BOOK ONE IN THE NEW YORK TIMES BESTSELLING SERIES Instant New York Times bestseller From #1 New York Times bestselling author Sabaa Tahir Amazon's Best Young Adult Book of 2015 People's Choice Award winner - Favorite Fantasy Bustle's Best Young Adult Book of 2015 "This novel is a harrowing, haunting reminder of what it means to be human -- and how hope might be kindled in the midst of oppression and fear." -- The Washington Post "An Ember in the Ashes could launch Sabaa Tahir into JK Rowling territory! It has the addictive quality of The Hunger Games combined with the fantasy of Harry Potter and the brutality of Game of Thrones."--Public Radio International "An Ember in the Ashes glows, burns, and smolders--as beautiful and radiant as it is searing."--Huffington Post "A worthy novel - and one as brave as its characters." --The New York Times Book Review Laia is a slave. Elias is a soldier. Neither is free. Under the Martial Empire, defiance is met with death. Those who do not vow their blood and bodies to the Emperor risk the execution of their loved ones and the destruction of all they hold dear. It is in this brutal world, inspired by ancient Rome, that Laia lives with her grandparents and older brother. The family ekes out an existence in the Empire's impoverished backstreets. They do not challenge the Empire. They've seen what happens to those who do. But when Laia's brother is arrested for treason, Laia is forced to make a decision. In exchange for help from rebels who promise to rescue her brother, she will risk her life to spy for them from within the Empire's greatest military academy. There, Laia meets Elias, the school's finest soldier--and secretly, its most unwilling. Elias wants only to be free of the tyranny he's being trained to enforce. He and Laia will soon realize that their destinies are intertwined--and that their choices will change the fate of the Empire itself.

An Ember in the Ashes

Set in the nineteenth century, World Odyssey (The World Duology, #1) follows the fortunes of three young travelers as each embarks on an epic journey. Their dramatic adventures span sixteen years and see them engage with Native American Indians, Barbary Coast pirates, Aborigines, Maoris and Pacific Islanders as they travel around the world - from America to Africa, from England to the Canary Islands, to Australia, New Zealand and Samoa. Ambitious American adventurer Nathan Johnson's journey begins when he runs away to sea to escape a

violent father. After surviving a shipwreck and enslavement by one of the indigenous tribes of America's northwest, his stocks rise and he becomes a successful trader. When Nathan decides to visit Fiji to trade muskets to the natives, he doesn't know it but his fortunes are about to change again. Sheltered English missionary Susannah Drake's journey begins after she agrees to accompany her clergyman father to Fiji to help him run a mission station there. They endure a nightmare voyage they're lucky to survive. When Susannah finds herself sexually attracted to a young crewmember, she is forced to choose between her forbidden desires and the life her father has mapped out for her. Irrepressible Cockney Jack Halliday's journey begins when he steals hemp from an unscrupulous employer who owes him outstanding wages. For this he's sentenced to seven years' hard labor in the British penal colony of New South Wales. Jack escapes to Fiji only to be tracked down by a bounty hunter employed by the British Government to round up escaped convicts. After traveling thousands of miles and experiencing the best and worst that life can offer, these three disparate individuals eventually end up in the remote archipelago of Fiji, in the South Pacific, where their lives intersect.

The Book of Deacon

From author Rosemary Sutcliff, author of the classic tale *The Eagle of the Ninth*, comes *Outcast*, the tale of an orphan boy in the ancient world. When a Roman ship is wrecked off the coast of Britain, an infant, Beric, is the only survivor, saved by members of a British tribe. They name him Beric and bring him up among them, until the time comes when they can ignore his ancestry no longer. Then Beric is cast out from the only home he has ever known and forced to find his one place in a treacherous world. With illustrations by Richard Kennedy, *Outcast* is sure to delight middle grade lovers of historical adventure. "Rosemary Sutcliff's superb historical imagination never fails." -- *The New York Herald Tribune*

