message on his computer screen. FBI Agent J. J. Shepherd believes some of this might be related to an explosion at the Citadel, a secretive monastery in Ruin, Turkey; the viral outbreak that followed there; and the chilling disappearance of a woman named Liv Adamsen. As strange events and natural disasters occur around the world, Liv searches for the final secrets of the prophecy, while inside the walls of the Ruin, her lover, Gabriel Mann, infected by the virus, battles to survive. Is this the end of days? In the tradition of Dan Brown's *The DaVinci Code* and Steve Berry's *The Columbus Affair*, *The Tower* will keep you riveted until the very last twist.

The Sunken Church

In Washington, D.C., a homeless man takes an assassin's bullet and dies in Commander Gray Pierce's arms. A bloody coin clutched in the dead man's hand—an ancient relic that can be traced back to the Greek Oracle of Delphi—is the key to a conspiracy that dates back to the Cold War and threatens the very foundation of humanity. For what if it were possible to bioengineer the next great prophet—a new Buddha, Muhammad, or even Jesus? Would this Second Coming be a boon . . . or would it initiate a chain reaction that would result in the extinction of humankind? Vital seconds are ticking rapidly away as Pierce races across the globe in search of answers, one step ahead of ruthless killers determined to reclaim the priceless artifact. Suddenly the future of all things is balanced on the brink between heaven and hell—and salvation or destruction rests in the

hands of remarkable children.

Knights of the Black and White

The ancient order of the Knights Templar possessed untold wealth and absolute power over kings and popes . . . until the Inquisition, when they were wiped from the face of the earth, their hidden riches lost. But now two forces vying for the treasure have learned that it is not at all what they thought it was—and its true nature could change the modern world. Cotton Malone, one-time top operative for the U.S. Justice Department, is enjoying his quiet new life as an antiquarian book dealer in Copenhagen when an unexpected call to action reawakens his hair-trigger instincts—and plunges him back into the cloak-and-dagger world he thought he'd left behind. It begins with a violent robbery attempt on Cotton's former supervisor, Stephanie Nelle, who's far from home on a mission that has nothing to do with national security. Armed with vital clues to a series of centuries-old puzzles scattered across Europe, she means to crack a mystery that has tantalized scholars and fortune-hunters through the ages by finding the legendary cache of wealth and forbidden knowledge thought to have been lost forever when the order of the Knights Templar was exterminated in the fourteenth century. But she's not alone. Competing for the historic prize— and desperate for the crucial information Stephanie possesses—is Raymond de Roquefort, a shadowy zealot with an army of assassins at his command. Welcome or not, Cotton seeks to even the odds in the perilous race. But the

Empire of Lies is a sweeping thriller in the tradition of *The Man in the High Castle*, *Fatherland*, and *Underground Airlines* from New York Times bestselling author Raymond Khoury. "The best what-if thriller for a long, long time—makes you think, makes you sweat, and makes you choose, between what is and what might have been."—Lee Child *Istanbul, 1683: Mehmed IV*, sultan of the Ottoman Empire, is preparing to lay siege to Vienna, capital of the Holy Roman Empire, when a mysterious visitor arrives in his bedroom—naked, covered in strange tattoos—to deliver a dangerous, world-changing message. *Paris, 2017: Ottoman flags* have been flying over the great city for three hundred years, ever since its fall—along with all of Europe—to the empire's all-conquering army. Tom Clancy's Ghost Recon

The Last Oracle

THE MOST CLOSELY GUARDED SECRET OF THE WESTERN WORLD IS ABOUT TO BE REVEALED -- AND YOU WILL NEVER SEE CHRISTIANITY IN THE SAME LIGHT AGAIN. In a remarkable achievement of historical detective work that is destined to become a classic, authors Lynn Picknett and Clive Prince delve into the mysterious world of the Freemasons, the Cathars, the Knights Templar, and the occult to discover the truth behind an underground religion with roots in the first century that survives even today. Chronicling their fascinating quest for truth through time and space, the authors reveal an astonishing new view of the real motives and character of the founder of Christianity, as well as the actual historical -- and revelatory -- roles of John the Baptist and Mary Magdalene. Painstakingly researched and thoroughly documented, *The Templar Revelation* presents a secret history, preserved through the centuries but encoded in works of art and even in the great Gothic cathedrals of Europe, whose final chapter could shatter the foundation of the Christian Church.

