Time

This is the perfect playdate for your purse. Are you a multi-tasking mom pulled in a million directions by your precocious kids, demanding boss and starved-for-attention spouse? Do you find the only time you're able to steal a moment to yourself is behind the doors of a bathroom stall? If so, then you are in desperate need of a playdate with Peeing in Peace. Honest and unafraid to talk about working motherhood's dirty secrets, such as bribing, potty (mouth) training, and going to the office to relax, working moms Beth Feldman and Yvette Manassis Corporon offer community, chuckles, and co-conspirators for busy moms everywhere. Packed with stories, tips, and even a recipe or two, Peeing in Peace will help you navigate the choppy waters of work, home, and the chaos in between. So grab a latte, enjoy the quiet, and dive in! "A must-read for any mom who needs a little boost while trying to juggle business and babies." Barbara Corcoran, real estate mogul and author "Peeing in Peace had me smiling from start to finish." Marg Helgenberger, CSI television star and feature film actress "Peeing in Peace is the perfect remedy for overwhelmed moms." -Melanie Lynne Hauser, author of Confessions of Super Mom

Peeing in Peace

In response to popular demand, Emmanuel Goldstein (aka, Eric Corley) presents a spectacular collection of the hacker culture, known as 2600: The Hacker Quarterly, from a firsthand perspective. Offering a behind-the-scenes vantage point, this book provides devoted fans of 2600 a compilation of fascinating—and controversial—articles. Cult author and hacker Emmanuel Goldstein has collected some of the strongest, most interesting, and often provocative articles that chronicle milestone events and technology changes that have occurred over the last 24 years. He divulges author names who were

formerly only known as “anonymous” but have agreed to have their identity revealed. The accompanying CD-ROM features the best episodes of Goldstein’s “Off the Hook” radio shows. Note: CD-ROM/DVD and other supplementary materials are not included as part of eBook file.

This perceptive, wide-ranging book surveys the applied arts and industrial design from the eighteenth century to the present day, exploring the dynamic relationship between design and manufacturing, and the technological, social, and commercial contexts in which the relationship developed. This substantially revised and expanded second edition offers several new features, including: an updated and expanded timeline and bibliography; inclusion of more recent trends and perspectives in design; a larger section on contemporary design; and more discussion of designed artifacts in relation to interior's rather than as stand alone 'objects, ' to promote discussion of lifestyles and the experience of design by users. -- Book Jacket.
