UnBEARably Hot Shifters: An 8 Book Paranormal Bear Shifter Romance Collection

Maddy Wainright has given up on marriage - and men. After dating way too many losers who aren't capable of appreciating her for who she is, she's about ready to resign herself to a life of spinsterhood. Until her insanely rich boss Daniel Thorne comes along with an offer she simply can't refuse. He proposes a marriage of convenience - one that would allow Maddy to live in the lap of luxury for a year, and Mr. Thorne to stay in the country that has become his home. At the end of their arrangement, Maddy will walk away with a cool two million dollars. All she has to do is move into his mansion, put on a convincing show in public, and endure a few INS interviews, for which she will be thoroughly prepped. It's a big risk, but one Maddy might just be willing to take, considering the payoff. At first, it's all business. But when the gentle touches, passionate kisses, and lingering looks they have to give each other in public start spilling over into their private life, Daniel and his devious mind take Maddy to heights of pleasure she's never experienced. And the more she gets to know him, the more she feels that wistful tug in her chest every time he puts his arm around her in public. Before long, she finds herself wishing it were real. As time goes on, Maddy finds herself wondering if two million dollars will be enough to cover the cost of repairing a broken heart. But Mr. Thorne may have yet another secret in store

To Catch A Wolf (Werewolf Shifter Romantic Comedy Romance)

I never expected a night of drinking to end in blood and werewolves. I never expected any of it, not being pimped out by a deranged alpha to repopulate their pack or to be seeking help from an overly serious, overtly sexy scarred stranger who just so happens to be a werewolf himself. I don't have a choice but to trust him, but trusting him shouldn't involve being so drawn to him. Why can't I stop? He said he had been alive for over seventy years, and that was just in passing, so how can I trust that he isn't using me for his own nefarious schemes that I haven't

found yet? Why would he help a random human that he stumbled upon anyways? He's a lone werewolf who stumbled upon his True Mate in a cage, she's a flighty junior in college who was only ever interested in sparkly fantasy. Are you ready to run with them through forests, lust, and intrigue? Are they ready to face each other and that war-fractured pack chasing them for her fertility?

The Alpha Shifter Collection

A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, *The Things They Carried* is a groundbreaking meditation on war, memory, imagination, and the redemptive power of storytelling. *The Things They Carried* depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

I Married a Billionaire

Unlucky in love pack Omega Carly Finlay is thrilled to be opening her cake shop. At least one thing in her life is going well; the less said about her love-life, the better. However, after being dragged into attending a cage fight the little Omega is momentarily elated to scent her mate, but that soon sours after she comes face to face with a horny, seven foot, cage fighting, Kodiak bear shifter. Cain Moran is overjoyed to meet his little she-wolf mate; he just wishes it could have been under better circumstances. When his skittish mate hightails it, he chases after her, determined that she will accept him as her mate. However, Cain will also have to contend with his biggest fan, groupies and his manager, who are less than thrilled at him for dropping everything for the little wolf. Can he woo his sensitive mate and prove he is the mate she deserves? Can he cope with her Omega abilities and get over the fact that the pack will always have a claim on her? Can Carly come to terms with her gruff, insensitive bear shifter mate? Please note this is a novella and approximately 43,000 words in length. It contains swearing and scenes of a sexual nature with m/f interaction intended for mature readers. The Omega's Mate

Exiled to a life of extreme loneliness because everyone she touches dies, Emily Burke has every reason to distrust Raphael Robichaux. The immortal werewolf

possesses immense power and has been summoned by her pack to end her life. And yet, from the moment she lays eyes on the powerful rebel, he awakens all the longings she's kept bottled inside...and gives her hope. When Raphael meets Emily, he knows something enormous is at stake. For not only does he see that her blood can restore life—but she is his destined mate. Trust doesn't come easily to Emily. But somehow Raphael must convince her to put her life in his hands. Only then will an ancient prophecy be fulfilled and a terrible evil destroyed....