The Sanctuary

Sean Reilly and Tess Chaykin, the heroes of Raymond Khoury's New York Times bestselling Templar novels, return in an edge-of-your-seat thriller that reaches from the present day back to 1700s Mexico—and beyond... What if there was a drug, previously lost to history in the jungles of Central America, capable of

inducing an experience so momentous—and so shocking—that it might shake the very foundations of Western civilization? What if powerful forces on both sides of the law launched a ruthless, no-holds-barred pursuit to get their hands on it? What if FBI agent Sean Reilly and archaeologist Tess Chaykin were the only ones who could stop the unthinkable from happening? And what if they're already too late?

The Real History Behind the Templars

After centuries of destruction, one unsuspecting woman stands at the center of a conspiracy that could change the world forever in this thriller from the New York Times bestselling author of *The Last Templar*. Portugal, 1705. In the dungeons of a Templar castle, a dying old man bequeaths an ancient, half-burnt book to his young inquisitor. Keeping one step ahead of those who would kill to wrench the book's secret from his hands, the inquisitor turns his back on his calling and sets off on an impossible journey to complete the old man's quest. Baghdad, 2003. Hunting for a mysterious bioweapon scientist, an army unit discovers a concealed state-of-the-art lab where gruesome experiments have been carried out on men, women, and children. The scientist escapes, but a puzzling clue is left behind: a circular symbol of a snake feeding on its own tail. As the power of the symbol comes to light, revealing centuries of destruction left in its wake, a woman desperate for answers holds the fate of the world in her hands

The Templar Legacy

From New York Times bestselling authors Raymond Khoury and Steve Berry comes a unique and wildly original short story, published exclusively as a Kindle ebook. It's been ten years since FBI agent Sean Reilly and retired Justice Department operative Cotton Malone got dragged around the globe on their separate Templar adventures. They'd never worked on a case together-until now. Something bizarre is afoot in London, England. "American specialists" have gone missing, and intel chatter points to a major terrorist plot in the works. And a familiar keyword links to both Reilly and Malone. The two agents are sent to London where they discover a plot that's more personal, unusual and surprising than they could have possibly imagined (and one that may involve a couple of writerly characters new to fiction whom you might recognise). Fast, furious and funny, *Shadow Tag* is NOT like the Reilly and Malone thrillers you've grown to love. Instead, it's something different: a playful, lighthearted read that combines reality and fiction. And we hope it's like nothing you've read before.

storyteller In 523 BC, the Persian emperor Cambyses dispatched an army across Egypt's western desert to destroy the oracle of Amun at Siwa. Legend has it that somewhere in the middle of the Great Sand Sea, his army was overwhelmed by a sandstorm and destroyed. Fifty thousand men were lost. A mutilated corpse washes up on the banks of the Nile. An antiques dealer is murdered. An eminent British archaeologist is found dead at the ancient necropolis of Saqqara. At first, the incidents appear unconnected. Inspector Yusuf Khalifa of the Luxor police is suspicious, however. And so too is the archaeologist's daughter, Tara Mullray. As each seeks to uncover the truth, they find themselves thrown together in a desperate race for survival—one that forces them to confront not only present-day adversaries but also ghosts from their own pasts. From a mysterious fragment of ancient hieroglyphic text to rumors of a fabulous lost tomb in the Theban Hills, from the shimmering waters of the Nile to the dusty back streets of Cairo, Khalifa and Mullray are drawn ever deeper into a labyrinth of violence, intrigue, and betrayal. It is a path that will eventually lead them into the forbidding, barren heart of the western desert, and the answer to one of the greatest mysteries of the ancient world. At once an adrenaline-packed thriller and a wonderfully evocative archaeological adventure, *The Lost Army of Cambyses* marks the debut of an outstanding new storyteller.
