Assassins

"Judd and Lionel narrowly escape with their lives in a harrowing rescue attempt in an apartment fire set by a murderer."--Back cover.

For the Ones Left Behind

This series follows teens who were left behind and have nothing left but their newfound faith in Christ. Determined to stand up for God no matter what the cost, they are tested at every turn. Great for ages 12 and up. Book #4: Rescued contains books #13-16 in the Left Behind: The Kids series with background plots from Soul Harvest.

The Mark

This edition contains 20 pages of FULL COLOR photos of my life. During the fifteen years before my father's deliberate, yet tragic suicide, I had a fairytale childhood. Our spacious house, built by my father, was located between both sets of my grandparents' homes. All my emotional and material needs were met. But when changes started happening with my dad, I didn't notice them . . . until I willfully disobeyed him, lied to him and betrayed him, for which he shunned me. From my teenager point of view, "that" started a downward spiral, with the end being his suicide: a bullet, a hanging, and my perfect childhood home on fire. For various reasons, I believed all of this was my fault, and "going on" afterward seemed impossible. So much of "what happened" was immediately put in a box. Throughout the 20 years of the guilt sentence I gave myself, I opened the box time and time again, taking out the pieces of what I'd experienced, examining them and learning what I could about resolving them within myself. Now, having documented it all in this book, the box is open, for all

to see. No more secrets. I want to be clear that in many ways my story is like two different books. This book details my life, my fathers suicide, and after the death. My adult life contains many adventures, and part of which includes an extensive career working for the Hawaiian Tropic Model Search. Every choice I have made in my life and how I have reacted to all situations have been influenced by my fathers suicide in one way or another. I have no doubt about that. I still think about my fathers death every day. I believe this book can be of great service to those who have lost a loved one to suicide by helping them release their guilt, find what will bring them joy and go on to live a freer, more fulfilled life. www.leftbehind-abookforsuicidesurvivors.com

“Elena has left behind a story of resilience, hope and most of all, love. We can’t help but take her into our hearts, and carry the best of her into our own lives.” —Jeffrey Zaslow, coauthor of *The Last Lecture Notes Left Behind* by Brooke and Keith Desserich began as a journal they kept after their five-year-old daughter Elena was diagnosed with brain cancer and given just 165 days to live. As poignant and inspiring as Randy Pausch’s *The Last Lecture*, it is the story of the courage of a truly remarkable little girl who accomplished so much in so little time—and of her parents’ love and dedication to their child and their family. New York Times bestselling author James Patterson was profoundly moved by Elena’s beautiful life and *Notes Left Behind*, calling it, “a stunning story that teaches us how precious children, family, and life are, and that the sacrifices we make are worth it. I won’t forget the Desserich family, and neither will you.”

Pieces Left Behind

Two months before his wedding, financial executive James Donato chased his trade-laundering brother Phil to Mexico, only to be lost at sea and presumed dead. Six and a half years later, he emerges from a dissociative fugue state to find he’s been living in Oaxaca as artist Carlos Dominguez, widower and father of two sons, with his sister-in-law Natalya Hayes, a retired professional surfer, helping to keep his life afloat. But his fiancée, Aimee Tierney, the love of his life, has moved on. She’s married and has a child of her own. Devastated, James and his sons return to California. But Phil is scheduled for release from prison, and he’s determined to find James, who witnessed something in Mexico that could land Phil back in confinement. Under mounting family pressure, James flees with his sons to Kauai, seeking refuge with Natalya. As James begins to unravel the mystery of his fractured identity, danger is never far behind, and Natalya may be the only person he can trust.

Through the Flames

How a fraying social fabric is fueling the outrage of rural Americans What is fueling rural America's outrage toward the federal government? Why did rural Americans vote overwhelmingly for Donald Trump? And is there a more nuanced explanation for the growing rural-urban divide? Drawing on more than a decade of research and hundreds of interviews, Robert Wuthnow brings us into America's small towns, farms, and rural communities to paint a rich portrait of the moral order—the interactions, loyalties, obligations, and identities—underpinning this critical segment of the nation. Wuthnow demonstrates that to truly understand rural Americans' anger, their culture must be explored more fully, and he shows that rural America's fury stems less from economic concerns than from the perception that Washington is distant from and yet threatening to the social fabric of small towns. Moving beyond simplistic depictions of America's heartland, The Left Behind offers a clearer picture of how this important population will influence the nation's political future.
