Soul Mates

Have you ever wondered what it takes to find the love of your life? Is it your dream to find a life partner who will love, cherish, and adore you? The Soulmate Secret will show you how to take control of your romantic destiny by using the Law of Attraction. Translated into more than twenty languages, The Soulmate Secret has become an international phenomenon. Now with a new preface and a new chapter filled with book-inspired success stories, this book shows finding true love is possible for anyone at any age if you are willing to prepare yourself, on all levels, to become a magnet for love. Arielle Ford knows this from experience. She used the techniques in this book to bring her soulmate into her life at age forty-four. They were engaged three weeks later. This ancient formula reveals that our universe is set up to deliver the people and things into our lives that are consistent with our personal belief system. If you don't believe you will ever find the One, then guess what? You probably won't. If, however, you learn to believe that the One is not only out there but is also looking for you, then true love can be yours. Using a series of processes called feelingizations—feeling in every cell of your being the outcome you want to create—Ford reveals how to manifest the man or woman of your dreams. The techniques, rituals, and projects found within these pages will allow you to prepare your home, body, mind, and spirit for the lover your heart truly desires.

If you are seeking to more fully engage your heart and soul with a new romantic partner or in your current love relationship, this is the book for you. In this practical guide and spiritual memoir, Robin White Star reveals the intricacies and richness of the shamanic calling ceremony: the power of gratitude that fuels the miraculous calling for your soul companion; making heart requests that are specific without being limiting; sifting through and releasing dozens of beliefs that have obscured your inner truths; reawakening your innate ability to stand in your truth with wholehearted kindness to yourself and your loved ones; and opening your heart to the infinite possibilities of mutual trust, intimacy, love and joy in relationship. The calling ceremony awakens long dormant instincts for sacred relationship, inviting you to safely traverse the inner landscape of your soul consciousness in order to release the fears and limitations that have hindered your ability to manifest your heart's desire for an intimate, authentic, loving relationship with your Soul Companion - whether with a new or existing partner. This calling from the heart starts with your own healing and purification, and leads you through personal empowerment and spiritual understanding until you are crystal clear about who you perceive yourself to be and who you are calling into your life. Upon the culmination of your personal journey, you are ready to sit with the Fire to call your Beloved to you, connecting energetically heart to heart so that you can meet in the physical with grace and ease. White Star outlines the ceremonies and indigenous wisdom she learned through oral tradition as an apprentice for over 17 years to a healer and medicine man of Cherokee descent in the Blue Ridge Mountains of Western North Carolina. Not only does she share these native teachings and traditions in her own words with clarity and simplicity, she also relates her personal journey of calling her Soul Companion into her life using candor and humor. Because the Calling Ceremony is a life-changing and love-enhancing spiritual adventure, White Star has made this sacred Calling Ceremony available to all who are seeking a higher vibration in their relationship. What the Heart Wants

Written By Ahmari & Deandra Childs My wife and I wrote this book to help and encourage people that are in relationships, married, and single. In this book, we will be providing our testimonies about our mistakes, failures and victories in relationships. In this book we will be giving you a man and woman point of view about different topics concerning relationship and marriages. In addition, there is powerful insight and revelations about love from the word of God. We will be revealing all the devil's weapons that he will try to use to destroy relationships. We will also talk about our battles, disagreements and how we overcame the devil together through the word of God. You may have failed and made some bad decisions. We want you to know, that the only victory in failure is not getting up again. My wife and I have both failed and made mistakes in past relationships. We both have been divorced. But by fighting the good fight of faith and obedience to God's word, we survived and we won! Not only that, we are winning to the glory of God. Love is the greatest gift from God. When God does it, he does it right! When God blessed me with my wife, God blessed me best. Proverbs 10:22 (The blessings of the Lord, it maketh rich, and he addeth no sorrow with it. We are rich in joy, peace, love, and the greatest of all, Christ Jesus. Yes, we fuss and disagree at times, but through it all, we WIN!!!

