## **Nameless**

From legendary creator Grant Morrison (All Star Superman, Batman & Robin, The Invisibles) comes the first chapter in his newest creation. 18 Days is the story of three generations of super-warriors, meeting for the final battle of their age, a climactic war that concludes the age of the gods and begins the age of man. Collecting the first story arc from the series.

"This is not a Lord of the Rings or a Star Wars where the good guys win because they are right. The good guys in 18 Days are forced to cheat and lie and break rules to win. Although it has fantastic, mythic trappings, this is a very modern story of realpolitik and the failure of ideals in the face of harsh truth." - Grant Morrison

## **Our Sentence Is Up**

Presents a collection of three volumes of "The Invisibles," stories of secret rebels who use time travel, magic, and violence to battle alien leaders, the Archons of Outer Church, who have used physical and psychic techniques to dominate humanity.

## **The Invisibles #2**

In part 2 of "Arcadia," the Invisibles send their psychic bodies back to 18th century France to meet the Marquis de Sade while a time-traveling assassin tracks down their physical bodies in the present!

## **The Invisibles #15**

"The world is not what it seems. Behind the curtain of everyday existence, a vast and unholy conspiracy is at work, twisting and deforming reality to pave the way for colonisation by hideous extra dimensional powers. Facing this onslaught is a laughably small resistance movement scattered across space and time- a handful of subversives known as The Invisibles. This silent guerrilla war has raged for millennia, shaping the very fabric of the universe. But now the countdown to the final battle has begun, and soon everyone will have to make their choice: crushing, soul-rending conformity, or radical, anarchic freedom."--Page [4] of cover of Book 1.

## **The Invisibles**

The groundbreaking series from Grant Morrison that led American comics in a wholly unexpected direction. Originally conceived in the 1960s by the visionary team of writer Arnold Drake and artist Bruno Premiani, the Doom Patrol was reborn a generation later through Grant Morrison's singular imagination. Though they are super-powered beings, and though their foes are bent on world domination, convention ends there. Shunned as freaks and outcasts, and tempered by loss and insanity, this band of misfits faces threats so mystifying in nature and so corrupted in motive that reality itself threatens to fall apart around them-but it's still all in a day's work for the Doom Patrol. Written by Grant Morrison and featuring art by Richard Case, John Nyberg, Doug Braithwaite, Scott Hanna and Carlos Garzon, DOOM PATROL BOOK ONE collects issues #19-34 and includes introductions

by Morrison and editor Tom Peyer.

## **The Invisibles Book Two**

From the twisted imagination of Grant Morrison comes a groundbreaking, mind-altering voyage of conspiracies and revelations. Greg Feely is a "dodgy bachelor" living a quiet life in London alone with his elderly cat. Everything changes when a strange woman named Miami Nil confronts him. She informs him that "Greg Feely" is actually a "para-personality"--in effect, a secret identity--and that he is in fact Ned Slade, the top agent for an organization called the Hand, a group of extra-dimensional agents who need Greg/Ned back in action! This out-of-the-box sci-fi story encapsulates the superb talents of two amazing creators into one of the most original graphic novels ever! From the legendary writer Grant Morrison (DOOM PATROL, BATMAN, THE INVISIBLES) and Chris Weston (THE INVISIBLES) comes sci-fi weirdness of the deepest level. Features the complete series of THE FILTH (#1-13) with extra sketch material and annotations from Grant Morrison.

## **Grant Morrison's 18 Days Vol. 1**

Morrison told the story of a kind-hearted, vegetarian hero who loses his family and is pushed to the brink of insanity before confronting his author in the run's extraordinarily meta finale. Rolling Stone Grant Morrison overhauled Animal Man in a typically imaginative manner. Entertainment Weekly Morrison quickly became the hottest writer in the

industry. Ó ÑComplex Magazine Buddy Baker, a.k.a. Óthe Man with Animal Powers,Ó is a second-rate superhero, devoted father and animal activist. There isnÓt much money in the hero game, and with a wife and kids to support, Buddy soon finds himself torn between trying to make a living through traditional super-heroics and getting more deeply involved in the questionably legal world of animal rights activism. But in todayÓs world, with real-life issues, who really needs Animal ManÓs protection? Is it humankind or the animals? Or is it Buddy himself? From the Eisner Award-winning and New York Times best-selling writer Grant Morrison comes one of his earliest, now classic, works exploring the nature of reality itself through the lens of a down-on-his-luck family-man superhero. This first of two 30th Anniversary Deluxe Edition hardcovers collects Animal Man #1-13, the characterÓs dimension-spanning creation tale from Secret Origins #39 and an introduction by Grant Morrison.

## **The Invisibles #4**

Facing this onslaught is a laughably small resistance movement scattered across space and time - a handful of subversives known as the Invisibles. This silent

guerrilla war has raged for millennia, shaping the very fabric of the universe. ## **Batman by Grant Morrison Omnibus**

One of the most eclectic and distinctive writers currently working in comics, Grant Morrison (b. 1960) brings the auteurist sensibility of alternative comics and graphic novels to the popular genres--superhero, science fiction, and fantasy--that dominate the American and British comics industries. His comics

range from bestsellers featuring the most universally recognized superhero franchises ("All-Star Superman," "New X-Men," "Batman") to more independent, creator-owned work ("The Invisibles," "The Filth," "We3") that defies any generic classification. In "Grant Morrison: Combining the Worlds of Contemporary Comics," author Marc Singer examines how Morrison uses this fusion of styles to intervene in the major political, aesthetic, and intellectual challenges of our time. His comics blur the boundaries between fantasy and realism, mixing autobiographical representation and cultural critique with heroic adventure. They offer self-reflexive appraisals of their own genres while they experiment with the formal elements of comics. Perhaps most ambitiously, they challenge contemporary theories of language and meaning, seeking to develop new modes of expression grounded in comics' capacity for visual narrative and the fantasy genres' ability to make figurative meanings literal.
