### Hollyweird Science

When Irma falls for a mysterious guitarist in a new band, she becomes determined to find out the truth behind her mesmerizing crush.

### My Dad Is Awesome

"Joni Murphy's inventive and beautiful allegory depicts a city enmeshed in climate collapse, blinded to the signs of its imminent destruction by petty hatreds and monstrous greed: that is, the world we are living in now. Talking Animals is an Orwellian tale of totalitarianism in action, but the animals on this farm are much cuter, and they make better puns." —Chris Kraus, author of I Love Dick and After Kathy Acker A fable for our times, Joni Murphy's Talking Animals takes place in an all-animal world where creatures rather like us are forced to deal with an all-too-familiar landscape of soul-crushing jobs, polluted oceans, and a creeping sense of doom. It's New York City, nowish. Lemurs brew espresso. Birds tend bar. There are bears on Wall Street, and a billionaire racehorse is mayor. Sea creatures are viewed with fear and disgust and there's chatter about building a wall to keep them out. Alfonzo is a moody alpaca. His friend Mitchell is a sociable llama. They both work at City Hall, but their true passions are noise music and underground politics. Partly to meet girls, partly because the world might be ending, these lowly bureaucrats embark on an unlikely mission to expose the corrupt system that's destroying the city from within. Their project takes them from the city's bowels to its extremities, where they encounter the Sea Equality Revolutionary Front, who are either a group of dangerous radicals or an inspiring liberation movement. In this novel, at last, nature kvetches and grieves, while talking animals offer us a kind of solace in the guise of dumb jokes. This is

mass extinction as told by BoJack Horseman. This is The Fantastic Mr. Fox journeying through Kafka's Amerika. This is dogs and cats, living together. Talking Animals is an urgent allegory about friendship, art, and the elemental struggle to change one's life under the low ceiling of capitalism.

## **No Kiss for Mother**

Informative, entertaining and upbeat, this book continues Grazier and Cass's exploration of how technology, science, and scientists are portrayed in Hollywood productions. Both big and small-screen productions are featured and their science content illuminated—first by the authors and subsequently by a range of experts from science and the film world. Starring roles in this volume are played by, among other things, computers (human and mechanical), artificial intelligences, robots, and spacecraft. Interviews with writers, producers, and directors of acclaimed science-themed films stand side by side with the perspectives of scientists, science fiction authors, and science advisors. The result is a stimulating and informative reading experience for the layperson and professional scientist or engineer alike. The book begins with a foreword by Zack Stentz, who co-wrote X-Men: First Class and Thor, and is currently a writer/producer on CW's The Flash.

## **Will You Still Love Me, If . . . ?**

The third book in the thrilling fantasy adventure series, The Shamer Chronicles A watching face in a market crowd, a mist-shrouded figure on the moor, a haunting presence seen only when he wants to be seen? Sezuan, possessor of the Serpent Gift for lie and illusion, is a chilling and ambiguous figure at the best of times. He is also Dina's father. And when he comes to claim the daughter he has never seen, the Shamer and her family are catapulted into reckless flight and danger. With nowhere else to turn, Dina must learn to see through her father's deceit and use her own powers to her advantage.

## **Junior High School Library Catalog**

Nina Borg, a Red Cross nurse, wife, and mother of two, is a compulsive do-gooder who can't say no when someone asks for help—even when she knows better. When her estranged friend Karin leaves her a key to a public locker in the Copenhagen train station, Nina gets suckered into her most dangerous project yet. Inside the locker is a suitcase, and inside the suitcase is a three-year-old boy: naked and drugged, but alive. Is the boy a victim of child trafficking? Can he be turned over to authorities, or will they only return him to whoever sold him? When Karin is discovered brutally murdered, Nina realizes that her life and the boy's are in jeopardy, too. In an increasingly desperate trek across Denmark, Nina tries to figure out who the boy is, where he belongs, and who exactly is trying to hunt him down.

