American Pageant Complete Plus Guidebook Volume 1 and 2 13th Edition

AP U.S. History

Series Copy The new Very Short Introductions series offers concise and original introductions to a wide range of subjects from politics to classics. Not simply a textbook of definitions, each book in the series provides trenchant, provocative, yet balanced discussions on the central issues of the field, gives a readable historical account of the subject, and demonstrates how each particular area of study has developed and shaped society. Eventually, the series will encompass every major academic discipline, offering readers an affordable, accessible, and complete reference library. Stimulating and lively, the Very Short Introductions are indispensable guides and essential reading for anyone interested in the development of these influential fields. Providing the general reader and the student with an introduction to the central issues of political science, A Very Short Introduction to Politics shows how political trends and maneuvers develop and how they help shape our society. Kenneth Minogue, with his lively and popular style, begins with a discussion of issues arising from a historical account of politics, and goes on to offer chapters dealing with the Ancient Greeks and the idea of citizenship; Roman law; medieval Christianity and individualism; freedom since Machiavelli and Hobbes; the challenge of ideologies; democracy, oligarchy, and bureaucracy; power and order in modern society; and politics in the West. Readable and pithy, this entertaining introduction is perfect for anyone looking for an accessible overview of the subject.

Our Country

The Day of Doom

Authored by experienced AP® teachers, workshop leaders, and AP® exam readers, this document reader is the perfect resource for your redesigned AP® classroom. The 22 chapters follow the nine periods of U.S. History as defined in the new framework. Within each period and chapter, pedagogical tools scaffold students' development of the historical thinking skills as are central to the course and the exam. Key concepts are illustrated by primary documents and secondary sources including written texts, drawings, photographs, maps, and charts.

Empire of Liberty

THE AMERICAN PAGEANT enjoys a reputation as one of the most popular, effective, and entertaining texts on American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The 16th edition includes a major revision of Part Six (the period from 1945 to the present), reflecting recent scholarship and providing greater thematic coherence. The authors also condensed and consolidated material on the Wilson presidency and World War I (formerly Chapters 29 and 30) into a new single chapter. A new feature, "Contending Voices," offers paired quotes from original historical sources, accompanied by questions that prompt students to think about conflicting perspectives on controversial subjects. Additional pedagogical aids make THE AMERICAN PAGEANT accessible to students: part openers and chapter-ending chronologies provide a context for the major periods in American history, while other features present additional primary sources, scholarly debates, and key historical figures for analysis. Available in the following options: THE AMERICAN PAGEANT, Sixteenth Edition (Chapters 1-41); Volume 1: To 1877 (Chapters 1-22); Volume 2: Since 1865 (Chapters 22-41). Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

"The Impending Crisis of the South" by Hinton Rowan Helper. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

The New England Way

Known for its clear, insightful analytical narrative and balanced approach, America's History, Concise Edition is a brief, affordable text that brings America's diverse past to life. The Concise Edition features the full narrative of the parent text, select images and maps, built-in primary sources and skills-based pedagogy that gives students practice in thinking historically.

Politics: A Very Short Introduction

Brinkley's American History, a comprehensive U.S. History program, transforms the learning experience through proven, adaptive technology helping students better grasp the issues of the past while providing instructors greater insight on student performance. Known for its clear, single voice and balanced scholarship, Brinkley asks students to think historically about the many forces shaping and re-shaping our dynamic history. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective.

America's History

The Oxford History of the United States is by far the most respected multi-volume history of our nation. The series includes three Pulitzer Prize winners, two New York Times bestsellers, and winners of the Bancroft and Parkman Prizes. Now, in the newest volume in the series, one of America's most esteemed historians, Gordon S. Wood, offers a brilliant account of the early American Republic, ranging from 1789 and the beginning of the national government to the end of the War of 1812. As Wood reveals, the period was marked by tumultuous change in all aspects of American life--in politics, society, economy, and culture. The men who founded the new government had high hopes for the future, but few of their hopes and dreams worked out quite as they expected. They hated political parties but parties nonetheless emerged. Some wanted the United States to become a great fiscal-military state like those of Britain and France; others wanted the country to remain a rural agricultural state very different from the European states. Instead, by 1815 the United States became something neither group anticipated. Many leaders expected American culture to flourish and surpass that of Europe; instead it became popularized and vulgarized. The leaders also hope to see the end of slavery; instead, despite the release of many slaves and the end of slavery in the North, slavery was stronger in 1815 than it had been in 1789. Many wanted to avoid entanglements with Europe, but instead the country became involved in Europe's wars and ended up waging another war with the former mother country. Still, with a new generation emerging by 1815, most Americans were confident and optimistic about the future of their country. Named a New York Times Notable Book, Empire of Liberty offers a marvelous account of this pivotal era when America took its first unsteady steps as a new and rapidly expanding nation.