Our Second Chance Life (Second Chance Mates 8)

Vulfen Alpha's Mate [Siren Classic: Erotic Contemporary Paranormal Romance, werewolves] After a disastrous blind date, Ellie Bradley enjoys dessert and hot kisses with a mysterious waiter, who turns out to be wealthy Russian businessman Rylek Sidarov. Rylek, Alpha of three vulfen clans, was waiting tables as a favor to his chef uncle. He never thought he would find his fated mate in the human world, but there is no mistaking Ellie's intoxicating scent. At the end of a blazing encounter, danger looms and Rylek goes against his strong vulfen instinct to send Ellie away unclaimed for her own safety. Unable to give her up, Rylek offers Ellie a choice to accept him and be his beloved mate-or never see him again. Discovering a mate is a gift for Ellie and Rylek both, but human hunters, a vulfen traitor and the complications of navigating a new culture all conspire to threaten their new mating bond and their lives. ** Vulfen Warrior's Prize [Siren Classic: Erotic Paranormal Romance, werewolves, HEA] In the middle of an argument with her ex-husband, a powerful man walks into her chocolate shop and sets Lia Broussard's neglected feminine parts howling. Her ex might not recognize a warrior when he sees one, but Lia's hormones sure do. A simple warrior, Miros Reitm had given up hope of finding a mate, until Lia's delicate human scent dazzles his vulfen senses. Knowledge of the vulfen world is kept from humans, so Miros is shocked when vulfen soldiers openly attack Lia. He is no stranger to battle, but he would prefer to concentrate on winning the heart of his lovely prize and exploring the surging physical attraction between them. When his new mate is threatened by his own people, Miros must take a leap of faith to protect Lia and her young son from a rogue wolf and a long-held secret that could have deadly consequences for them all. ** A Siren Erotic Romance

The Alpha Claims A Mate

Dante Romano has enough smokin' hot sex appeal to turn the head of almost every woman around. Known as the ladies' man of the Black Mesa Wolf Pack, he always let swaggering confidence mask an endless struggle to control his feral inner wolf. The safest thing for him would be to stay single forever—if only he didn't know down to his tail that a certain strong-willed, sexy female wolf shifter is his mate. The mate he can't let go of, even though he knows he must. Every time Carmen Delacruz thinks about Dante, she gets so turned on she almost loses her damned mind. That red-hot wolf could make an angel sin, with his dark chocolate eyes and those talented lips and hands. Not to mention he stole her heart years ago, ruining her for any other man. But his arrogant manner and his dangerously primitive, possessive wolf drove the self-reliant Carmen up the wall so many times, she finally walked away from him—for good. But Carmen isn't so sure she can live without Dante. Because not only does she know the bossy, seductive, untamed man is her mate, she also knows she might be the only one who can save him from his own savage wolf. To the reader: This story is filled with hawt times, sexy romance, and the secret world of wolf shifters. Sex at Dawn

"YOU BROKE THE RULES, LITTLE HUMAN. I OWN YOU NOW." I am an alpha wolf, one of the youngest in the States. I can pick any she-wolf in the pack for a mate. So why am I sniffing around the sexy human attorney next door? The minute I catch Amber's sweet scent, my wolf wants to claim her. Hanging around is a bad idea, but I don't play by the rules. Amber acts all prim and proper, but she has a secret, too. She may not want her psychic abilities, but they're a gift. I should let her go, but the way she fights me only makes me want her more. When she learns what I am, there's no escape for her. She's in my world, whether she likes it or not. I need her to use her gifts to help recover my missing sister-and I won't take no for an answer. She's mine now. Publisher's Note: Alpha's Danger is a stand-alone book in the Bad Boy Alpha's series. HEA guaranteed, no cheating. This book contains a hot, demanding alpha wolf with a penchant for protecting and dominating his female. If such material offends you, do not buy this book.

A concerned sister Chloe Madison would do anything to find her missing brother. When she stumbles upon some information that leads her to a nearby military science facility, she doesn't hesitate to sneak under the barbed wire fence and steal some files. Everything seems to be going to plan. That is, until a handsome soldier finds her with her hands in his filing cabinet. Instead of reporting her, he lets her go. She hurries home, his golden eyes all she can think of. A broken soldier Captain Jackson Wolfe just returned from a hellish tour of duty in Afghanistan. Scarred and hiding terrible secrets, he is sent to a desk job. He just recently found out the hard way that he was a werewolf. Not only that, as far as he knows, he's the only one of his kind. He knows he shouldn't be around people and keeps to himself until he sees Chloe stealing files. He knows he should stop her, but her scent and something in her eyes stops him. A coverup worth killing for When Wolfe follows Chloe to the library, he discovers that he's not the only one of his kind. Someone doesn't like that Chloe has been digging around, threatening to expose the secrets of her brother and the wolf shifters. In fact, they're willing to kill to stop her. Wolfe knows that he must protect Chloe. After all, she may be the only thing that can save him from himself. A scent hung in the air that made something primal in the pit of his stomach tighten and ache with joy. The hair on the base of his skull tingled and his eyes lit up with a golden fire. He could barely detect it, even with his enhanced senses, but what he could smell was something that sent shivers of pleasure down his spine. He gave a smooth about-face, sucking air into his nose to try and fill himself with the scent. It was flowers and sunshine with just a touch of something that made him start to ache with want. His feet carried him forward, his nose pulling in the scent like a rope as he worked down the hallway toward the Records Room. The door to the room was ajar, letting out a thin sliver of yellow light onto the dark hallway floor. He whined softly with anticipation as the scent grew stronger the closer he came to the golden light. Moving softly, he crept up to the door, peeking through the thin slit to peer inside. A girl in mint green scrubs and a blue winter jacket sat kneeling on the floor. Her light brown hair was pulled back into a ponytail that trailed down her back in soft tendrils. It took all his willpower not to reach out and touch it to feel its silky softness and bury his face in her scent