## **Universal Historical Dictionary**

In the spirit of fantasy epics like George R.R. Martin's A Game of Thrones and Brandon Sanderson's The Way of Kings, The Fatemarked Epic promises immaculate world building, an ancient prophecy, a mysterious source of magic, interesting

characters, war, political intrigue, and romance. The Hundred Years War has ravaged more than three generations of kings, queens, and citizens across the Four Kingdoms. Corrupt rulers dominate. Religious intolerance runs rampant. The cycle of vengeance continues to turn with the seasons. An ancient prophecy by a legendary oracle has been long forgotten. The prophecy promises the return of peace to the Four Kingdoms on the backs of a chosen few, the fatemarked, individuals marked at birth and blessed with specific magical powers. One shall be the Kings' Bane, and will bring death to the warmongering rulers, using fear to force peace; another shall be the Peacemaker, bestowed with the rare ability to heal. Opposite sides of the same coin, dark and light, death and life, the Kings' Bane and the Peacemaker are responsible for the fate of an entire continent. As they fight to achieve their destinies, adversity will hinder them in every realm: in the frozen north, assassination attempts and a brutal power struggle; in the holy west, a vicious queen and her self-righteous army of warriors; in the mysterious iron-clad forest of the east, revenge and glory rule the day; and in the southern empires of Calyp and Phanes, maturing dragons, slaves, and a civil war. To truly fulfill the oracle's prophecy of peace, both the Kings' Bane and the Peacemaker, as well as the other fatemarked, will need to overcome those who seek to destroy everything in their pursuit for power.

## **Gematria and the Tanakh**

The thrilling final installment of the New York Times bestselling Nina Borg series set in Denmark In an attempt to save their marriage, Nina Borg and her husband traveled to a beach resort in the Philippines for a dream vacation. Only now, six months later, does Nina begin to understand the devastating repercussions of that trip—repercussions that have followed her home across the globe to Denmark. On an icy winter day, she is attacked outside the grocery store. The last thing she hears before losing consciousness is her assailant asking her forgiveness. Only later does she understand that this isn't for what he's just done, but for what he plans to do to. As Nina tries to trace the origin of sinister messages she's received, she realizes the attempt on her life must be linked to events in Manila, and to three young men whose dangerous friendship started in medical school. Time and circumstance have forced them to make impossible choices that have cost human lives. It's a long way from Viborg to Manila, and yet Nina and her pursuer face the same dilemma: How far will they go to save themselves? From the Hardcover edition.

## **The Witches of Echo Park**

From beloved author, director, and actress, Amber Benson Unbeknownst to most of humankind, a powerful network of witches thrives within the shadows of society, using their magic to keep the world in balance. But they are being eliminated—and we will all pay if their power falls... When Elyse MacAllister's great-aunt Eleanora, the woman who raised her, becomes deathly ill, Lyse puts her comfortable life in Georgia on hold to rush back to Los Angeles. And once she returns to Echo Park, Lyse discovers her great-aunt has been keeping secrets—extraordinary secrets—from her. Not only is Lyse heir to Eleanora's Victorian estate; she is also expected to take her great-aunt's place in the Echo Park coven of witches. But to accept her destiny means to place herself in deadly peril—for the world of magic is under siege, and the battle the witches now fight may be their last...

## **The Circus and Other Stories**

After the tumultuous events of last winter, Kate, Michael, and Emma long to continue the hunt for their missing parents. But they themselves are now in great danger, and so the wizard Stanislaus Pym hides the children at the Edgar Allan Poe Home for Hopeless and Incurable Orphans. There, he says, they will be safe. How wrong he is. The children are soon discovered by their enemies, and a frantic chase sends Kate a hundred years into the past, to a perilous, enchanted New York City. Searching for a way back to her brother and sister, she meets a mysterious boy whose fate is intricately—and dangerously—tied to her own. Meanwhile, Michael and Emma have set off to find the second of the Books of Beginning. A series of clues leads them into a hidden world where they must brave harsh polar storms, track down an ancient order of

warriors, and confront terrible monsters. Will Michael and Emma find the legendary book of fire—and master its powers—before Kate is lost to them forever? Exciting, suspenseful, and brimming with humor and heart, the next installment of the bestselling Books of Beginning trilogy will lead Kate, Michael, and Emma closer to their family—and to the magic that could save, or destroy, them all.