World Odyssey

From New York Times bestselling and award-winning author Jewell Parker Rhodes comes a heartbreaking and uplifting tale of survival in the face of Hurricane Katrina. Twelve-year-old Laneshia lives in a tight-knit community in New Orleans' Ninth Ward. She doesn't have a fancy house like her uptown family or lots of friends like the other kids on her street. But what she does have is Mama Ya-Ya, her fiercely loving caretaker, wise in the ways of the world and able to predict the future. So when Mama Ya-Ya's visions show a powerful hurricane--Katrina--fast approaching, it's up to Laneshia to call upon the hope and strength Mama Ya-Ya has given her to help them both survive the storm. From the New York Times bestselling author of *Ghost Boys* and *Towers Falling*, *Ninth Ward* is a deeply emotional story about transformation and a celebration of resilience, friendship, and family--as only love can define it.

Harrow the Ninth

Discovering his rare ability to summon demons from another world, blacksmith's apprentice Fletcher practices his skills at a magical academy where he prepares to

serve his Empire in the war against the Orcs. A first novel. Simultaneous eBook.

ANTIGRAVITY PROPULSION

Fiji is a spellbinding novel of adventure, cultural misunderstandings, religious conflict and sexual tension set in one of the most exotic and isolated places on earth. As the pharaohs of ancient Egypt build their mighty pyramids, and Chinese civilization evolves under the Shang Dynasty, adventurous seafarers from South East Asia begin to settle the far-flung islands of the South Pacific. The exotic archipelago of Fiji is one of the last island groups to be discovered and will remain hidden from the outside world for many centuries to come. By the mid-1800's, Fiji has become a melting pot of cannibals, warring native tribes, sailors, traders, prostitutes, escaped convicts and all manner of foreign undesirables. It's in this hostile environment an innocent young Englishwoman and a worldly American adventurer find themselves. Susannah Drake, a missionary, questions her calling to spread God's Word as she's torn between her spiritual and sexual selves. As her forbidden desires intensify, she turns to the scriptures and prayer to quash the sinful thoughts - without success. Nathan Johnson arrives to trade muskets to the Fijians and immediately finds himself at odds with Susannah. She despises him for introducing the white man's weapons to the very people she is trying to convert and he pities her for her naivety. Despite their differences, there's an undeniable chemistry between them. When their lives are suddenly endangered by marauding cannibals, Susannah and Nathan are forced to rely on each other for their very survival. Written by father-and-son writing team Lance & James Morcan (authors of The Orphan Trilogy), Fiji is an historical adventure-romance published by Sterling Gate Books. A feature film adaptation of Fiji is currently being developed.

Silent Fear

TV reporter Erica Sparks has become a superstar overnight. Is it due to her hard work and talent, or is she at the center of a spiraling conspiracy? Erica Sparks is a beautiful and ambitious reporter who has just landed her dream job at Global News Network in New York. And while it was hard to leave Jenny, her cherished eight-year-old daughter, in the custody of her ex-husband, Erica is determined to succeed in the cutthroat world of big-time broadcasting. She can only hope her troubled past won't come back to sabotage her dreams. Although the wounds from her divorce are still fresh, Erica can't deny the chemistry between her and her new producer, the handsome and empathetic Greg Underwood. But a relationship is the last thing she wants right now. On her very first assignment, Erica inadvertently witnesses—and films—a horrific tragedy, scooping all the other networks. Mere weeks later, another tragedy strikes—again, right in front of Erica and her cameras. Her career skyrockets overnight, but Erica is troubled. Deeply. This can't just be coincidence. But what is it? Erica will stop at nothing to uncover the truth. But she has to make sure disaster—and her troubled past—don't catch up with her first.

The Transhumanist Wager

WARRIORS ROCK! Sixteen-year-old Jericho is psyched when he and his cousin and

best friend, Josh, are invited to pledge for the Warriors of Distinction, the oldest and most exclusive club in school. Just being a pledge wins him the attention of Arielle, one of the hottest girls in his class, whom he's been too shy even to talk to before now. But as the secret initiation rites grow increasingly humiliating and force Jericho to make painful choices, he starts to question whether membership in the Warriors of Distinction is worth it. How far will he have to go to wear the cool black silk Warriors jacket? How high a price will he have to pay to belong? The answers are devastating beyond Jericho's imagination.