“The powerful origin story of one of Yellowstone’s greatest and most famous wolves.” —Washington Post “[The Rise of Wolf 8] is a goldmine for information on all aspects of wolf behavior and clearly shows they are clever, smart, and emotional beings.” —Psychology Today Yellowstone National Park was once home to an abundance of wild wolves—but park rangers killed the last of their kind in the 1920s. Decades later, the rangers brought them back, with the first wolves arriving from Canada in 1995. This is the incredible true story of one of those wolves. Wolf 8 struggles at first—he is smaller than the other pups, and often bullied—but soon he bonds with an alpha female whose mate was shot. An unusually young alpha

male, barely a teenager in human years, Wolf 8 rises to the occasion, hunting skillfully, and even defending his family from the wolf who killed his father. But soon he faces a new opponent: his adopted son, who mates with a violent alpha female. Can Wolf 8 protect his valley without harming his protégé? Authored by a renowned wolf researcher and gifted storyteller, *The Rise of Wolf 8* marks the beginning of *The Alpha Wolves of Yellowstone* series, which will transform our view of wolves forever.

Mated to the Alpha King

In the twenty-first century, who needs Lords anymore? Richard, Lord of the Manor of Arkthwaite, lives alone in his crumbling house, resenting his hereditary position. He's hoping to drink himself to an early grave and bring the title to an end. His bleak plans are upset when newcomer Helena decides to shake up this fading community. She's been jilted and she needs a new project, so she joins forces with local headmistress Vicky and together they hatch a plan to bring broadband to this remote spot. Their lives clash with Richard's as the cable needs to be dug across his land. But when Richard falls for Helena, it gets more complicated. She's suspicious of men and their compliments; and he has his own reasons for wanting to stay single. Can they both shake off their histories to bring a better future to the village - and their own lives? Contains: romance, community regeneration, pagans, over-the-top mothers, British humour, rain.

Now he has permanent anger management issues and a monster living inside him. Used as a weapon, he's been waiting for a chance to strike back. But the Project are onto him. Ruled unstable, a kill order is passed down on Jack and his squad and they are transferred to St. Margarets. Play-things for the head docs until a bullet to the back of the head deals with them for good. But Jack isn't going down that easily, not when the delicate scent he'd been waiting for all his life wraps around him. Her scent calls to him. She's his. Now he has to keep her alive. A hospital manager with a heart of gold. A soldier with a dark secret. Lillian's life is dull. The highlights of her day, other than her skinny hot chocolate, are the hunky guards who work in the military wing. It's classified and way above her pay grade, but she can't help feeling sorry for the hollow-eyed men and women they shuffle past reception. Then a late night emergency is wheeled in, his abdomen shredded and covered in blood. They're not an emergency room but she can't turn him away and risk a death on her hands. Unable to get the handsome soldier out of her mind, Lillian sneaks into the restricted area and finds herself thrust into a world where nothing makes sense. A world where men aren't always men, the dead walk, and her handsome soldier is way more than he seems *Project Rebellion: Monsters Exist*. And they're the good guys