What the Heart Wants

This is a love story about lust of the heart and soul, not about the lust of the physical body. Lust is when you love only what you see with your eyes. Love is when you lust for what is inside a person. Love is the most misunderstood word in world. It is just a cliché term mostly mistaken for physical intimacy. This is so sadly mistaken because love is not about dating or desiring someone physically and sexually. Love is not just about having someone whom you can label as your boyfriend or girlfriend. It is not about having sex to fulfill your sexual desires or fantasies. My introduction to Mashalany's magic is powerful and intoxicating. I was a butterfly until he caught me in his net paralyzed, unable, and unwilling to escape.

I am totally his. He is like the wind I can't see him but I can feel him. Mashalany touches my heart without touching my body. My heart melts with just his voice saying my name. Infatuation or physical lust is a short-term gratification and offers nothing worth saving. Infatuation is temporary and blind; it will also shatter because it is fragile. Love Desired

From the star of Broadway's *The Book of Mormon* and HBO's *Girls*, the heartfelt and hilarious coming-of-age memoir of a Midwestern boy surviving bad auditions, bad relationships, and some really bad highlights as he chases his dreams in New York City. With a new afterword * "Candid, funny, crisp . . . honest and tender about lessons of the heart."--Vogue When Andrew Rannells left Nebraska for New York City in 1997, he, like many young hopefuls, saw the city as a chance to break free. To start over. To transform the fiercely ambitious but sexually confused teenager he saw in the mirror into the Broadway leading man of his dreams. In *Too Much Is Not Enough*, Rannells takes us on the journey of a twentysomething hungry to experience everything New York has to offer: new friends, wild nights, great art, standing ovations. At the heart of his hunger lies a powerful drive to reconcile the boy he was when he left Omaha with the man he desperately wants to be. As Rannells fumbles his way towards the Great White Way, he also shares the drama of failed auditions and behind-the-curtain romances, the heartbreak of losing his father at the height of his struggle, and the exhilaration of making his Broadway debut in *Hairspray* at the age of twenty-six. Along the way, he learns that you never really leave your past--or your family--behind; that the most painful, and perversely motivating, jobs are the ones you almost get; and that sometimes the most memorable nights with friends are marked not by the trendy club you danced at but by the recap over diner food afterward. Honest and hilarious, *Too Much Is Not Enough* is an unforgettable look at love, loss, and the powerful forces that determine who we become.

In 'To Love In Spite Of It All', by Iris Aguila, readers will be compelled to put everything they thought true about love and relationships aside. After all, they're likely still on the journey...
Synopsis: Throughout our lives, we come across many people, many of whom are easily forgotten. But then we meet the 'one', who is unlike any other. Some may

envision the one throughout their life, that special someone they feel destined to meet one day. It is believed that we were once one soul that was split into two twin soul halves. And despite their life apart from each other and the fact they develop as separate individuals, the two parts of the soul feel something is missing — something that was once a huge part of their lives. They struggle to comprehend what it is, so the journey to seek the missing piece that will complete the puzzle is inevitably ongoing. And this path to reunion, to become one again, is possibly the most intense odyssey you can experience with another person. At the beginning When you come together in the relationship, she looks at you and becomes totally lost in you; you look into her eyes and get completely lost in them. So the game begins of who will be the first to fall, the first to kiss, the first to tell, the first to go, the first to come back again and the first to remember that it all began with a dare “The answer is already within my readers, they just have to seek it,” explains the author. “I wanted to write something that would guide them on this most important of life’s journeys, through a mix of story, fable, myth and opportunities for their own inward reflection. At the very least, they’ll turn the last page understanding that love isn’t what it’s often made out to be...it’s much more innate.” Continuing, “And remember, everything in life happens for a reason. Sometimes it’s good and sometimes it’s bad. How you think definitely affects the tangible outcome of actions.