The Book Thief

Based on the remarkable true story of Irish convict John Graham, WHITE SPIRIT is an epic historical adventure set in 19th Century Australia. After escaping from the notorious Moreton Bay Penal Settlement, Graham finds refuge with the Kabi, a tribe of Aborigines who eventually accept him as one of their own. Attempts to recapture Graham are orchestrated by a variety of contrasting characters working for the all-pervasive British Empire. They include Moreton Bay's tyrannical, opium-addicted commandant Lord Cheetham, the dashing yet warlike Lieutenant Hogan, native tracker Barega and the penal settlement's captain, Tom Marsden. Marsden's young daughter Helen, a progressive lady ahead of her time who is both an egalitarian and a feminist, boldly inserts herself into the clash between the Irish convict, her father and Moreton Bay's other iron-fisted rulers. Helen complicates things further when she finds herself in a Pride and Prejudice-style love triangle with men on opposite sides of the conflict. When Scottish woman Eliza Fraser is found shipwrecked and close to death in Kabi territory, Graham and his legion of pursuers, as well as the Irishman's adopted Aboriginal family, are all forced to navigate a multi-faceted rescue mission. The precarious rendezvous is made all the more dangerous by Helen Marsden's ethically-driven meddling that often outwits the men involved. WHITE SPIRIT is not only based on arguably the great Australian (true) story, a sweeping tale that encapsulates all the nuances of the southern continent's unique history, it also provides readers with detailed insights into the tribal life of First Australian (Aboriginal) peoples.

Forging the Darksword

All alone in Argentina, with only a guardian angel, a broken heart and an abundance of beer for company. With no plans and no time limit, the backpacking nameless tourist travels not only to Argentina but also across the borders to Paraguay, Chile and Brazil, through a blur of smoky bars, sexy señoritas, lucky escapes and magnificent mountains, guided by signs and the mysterious 11:11 Phenomenon. Told in a tangle of cut up twisted timelines; snippets and snapshots with bustling city and small town backdrops, this beat driven, beer drinking, spiritual somersault of a true story pushes the boundaries of modern writing to the limits. If you're looking for something different, then you've just found it. A story for travellers, truth seekers, free thinkers, and anyone that's been lost after losing their love. It could have been called 'Drink, Pray, Lust!' A Mind Body Spirit book with sex, drugs and reggaeton"

Forgotten - The Fate Trilogy

Charles Stross builds a new series with Empire Games, expanding on the world he created in the Family Trade series, a new generation of paratime travellers walk between parallel universes. The year is 2020. It's seventeen years since the Revolution overthrew the last king of the New British Empire, and the newly-reconstituted North American Commonwealth is developing rapidly, on course to defeat the French and bring democracy to a troubled world. But Miriam Burgeson, commissioner in charge of the shadowy Ministry of Intertemporal Research and Intelligence—the paratime espionage agency tasked with catalyzing the Commonwealth's great leap forward—has a problem. For years, she's warned everyone: "The Americans are coming." Now their drones arrive in the middle of a succession crisis. In another timeline, the U.S. has recruited Miriam's own estranged daughter to spy across timelines in order to bring down any remaining world-walkers who might threaten national security. Two nuclear superpowers are set on a collision course. Two increasingly desperate paratime espionage agencies try to find a solution to the first contact problem that doesn't result in a nuclear holocaust. And two women—a mother and her long-lost daughter—are about to find themselves on opposite sides of the confrontation. Gideon the Ninth

William Golding's unforgettable classic of boyhood adventure and the savagery of humanity comes to Penguin Classics in a stunning Graphic Deluxe Edition with a new foreword by Lois Lowry As provocative today as when it was first published in 1954, *Lord of the Flies* continues to ignite passionate debate with its startling, brutal portrait of human nature. William Golding's compelling story about a group of very ordinary boys marooned on a coral island has been labeled a parable, an allegory, a myth, a morality tale, a parody, a political treatise, and even a vision of the apocalypse. But above all, it has earned its place as one of the indisputable classics of the twentieth century for readers of any age. This Penguin Classics Graphic Deluxe Edition features an array of special features to supplement the novel, including a foreword by Lois Lowry, an introduction by Stephen King, an essay by E. M. Forster, an essay on teaching and reading the novel and suggestions for further exploration by scholar Jennifer Buehler, and an extended note by E. L. Epstein, the publisher of the first American paperback edition of *Lord of the Flies*. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles,

Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Ninth Ward

In this explosive conclusion to The Orphan Trilogy, the ninth-born orphan's dramatic story resumes five years after book one, The Ninth Orphan, ends. Having eluded his former masters at the Omega Agency and escaped his past life as an operative, Nine has married his soul mate, Isabelle. They've carved out a new life for themselves, off the grid, in the remote islands of French Polynesia. The contented couple have a five-year-old son, Francis, who is a chip off the old block and who has inherited his father's unique DNA. Francis will soon have a sister as Isabelle is about to give birth to a baby girl. Their idyllic lifestyle is shattered when Francis is abducted by operatives in the employ of the Omega Agency, the shadowy organization that brought Nine into the world and once controlled every aspect of his life. The terrified boy with the unique DNA is dispatched to one of Omega's underground medical laboratories for scientific testing and experimentation. Nine is desperate to find Francis before Omega can harm him. He soon finds he's up against his fellow orphans - all elite operatives as he once was - who are under orders to kill him on sight. To overcome them, he must call on all his former training and skills. His search takes him around the world - from Tahiti to America, Germany, Greenland and the Congo. To add to Nine's worries, he has a serious heart condition that requires immediate surgery. The clock is ticking and he knows he's on borrowed time. It's a race against the clock to find his son before Omega can harm the boy - and before his heart gives out. Written by father-and-son writing team Lance & James Morcan (authors of The Ninth Orphan, The Orphan Factory and The World Duology), The Orphan Uprising is the third book in The Orphan Trilogy. A feature film adaptation of The Ninth Orphan is currently being developed.

Outcast

Ashleigh Starr, known as Ash to all but one, carries a dark secret, punishable by a fate worse than death. In an apocalyptic world where humanity has been invaded by a new virus for years, Ash bears the burden of a forbidden love on her shoulders, the forbidden love of one of the Infected, those her people call the Fleshers. Fleshers — unclean beings who are believed to be cursed and punished by their desire to feed on human flesh and blood. Ash spends her days exploring in the abandoned city outside the walls of her village and gathering bandages for the man she loves, the man who becomes a flesher at night only to return to human form at morning. Her only protection from the laws of her village comes from her ability to keep Garrett a secret in her home and from her blood, which is immune to the fleshers’ bite and blood. But the day Ash is given a treatment for Garrett is when their secret love is threatened by the future leader of her village. With two newfound visitors from the outside, Ash and Garrett escape into the land of the undead seeking a way to turn their treatment into a cure. But they are pursued by Lucius, the bloodthirsty future leader, who vows to have his revenge on Garrett for past wounds. And he won’t stop until he’s killed Ash and felt her immune blood on his hands.

The Knife of Never Letting Go

"This novel was inspired by the murders of deaf students at Gallaudet University, one of the world’s most prestigious learning institutions for the deaf, between 1980 and the early 2000’s. The investigating authorities didn’t know if the killings were ‘inside jobs’ and for a time nearly everyone connected to Gallaudet was under suspicion."--Author's note.

The Newsmakers

THE CATCHER IN THE RYE ENIGMA unearths the mysteries surrounding the 1951 novel *The Catcher in the Rye*, by J.D. Salinger - arguably the most controversial book of all time. Nicknamed the 'Bible of teenage angst', the classic novel, which is frequently labeled immoral by different groups, has been banned in various parts of America over the decades. However, the main controversy, and indeed the most common reason for it being banned, was that it either inspired or was associated with some of the most infamous crimes of the 20th Century. These crimes include the murder of John Lennon and the attempted assassination of President Reagan. The allegation directed at Salinger is that he (and/or his publisher) craftily implanted into the book neurolinguistic passages, or coded messages, that act as post-hypnotic suggestions or mind control "triggers." In turn, these triggers enabled CIA handlers to activate Manchurian Candidates for assassinations. Some conspiracy theorists also believe the novel was part of the CIA's now mostly-declassified mind control program MK-Ultra, and that while assassins were being brainwashed they were forced to read the book over and over until it was embedded in their minds. But given that Salinger's critically acclaimed masterpiece was one of the biggest selling books of the 20th Century, are the crimes it was associated with merely happenstance? Today, if a handful of different murderers had a copy of *The Da Vinci Code* or a Harry Potter book, or were all fixated on a similarly popular book, would it even make the news headlines? Novelists, filmmakers and independent researchers James Morcan & Lance Morcan investigate these theories and counter arguments in *THE CATCHER IN THE RYE ENIGMA* - the fourth book of *The Underground Knowledge Series*. This balanced