Maple's Strong Alpha

Since Darwin's day, we've been told that sexual monogamy comes naturally to our

species. Mainstream science—as well as religious and cultural institutions—has maintained that men and women evolved in families in which a man's possessions and protection were exchanged for a woman's fertility and fidelity. But this narrative is collapsing. Fewer and fewer couples are getting married, and divorce rates keep climbing as adultery and flagging libido drag down even seemingly solid marriages. How can reality be reconciled with the accepted narrative? It can't be, according to renegade thinkers Christopher Ryan and Cacilda Jethå. While debunking almost everything we "know" about sex, they offer a bold alternative explanation in this provocative and brilliant book. Ryan and Jethå's central contention is that human beings evolved in egalitarian groups that shared food, child care, and, often, sexual partners. Weaving together convergent, frequently overlooked evidence from anthropology, archaeology, primatology, anatomy, and psychosexuality, the authors show how far from human nature monogamy really is. Human beings everywhere and in every era have confronted the same familiar, intimate situations in surprisingly different ways. The authors expose the ancient roots of human sexuality while pointing toward a more optimistic future illuminated by our innate capacities for love, cooperation, and generosity. With intelligence, humor, and wonder, Ryan and Jethå show how our promiscuous past haunts our struggles over monogamy, sexual orientation, and family dynamics. They explore why long-term fidelity can be so difficult for so many; why sexual passion tends to fade even as love deepens; why many middle-aged men risk everything for transient affairs with younger women; why homosexuality persists in the face of standard evolutionary logic; and what the human body reveals about the prehistoric origins of modern sexuality. In the tradition of the best historical and scientific writing, *Sex at Dawn* unapologetically upends unwarranted assumptions and unfounded conclusions while offering a revolutionary understanding of why we live and love as we do.

Perfect Mate

From a New York Times bestselling author comes a sexy, paranormal "rough-and-tumble adventure" (Library Journal) about a high-stakes romance between two shifters fighting for their lives. Cougar shifter Abby Carter always plays it safe. That's why she's an accountant--no excitement, no danger, and no cocky alpha males. She loves her quiet life, but fate has other plans. When Abby uncovers the shady dealings of an anti-shifter organization, she'll have to trust the too-sexy-for-her-peace-of-mind werewolf Declan Reedor end up six feet under. Declan Reed is starting over. After two years with Shifter Operations Command, it's time to put his past behind him. Now Declan is the only thing standing between the gorgeous Abby and an early grave, and if he's going to have any chance of keeping her alive, he'll have to embrace the darkness he's fought to keep at bay. But first he has to convince Abby that there's no safer place in the world than the arms of a big bad werewolf. "Celia Kyle's my go-to for sexy alpha shifters and fast-paced, delicious storylines." -- Jessica Clare. New York Times and USA Today bestselling author

The Alpha's Mate

You're beautiful and kind and very smart. But best of all, you're mine. Do you remember the stories your Grandma used to tell you every night about cursed beasts, village beauties, girls in red capes and wolves in disguises? Well, maybe,

just maybe they actually do happen. Maybe, beasts do exist. They do. I would know. I am bound to one. Whom, you may ask? Well, I am mated to the Alpha King. How? You will see. You will live through it with me. I am Theia Anderson. I am just like any one of you, human, alive, and breathing. But unlike any one of you, I've stumbled upon a world that until yesterday I couldn't even fathom into existence. This is my story.

The Rise of Wolf 8

Even the king of the beasts can find himself unexpectedly tamed by the right woman. . . Weddings have the strangest effect on people. Exhibit 1: Sissy Mae waking up in Mitch Shaw's bed the morning after her brother Bobby Ray's nuptials. Exhibit 2: the gunmen trying to kill Mitch. Exhibit 3: Sissy Mae escorting a bleeding yet sexy lion shifter to her Tennessee Pack's turf for safe keeping. It doesn't help that Mitch's appraising gaze makes her feel like the most desirable creature on earth. . . Mitch is an undercover cop about to testify against some dangerous ex-associates. Even more worrisome, he's harboring hot, X-rated fantasies about one fast-talking little canine--and he has to deal with every male in Sissy Mae's Pack sniffing around her in a way that makes his hackles rise. Mitch has his pride, and he intends to show Sissy Mae that when a lion sets out to make you his mate, the only thing to do is purr, roll over, and enjoy one hell of a ride. . . "Laurenston's latest couple is unabashedly sexual, which makes their emotional battle of wills all the more enjoyable." --Romantic Times

Wolf Six's Salvation

New Yorker Ginger Colby, half witch, half werewolf, all curves, has made an immediate and lasting impression on the Alpha of Blue Moon County. Unfortunately, she did it by publicly insulting him - she turned down the smug, sexy werewolf sheriff when he asked her to dance with him at the local honky-tonk. Now the furious Alpha of her pack is ordering her to make amends with Sheriff Sexy - or risk igniting a war between the Red Wolves and the Gray. The Sheriff's idea of re-establishing his dominance includes a bare bottom spanking, making her work for him as his new assistant, and flirting with her outrageously. But is he flirting with her just to get revenge for humiliating him - or does he want something more? And can a liberated big city werewolf find happiness with a dominant small town shifter? With the mysterious disappearance of an archeology professor, and a jealous Alpha female stirring up trouble...Ginger may not have a chance to find out!

