International Express

One of the founding mothers of mystery, Dorothy Sayers first introduced the popular character Lord Peter Wimsey in 1923 with the publication of *Whose Body?* Over the next twenty years, more novels and short stories about the aristocratic amateur sleuth appeared, each one as cunningly written as the next. Now in single volume, here are all the Lord Peter Wimsey stories, a treasure for any mystery lover. From "The Fantastic Horror of the Cat in the Bag" to "The Image in the Mirror" and "Talboys," this collection is Lord Peter at his best -- and a true testament to the art of detective fiction.

Cambridge English Empower Upper Intermediate Class Audio CDs (3)

Frankenstein; or, The Modern Prometheus is a novel written by Mary Shelley about a creature produced by an unorthodox scientific experiment. Shelley started writing the story when she was nineteen, and the novel was published when she was twenty-one. The first edition was published anonymously in London in 1818. Shelley's name appears on the second edition, published in France in 1823. The original 1818 'Uncensored' Edition of Frankenstein as first published anonymously in 1818. This original version is much more true to the spirit of the author's original intentions than the heavily revised 1831 edition, edited by Shelley, in part, because of pressure to make the story more conservative. Many scholars prefer the 1818 text to the more common 1831 edition. Mary Wollstonecraft Shelley (1797-1851) was an English novelist, short story writer, dramatist, essayist, biographer, and travel writer, best known for her Gothic novel Frankenstein: or, The Modern Prometheus.