expose ultimately leaves it up to you, the reader, to decide whether J.D. Salinger's novel is a "Mind Control Triggering Device" or simply a "Coincidental Literary Obsession of Criminals" just as this book's subtitle suggests. Besides the criminals who targeted Lennon and Reagan, THE CATCHER IN THE RYE ENIGMA also details other deranged individuals who were obsessed with Salinger's book including stalkers and murderers of leading political figures, film stars and other celebrities. The idea that assassination codes are buried deep in Salinger's book is one of the oldest conspiracy theories around and has been explored repeatedly over the decades with no smoking gun ever found. In fact, many familiar with Catcher conspiracies may think all the theories have already been proven to be false and there's no need to drag them up yet again. However, given what the authors have uncovered in their research for THE CATCHER IN THE RYE ENIGMA - especially the unique revelations on the history of mind control, the effectiveness of subliminal messages, the latest scientific studies on the brain, Salinger's underreported dealings with the Americanized Nazis of Project Paperclip and the recently declassified documents on real-life Manchurian Candidates - they believe some of the theories swirling about the classic novel deserve another look. Note that this title is an extended version of several chapters in The Orphan Conspiracies: 29 Conspiracy Theories from The Orphan Trilogy (Sterling Gate Books, 2014) also by James & Lance Morcan. The Catcher in the Rye Enigma therefore contains a combination of new material as well as some recycled material from The Orphan Conspiracies."

The Ninth Star

Philosopher, entrepreneur, and former National Geographic and New York Times correspondent Zoltan Istvan presents his visionary novel, The Transhumanist Wager, as a seminal statement of our times. Scorned by over 500 publishers and literary agents around the world, his philosophical thriller has been called "revolutionary" and "socially dangerous" by readers, scholars, and religious authorities. The novel debuts a challenging original philosophy, which rebuffs modern civilization by inviting the end of the human species-and declaring the onset of something greater. Set in the present day, the novel tells the story of transhumanist Jethro Knights and his unwavering quest for immortality via science and technology. Fighting against him are fanatical religious groups, economically depressed governments, and mystic Zoe Bach: a dazzling trauma surgeon and the love of his life, whose belief in spirituality and the afterlife is absolute. Exiled from America and reeling from personal tragedy, Knights forges a new nation of willing scientists on the world's largest seasteading project, Transhumania. When the world declares war against the floating city, demanding an end to its renegade and godless transhuman experiments and ambitions, Knights strikes back, leaving the planet forever changed.

Secret of the Sands

Tal tries to steal a sunstone, but during his act of thievery is thrown off the Castle of Seven Towers by a powerful Spiritshadow Keeper. He falls down to the iceworld below, where he is captured by Icecarls. To save his life, he must team up with Milla - a Shield-Maiden in training - and offer his aid to the nomads.

CATCHER IN THE RYE ENIGMA

When the Royal Wizard of Westland poisons the king so that his puppet prince can take the throne and start a continental war, a young squire is forced to run for his life carrying the powerful sword that his dying monarch burdened him with from the death bed. Two brothers find a magic ring and start on paths to becoming the most powerful sort of enemies, while an evil young sorceress unwillingly falls in love with one of them when he agrees to help her steal a dragon's egg for her father. Her father just happens to be the Royal Wizard, and despite his daughter's feelings, he would love nothing more than to sacrifice the boy! All of these characters, along with the Wolf King of Wildermont, the Lion Lord of Westland, and a magical hawk named Talon, are on a collision course toward Willa the Witch Queen's palace in the distant kingdom of Highwander. There the very bedrock is formed of the powerful magical substance called Wardstone. Who are the heroes? And will they get there before the Royal Wizard and his evil hordes do? Whatever happens, the journey will be spectacular, and the confrontation will be cataclysmic.