The History of London

Developed to meet the demand for a low-cost, high-quality history book, this economically priced version of THE AMERICAN PAGEANT, Fifteenth Edition, offers readers the complete narrative while limiting the number of features, photos, and maps. All volumes feature a paperback, two-color format for those seeking a comprehensive, trade-sized history text. THE AMERICAN PAGEANT enjoys a reputation as one of the most popular, effective, and entertaining texts in American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The fifteenth edition includes markedly deeper explorations of the cultural innovations, artistic movements, and intellectual doctrines that have engaged and inspired Americans and shaped the course of American history. Additional features of THE AMERICAN PAGEANT help you understand and master the content: chapter-ending chronologies provide a context for the major periods in American history, while other features present global context and key historical figures for analysis. Available in the following split options: CENGAGE ADVANTAGE BOOKS: THE AMERICAN PAGEANT, Fifteenth Edition Complete, Volume 1: To 1877, and Volume 2: Since 1865. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Brinkley, American History: Connecting with the Past UPDATED AP Edition, 2017, 15e, Student Edition

THE BRIEF AMERICAN PAGEANT presents a concise and vivid chronological narrative, focusing on the great public debates that have dominated American history. Colorful anecdotes, first-person quotations, and the text's trademark wit are all evident throughout. Focus questions, chapter outlines and summaries, marginal glossaries, and links to additional online study aids ensure that students understand and retain the material as they read and prepare for exams. Available in the following split options: THE BRIEF AMERICAN PAGEANT, Eighth Edition (Chapters 1-42), ISBN: 978-0-495-91535-5; Volume I: To 1877 (Chapters 1-22), ISBN: 978-0-495-91535-5; Volume II: Since 1865 (Chapters 22-42), ISBN: 978-0-495-91537-9. The American Spirit 13th Edition Update

Considers the implications of America's involvement in World War I for intellectuals, minorities, politicians, and economists.

American History

Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

Over Here

Speech delivered in the Senate condemning the Southern expansion of slavery and the force used in compelling Kansas to be a slave state. In the course of the speech, Sumner ridicules South Carolina Senator Andrew Butler.

America's History: Concise Edition

American Slavery, as it is

American History: Connecting with the Past

"For those who like their history rich in vivid details, Derek Beck has served up a delicious brew in this book. This may soon become everyone's favorite." —Thomas Fleming, author of *Liberty! The American Revolution* A sweeping, provocative new look at the pivotal years leading up to the American Revolution The Revolutionary War did not begin with the Declaration of Independence, but several years earlier in 1773. In this gripping history, Derek W. Beck reveals the full story of the war before American independence—from both sides. Spanning the years 1773-1775 and drawing on new material from meticulous research and previously unpublished documents, letters, and diaries, *Igniting the American Revolution* sweeps readers from the rumblings that led to the Boston Tea Party to the halls of Parliament—where Ben Franklin was almost run out of England for pleading on behalf of the colonies—to that fateful Expedition to Concord which resulted in the shot heard round the world. With exquisite detail and keen insight, Beck brings revolutionary America to life in all its enthusiastic and fiery patriotic fervor, painting a nuanced portrait of the perspectives, ambitions, people, and events on both the British and the American sides that eventually would lead to the convention in Philadelphia on July 4, 1776. Captivating, provocative and inspiring, *Igniting the American Revolution* is the definitive history of these landmark years in our nation's history,

whose events irrevocably altered the future not only of the United States and England, but the whole world. " Integrating compelling personalities with grand strategies, political maneuverings on both sides of the Atlantic, and vividly related incidents, Igniting the American Revolution pulls the reader into a world rending the British Empire asunder." Samuel A. Forman, author of the biography Dr. Joseph Warren