Wolf's Mate

From USA TODAY best-selling author Anya Karin comes a hilarious, steamy, naughty, delicious werewolf romance! Sometimes a wolf's gotta fight and growl and bite. But Erik? He just needs a mate. Erik Danniken is the alpha of Jamesburg, a small town hidden from the world and full of shifters of all stripes. But underneath it all, he's just a muscled-up, rough-shod bad boy of a werewolf with a tattoo that goes all the way up his chest and sticks out the collar of his shirt. He's down to his last nerve, but he's willing to fight one last time for the woman he

loves. Sometimes a girl needs romance and wine and sweet kisses. But Izzy? She just needs a job. Isabel Taylor was more than a little frustrated when she answered a very vague job ad to be the personal assistant of a mayor in a town she didn't know existed. That was two years ago. Curvy, tough and with more than a little bit of a naughty streak, Izzy has long since gotten used to the weirdness of everyday life in Jamesburg but she's fallen hard for Erik's rough charm. Erik wants to claim her forever, marking Izzy as his honest-to-goodness mate. Izzy wants him to quit being such a coward and just come out and do it, but will a good old-fashioned small town scandal make them keep their love a secret, and in the process, kill it before it can grow? Note: The Jamesburg Shifters is a series of standalone books. Each installment has its own hero and heroine, and the stories never cross over. Each novel or novella is a complete story, complete with happy-ever-after ending. Enjoy!

Savage Wolf: Black Mesa Wolves 8 (Wolf Shifter Romance Series)

From advertisements to mommy blogs to Pinterest, scenes of domestic bliss abound, painting a picture of perfection and expectation nearly impossible to live up to. Why can't you work a full-time job, stylishly clothe yourself and your children, plan a party for twelve with handmade decorations, keep your house sparkling clean without chemicals, and bake a gourmet meal in the same day? Everyone else is doing it! For many women, housework has become more than chores that need to be done; it is a symbol of identity. Sheila Wray Gregoire wants to stop that thinking in its tracks and help women back to a life of balance--for their sakes and for their families. She encourages women to shift their focus from housekeeping to relationships and shows them how to foster responsibility and respect in all family members. The second edition retains the helpful, concrete advice on everyday situations such as strategies for tackling chores and budgets and tips on effective communication, while incorporating the wisdom Sheila has gained through her interaction with thousands of readers of her blog and through her speaking ministry over the past ten years. Through the principles in To Love, Honor, and Vacuum, Gregoire promises readers they can grow and thrive in the midst of their hectic lives-even if their circumstances stay the same.

A provocative tour of recent findings in animal sexuality and evolutionary biology seeks to demonstrate how anthropomorphism and gender politics have affected our knowledge of the natural world and shows how a broader approach, based on feminist biology, can bring about a more rounded understanding.

The Things They Carried

Good girls shouldn't date bad wolves Fated Match has spent centuries pairing supernatural mates together. Witch and matchmaker, Chloe Donovan, takes pride

in helping her clients find their happy endings. But when werewolf alpha and millionaire playboy Kieran Clearwater stalks into her office, she may have finally met the one man she can't help. Kieran has no intention of finding his mate. Love is a weakness he can't afford. But with his pack growing more concerned over his single status he needs to assure them all is well. What better way to do so than to hire a fake girlfriend he can parade around at the annual pack retreat? Chloe is coerced into becoming the wolf's temporary mate, but she's determined to keep their agreement professional. But her seductive partner in crime has other ideas, and his considerable charm makes it difficult for her to keep her eye on the prize. While these two burn hot when they're together, behind-the-scenes politics work to rip them apart. Each book in the Fated Match series is a standalone story that can be enjoyed out of order. Pure Rapture

The peace treaty between humans and shapeshifters was signed over a century ago. One of the consequences is that humans must provide shifters with young brides to give them heirs and ensure the survival of their species. Today, all over the world, special boarding schools take girls from orphanages and give them the most exquisite education, preparing them to become brides for the enemy. Sexy, curvy, and confident, Avelyn is one of those wild souls who will not be traded off as livestock. She's determined to do everything in her power to gain her freedom and build a new life far away from shapeshifters and what society expects of her. Alpha werewolf Max Blackmane is in search of a bride. When he comes to Alma Venus Boarding School, one of the best schools for shifter brides in the world, he is set on buying a young woman who would bring him political advantage. When he sees Avelyn, his plans are turned upside down. She's far from what his clan wants him to bring home, but he can't imagine his life without her. Avelyn uses every trick in the book to convince Max to buy another bride. It doesn't matter that his perfect body and smooth voice make her weak in the knees. She has a dream, and her dream does not include a wolf-shifter for a husband and a bunch of wolf pups clinging to her skirts.