Empire Games

In the hotly anticipated ninth installment of the Young Wizards series, Kit and Nita become part of an elite team investigating the mysterious "message in a bottle," which holds the first clues to the secrets of the long-lost inhabitants of Mars. But not even wizardry can help them cope with the strange events that unfold when the "bottle" is uncorked and a life form from another era emerges. Though the Martians seem friendly, they have a plan that could change the shape of more than one world. As the shadow of interplanetary war stretches over both worlds, Kit and Nita must fight to master the strange and ancient synergy binding them to Mars and its last inhabitants. If they don't succeed, the history that left Mars lifeless will repeat itself on Earth.

For all of her seventeen years she has followed the rules and precepts of the Authority, obedient and unquestioning in her loyalty. Until now. On the once peaceful colony, things are beginning to go wrong and when her best friend disappears Lark will find herself dragged into dangers she could never have imagined. For beneath Icenii's perfection lies a terrible secret: At the heart of its peace, a terrible lie. With the help of Ander, a mysterious survivor shipped from Earth, Lark will discover the truth - a truth that could set her free or destroy her world forever. The beginning of a brand new YA trilogy, perfect for fans of dystopian and science fiction

readers have been saying about The Ninth Star: 'A gripping dystopian page turner. You will not see that ending coming!' 'Clever plot lines which keep the pages turning at a rapid rate.' 'Such a brilliant book. I was gripped from the first page.' 'A proper page turner. I couldn't put it down!'

The Novice

The biggest mystery of our era finally gets the balanced and unbiased investigation it deserves. 'ANTIGRAVITY PROPULSION: Human or Alien Technologies?' is a far-reaching exploration into the UFO phenomenon that covers all possible scenarios and discounts nothing. Written by novelists, filmmakers and independent researchers James Morcan & Lance Morcan, with a foreword by advanced interstellar propulsion systems expert Grant Hayman and an afterword by leading scientist and space industry veteran Dr. Takaaki Musha, one of the great enigmas of all time is examined with equal doses of open-mindedness and skepticism. This book includes never-before-mentioned accounts of popular UFO topics like Area 51, Roswell and alien abduction claims, as well as tackling less reported subjects such as Nazi and Japanese antigravity experiments and even rarer theories involving quantum physics and lost civilizations of the ancients. What do all the sightings of UFO's around the world reveal? Who is covering up the existence of these strange craft in our skies? And are the technologies manmade or extraterrestrial in origin? Forget what you think you already know and prepare to be surprised. For those searching for the truth about these exotic technologies and wanting to know why they are being concealed from the public, ANTIGRAVITY PROPULSION is a must read.

UNDERGROUND BASES

Publisher: Solstice Publishing Fifteen-year-old Kate Christenson is pretty sure she's about to experience the worst possible summer at her grandparents' rural farm in Baudette, Minnesota. Without cable, cell phones, or computers, she is headed for total isolation and six tedious weeks of boredom. Until the storm. A freak lightning accident has Kate waking up in 1960. But she is not herself. She's the aunt she never met but has eerily resembled her entire life. Thrust into living a dirt-poor, rural farm existence, Kate struggles to make sense of her situation - a boyfriend with a dark side, a "townie" who steals her heart, and the knowledge that 1960 is the very summer her aunt drowns in the local river. But was the drowning an accident or a suicide or something much worse?

