale that connected the dots for Lamby's world, but when I saw there was much more there, I expanded it greatly. Instead of one night, the action takes place over the course of one year, the Year of the Dragon. I also developed the plot to revolve around Tarpon Springs, which turned out to be very entertaining for me, as the characters are going all over the world and fighting demons and flesh-eating ghosts and other darker forces of evil, and then they come back to this tiny coastal city in the bayous of central Florida in the end. Having the characters rooted in a place not terribly known for magic or dragons or heroes really appealed to me -- it somehow makes the action and events more extraordinary. Q: How do you think The Dragon King of Beijing differs from other children's fantasy? A: Only that it's like a prologue which opens into a bigger story that grows more complex with each part. There are universal themes: coming of age, first love, going home, struggling with identity, facing fears, watching loved ones die. It's a multicultural, modern-day dragon story with bits about hidden ancient royalty. Every character is from somewhere else and has a vital part to play in shaping Little Tiger's journey. And it happens in America Q: What would you like readers to take away from the "Little Tiger Dragon King" series? A: That there's magic everywhere, that you are better off being yourself. That you often find hope or love in the least expected places.

Dragon King

The fairy tales and legends of olden China have in common with the "Thousand and One Nights" an oriental glow and glitter of precious stones and gold and multicolored silks, an oriental wealth of fantastic and supernatural action. And yet they strike an exotic note distinct in itself. The seventy-three stories here presented after original sources, embracing "Nursery Fairy Tales," "Legends of the Gods," "Tales of Saints and Magicians," "Nature and Animal Tales," "Ghost Stories," "Historic Fairy Tales," and "Literary Fairy Tales," probably represent the most comprehensive and varied collection of oriental fairy tales ever made available for American readers. There is no child who will not enjoy their novel color, their fantastic beauty, their infinite variety of subject. Yet, like the "Arabian Nights," they will amply repay the attention of the older reader as well. Some are exquisitely poetic, such as "The Flower-Elves," "The Lady of the Moon" or "The Herd Boy and the Weaving Maiden"; others like "How Three Heroes Came By Their Deaths Because Of Two Peaches," carry us back dramatically and powerfully to the Chinese age of Chivalry. The summits of fantasy are scaled in the quasi-religious dramas of "The Ape Sun Wu Kung" and "Notscha," or the weird sorceries unfolded in "The Kindly Magician." Delightful ghost stories, with happy endings, such as "A Night on the Battlefield" and "The Ghost Who Was Foiled," are paralleled with such idyllic love-tales as that of "Rose of Evening," or such Lilliputian fancies as "The King of the Ants" and "The Little Hunting Dog." It is quite safe to say that these Chinese fairy tales will give equal pleasure to the old as well as the young. They have been retold simply, with no changes in style or expression beyond such details of presentation which differences between oriental and occidental viewpoints at times compel. It is the writer's hope that others may take as much pleasure in reading them as he did in their translation.

The Dragon Kings

Kendra races to find the information she needs to save Seth in this third novel of the New York Times bestselling sequel series to Fablehaven from author Brandon Mull. Cursed by the Key of Forgetting, Seth has lost all memory of his past—his relationships, his experiences, and who he really is. Lost and vulnerable, he's the perfect target for the dark unicorn Ronodin, who takes him to the Phantom Isle, the secret gateway to the Under Realm. With Seth not himself, he makes the perfect tool for Ronodin's own dark ends. Kendra is frantic to find her missing brother, but the quest will take her and her companions, including Warren, Tanu, and Vanessa, far from Wyrmoost to Crescent Lagoon—a recently fallen dragon sanctuary made up of many islands and underwater domains. Its caretaker has regained a foothold on one of the islands. If Kendra and her friends can save that sanctuary, they might uncover the answers they need to rescue Seth. With each sanctuary the dragons overthrow, Celebrant, the Dragon King, comes closer to the dawn of a new Age of Dragons. With the forces of darkness on the march, can Kendra and her allies gather enough power to win the epic dragon war?