Alpha's Mate

THE ALPHA'S TOY To spare an innocent she has to become his plaything. When Zeke attacks her pack, Mary, a half-breed wolf, wants to save a young wolf, but to do so, she has to accept his bargain. She must be his toy until the next full moon. Mary despises the alpha she must now give her body to, but she can't deny the response he inspires within her. Exploring the deceased pack's lair Zeke stumbles onto something that could destroy all breeds of wolf. The leaders of Mary's pack had been experimenting on wolves. The reasons why are still unknown, but Zeke will do everything in his power to find out the truth, especially when he discovers Mary was one of their experiments. Even before the end of the month Mary becomes all he can think about, and he's determined to keep his toy safe. Then a twist of fate lets him know she's more than a toy. Mary is his mate. Can he overcome her fear of him and convince her to stay when her month is up? ALPHA BAIT There is a law that binds an Alpha to his wolf and stops him from hurting others of his pack. If an Alpha lashes out with the intention to harm, then his wolf

will stop it, forcing on the transition but one wolf has found the loophole. Chain is determined to inflict harm. He sends out the one woman he wants but cannot have, Victoria. She will be his Alpha Bait, luring another Alpha to his death, thus freeing Chain from the control of his wolf. For most of her adult life Victoria has been at the mercy of Chain. He scares her more than anything else. Doing as she's told, Victoria sets the trap in order to gain Scorch's attention. Scorch is a good leader and strong Alpha. He will not hurt anyone. When a beautiful red-head ends up in his care, he cannot turn away from the attraction she inspires. Their wolves are mates, and they're destined to be together. However, what will Scorch do when he realizes Victoria is with him to lure him to his death? Can she really send the man she loves to his grave? Being Alpha Bait was never her choice, but who really holds her loyalty, Chain or Scorch?

Especially when they learn someone wants her dead. ** A Siren Erotic Romance

The Alpha's Temporary Mate

Previously published in the anthology *Hunger*, the paranormal queen of steam and sass pulls out all the stops in *The Alpha's Mate*, a sexy, funny short story from New York Times bestselling author Eve Langlais. Villains aren't supposed to rescue damsels, and pack alphas are known to have complete control of their wolf. But when Fabian saves a certain lady from drowning, everything he knows gets tossed away and only one thing becomes clear: she's his mate—and someone wants to kill her. Protecting her, though, is only part of his problem. He also has to convince her she belongs to him. In her words, "Hell no." When she flees, little does she realize this wolf loves to chase. And when he catches the woman he wants? She'll become the Alpha's Mate.

What readers say about Michelle Fox's werewolves: "I love how well the characters are developed and rounded out - I feel like I know about these characters before they jump in the sack - which for me is a HUGE deal!" "Fox adeptly weaves several enchanting love scenes into her romance framework. Best of all, they actually add to the story." "This is the third shifter story I've read from this author, and I love the edge of humor, the way she introduces the problems of the pack, and the wolfish behavior that sneaks into the human interaction." Little known fact about being a werewolf: There are always wolves at your door and some of them are up to no good. Chloe Weiss' dreams have finally come true: She's a null no more, her wolf has finally come. She's now a full member of her pack in the remote Appalachian 'weretown' of Hunstville. Even better, she's mated to the pack's next alpha, Jackson Swift. However, now that she's on the other side of her happy ending, things aren't quite as rosy as she'd expected. The women of her pack resent her status as alpha's mate and suddenly there are rumors that Chloe is an Omega, a werewolf so weak they are banned from ever mating. Worse, an old friend of Jackson's blows into town full of disapproval and competition. It seems no one likes Chloe except Jackson. Then women start disappearing, violently kidnapped from their homes and never heard from again. There's a killer on the loose in the small town of Huntsville, and the one wolf he'd do anything to have is Chloe. Now Chloe will have to fight for Jackson, her place in the pack, and her life. This novel is a sequel to the bestselling *To Bring Her Wolf*.