The Orphan Uprising

What do the world's superpowers get up to in their secret underground bunkers? UNDERGROUND BASES: Subterranean Military Facilities and the Cities Beneath Our Feet, by novelists, filmmakers and independent researchers James Morcan & Lance Morcan, details confirmed and rumored underground facilities in the United States and around the world. Containing rare photographic evidence throughout as well as little-known quotes from key government figures, it makes a compelling case for there being an enormous hidden world under the Earth's surface. The Morcans speculate that the covert underground infrastructure may be far bigger than

anyone has previously supposed and is likely used for the development of suppressed technologies. Their sources include declassified files, university reports, WikiLeaks' documents and interviews with ex-military personnel turned whistleblowers who claim to have worked in "cities below ground." UNDERGROUND BASES delivers a vast array of facts and theories that ultimately allows readers to form their own conclusions. The expose covers everything from: the US Department of Defense's verified evacuation areas beneath the White House and the Pentagon as well as their acknowledged sites at Mount Weather and Cheyenne Mountain; underground facilities around the world including Russia's sprawling Mezhgorye complex and Australia's CIA-managed Pine Gap; the long-forgotten newspaper headlines which reported that Adolf Hitler and senior SS officers may have built a Nazi colony beneath Antarctica after WW2; rumors that human-alien joint ventures are occurring below ground and that kidnapped citizens are being detained in subterranean prisons for illegal medical experimentation such as cloning. Why are the Global Elite spending trillions of dollars of their black budgets to build such vast networks of underground (and undersea and under-ice) sites? Are they simply preparing for emergencies as per official government explanations? Do they believe an Armageddon scenario is imminent? Are they secretly collaborating with extraterrestrials? Or, are they literally creating a breakaway civilization separate to the rest of humanity? To attempt to address these and other questions, UNDERGROUND BASES takes readers on a vicarious journey into miles-deep military bases and other subterranean facilities not known to the general public."

Gideon the Ninth is the first book in the New York Times and USA Today Bestselling Locked Tomb Trilogy, and one of the Best Books of 2019 according to NPR, the New York Public Library, Amazon, BookPage, Shelf Awareness, BookRiot, and Bustle! WINNER of the 2020 Locus Award and Crawford Award Finalist for the 2020 Hugo, Nebula, Dragon, and World Fantasy Awards "Unlike anything I've ever read." —V.E. Schwab "Lesbian necromancers explore a haunted gothic palace in space!" —Charles Stross "Deft, tense and atmospheric, compellingly immersive and wildly original." —The New York Times The Emperor needs necromancers. The Ninth Necromancer needs a swordswoman. Gideon has a sword, some dirty magazines, and no more time for undead nonsense. Tamsyn Muir's Gideon the Ninth unveils a solar system of swordplay, cut-throat politics, and lesbian necromancers. Her characters leap off the page, as skillfully animated as arcane revenants. The result is a heart-pounding epic science fantasy. Brought up by unfriendly, ossifying nuns, ancient retainers, and countless skeletons, Gideon is ready to abandon a life of servitude and an afterlife as a reanimated corpse. She packs up her sword, her shoes, and her dirty magazines, and prepares to launch her daring escape. But her childhood nemesis won't set her free without a service. Harrowhark Nonagesimus, Reverend Daughter of the Ninth House and bone witch extraordinaire, has been summoned into action. The Emperor has invited the heirs to each of his loyal Houses to a deadly trial of wits and skill. If Harrowhark succeeds she will become an immortal, all-powerful servant of the Resurrection, but no necromancer can ascend without their cavalier. Without Gideon's sword, Harrow will fail, and the Ninth House will die. Of course, some things are better left dead. THE LOCKED TOMB TRILOGY BOOK 1: Gideon the Ninth BOOK 2: Harrow the

Shadow and Bone

Pursued by power-hungry Prentiss and mad minister Aaron, young Todd and Viola set out across New World searching for answers about his colony's true past and seeking a way to warn the ship bringing hopeful settlers from Old World.

Route Number 11

His perseverance unnerved me, scrutinizing my every move like a twisted guardian angel. Jace waited patiently for me to join him. Like he knew my defiance would crumble under his intense gaze, which was exactly why I avoided him until twilight. He hijacked my dreams and proved to be a different kind of nightmare – unhinged, rebellious, and dangerously mouth-watering. “Escape from reality, Gwyneth. Sometimes life can be too painful to live in, even for immortals,” Jace whispered in my dream. His heat, fervor, and unrelenting confidence resonated around me when he closed the gap between us. His lips hovered above mine, waiting for me to give into him.