## **The Four-Gated City**

"Madeleine's inquisitive mind and candid voice are enough to keep us reading." —The New York Times Book Review  
New York Times bestselling author Lene Kaaberbl returns with her beloved protagonist Madeleine Karno—an ambitious young woman who shatters the confines of nineteenth century France. On June 2nd, 1894, in the wake of President Marie Francois Sadi Carnot's assassination, France descends into chaos and riots in the streets of Varbourg. Many lives are lost in the mayhem, but when one lady of the night is found murdered with brutal incisions and no sign of a struggle, it is clear something is amiss. Madeleine Karno must ask herself the terrifying question: Do they have their very own Jack the Ripper

in France? Madeleine is no stranger to cases such as this. Though she is a woman in forensic pathology (a career considered unseemly even for men), her recent work with a string of mysterious deaths and becoming the first female student admitted to the University of Varbroug has earned her some semblance of respect. But there's only so much her physiology courses can do to help her uncover the mysteries of a mad scientist's brutal murders. Madeleine must do whatever it takes—investigate the darkest corners of the city and even work undercover—to track down a murderer at large. But if there's one thing the press has right about "Mademoiselle Death," it's this: it takes a woman to find a killer of women.

## **The Serpent Gift**

## **The Considerate Killer**

From the Nordic noir duo who brought you *The New York Times* bestseller *The Boy in the Suitcase* comes a chilling new thriller with a mystery seventy-years in the making. Nina. Natasha. Olga. Three women united by one terrifying secret. But only one of them has killed to keep it. Natasha Doroshenko, a Ukrainian woman who has been convicted for the attempted murder of her Danish ex-fiancé, escapes police custody on her way to an interrogation in Copenhagen's police headquarters. That same night, the ex-fiancé's frozen, tortured body is found in a car. It isn't the first time the young Ukrainian woman has lost a partner to violent ends: her first husband was murdered three years earlier in Kiev in the same manner. Danish Red Cross nurse Nina Borg has followed Natasha's case for years now, ever since Natasha first took refuge at her crisis center. Nina just can't see the young mother as a vicious killer. But in her effort to protect Natasha's daughter and discover the truth, Nina realizes there is much she didn't know about Natasha and her past. The mystery has long and bloody roots, going back to a terrible famine that devastated Stalinist Ukraine in 1934, when a ten-year-old girl with the voice of a nightingale sang her family into shallow graves.

## **Sermons and Rhetoric of Kievan Rus'**

Lighthearted, quirky, and upbeat, this book explores the portrayal of science and technology on both the big and little screen -- and how Hollywood is actually doing a better job of getting it right than ever before. Grounded in the real-world, and often cutting-edge, science and technology that inspires fictional science, the authors survey Hollywood depictions of topics such as quantum mechanics, parallel universes, and alien worlds. Including material from interviews with over two dozen writers, producers, and directors of acclaimed science-themed productions -- as well as scientists, science fiction authors, and science advisors -- Hollyweird Science examines screen science fiction from the sometimes-conflicting vantage points of storytellers, researchers, and viewers. Including a foreword by Eureka co-creator and executive producer Jaime Paglia, and an afterword by astronomer and science fiction author Michael Brotherton, Ph.D., this book is accessible to all readers from the layperson to the armchair expert to the professional scientist, and will delight all of them equally.

## **The History of the Decline and Fall of the Roman Empire, Vol. 5 (Classic Reprint)**

Carter explores early modern culture's reception of Ovid through the manipulation of Ovidian myth by Shakespeare, Middleton, Heywood, Marlowe and Marston. With a focus on sexual violence, homosexuality, incest and idolatry, Carter analyses how depictions of mythology represent radical ideas concerning gender and sexuality.