The Ninth Sorceress

The Book of Deacon is the first book of The Book of Deacon series by Joseph R. Lallo. Miranda Celeste's world has been built on a legacy of bloodshed. For more than a century, her homeland the Northern Alliance has fought the Kingdom of Tressor in what has come to be known as the Perpetual War. While her people look upon the conflict with reverence, Miranda's hate for the war has made her an outcast. When she finds a precious sword among the equipment of a fallen warrior, she believes her luck may have changed. Little does she imagine that the treasure will draw her into an adventure of wizards and warriors, soldiers and rebels, and beasts both noble and monstrous. The journey will teach her much about her potential, about the origins of the war, and about the threat her world truly faces. Will Miranda unlock the secret of bringing peace once and for all, or will the world be lost to the Perpetual War?

Lord of the Flies

How do you catch a man who is never the same man twice? That is the question posed in The Ninth Orphan, a top-rated international thriller novel and the first book in The Orphan Trilogy. An orphan grows up to become an assassin for a highly secretive organization. When he tries to break free and live a normal life, he is hunted by his mentor and father figure, and by a female orphan he spent his childhood with. On the run, the mysterious man's life becomes entwined with his beautiful French-African hostage and a shocking past riddled with the darkest of conspiracies is revealed. But can the ninth-born orphan ever get off the grid? To find out you'll need to go on a tumultuous journey around the globe to such far-flung locations as China, France, the Philippines, Andorra, America, England, Germany and French Polynesia. The frenetic cat-and-mouse chase moves from

airports to train stations and hidden torture prisons, taking the reader on a shocking, nail-biting ride into the world's closet of skeletons that goes beyond conspiracy theories to painful reality. Fast-paced, totally fresh and original, filled with deep and complex characters, The Ninth Orphan is a controversial, high-octane thriller with an edge. Merging fact with fiction, it illuminates shadow organizations rumored to actually exist in our world. The novel explores a plethora of conspiracies involving real organizations like the CIA, MI6, and the UN, and public figures such as President Obama as well as the Clinton, Marcos and Bush families. Tackling genetic selection, mind control and secret societies, The Ninth Orphan exposes a global agenda designed to keep the power in the hands of a select few. The novel's antagonists are members of a shadow government acting above and beyond the likes of the White House, the FBI, the Pentagon and the NSA. Could something like this ever take place? Or, is it already taking place right now? This unique and unpredictable thriller also has a poignant, romantic sub-plot. The story contains the kind of intimate character portraits usually associated with psychological novels. Buckle up for a wild trip full of death-defying action, cloak and dagger intrigue, unexpected role reversals and surprise endings. Written by father-and-son writing team Lance & James Morcan (authors of The Orphan Factory, The Orphan Uprising and Fiji: A Novel), The Ninth Orphan is Book #1 in The Orphan Trilogy. A feature film adaptation of The Ninth Orphan is also currently being developed.

The Sword and the Dragon

One of the BBC's '100 Novels That Shaped Our World' A worldwide bestseller and the first part of Achebe's African Trilogy, Things Fall Apart is the compelling story of one man's battle to protect his community against the forces of change. Okonkwo is the greatest wrestler and warrior alive, and his fame spreads throughout West Africa like a bush-fire in the harmattan. But when he accidentally kills a clansman, things begin to fall apart. Then Okonkwo returns from exile to find missionaries and colonial governors have arrived in the village. With his world thrown radically off-balance he can only hurtle towards tragedy. First published in 1958, Chinua Achebe's stark, coolly ironic novel reshaped both African and world literature, and has sold over ten million copies in forty-five languages. This arresting parable of a proud but powerless man witnessing the ruin of his people begins Achebe's landmark trilogy of works chronicling the fate of one African community, continued in Arrow of God and No Longer at Ease. 'His courage and generosity are made manifest in the work' Toni Morrison 'The writer in whose company the prison walls fell down' Nelson Mandela 'A great book, that bespeaks a great, brave, kind, human spirit' John Updike With an Introduction by Biyi Bandele
