Compromising Her Position

Trapped and tempted, this battle of wills rages all night long Kady Dresco and Colton Brooks click on a level that defies logic. There are only two problems. One, he's her older brother's irritating best friend, and two, they're bidding on the same military security services contract. When the competition heats up, Colton is torn between wanting to strangle Kady (and her annoying brilliance) and kissing her into submission. Which is a bad idea for a million reasons, because Kady's submission is exactly what he craves. Being trapped in a tiny motel room with the object of his darkest fantasies will require every ounce of his restraint. Kady doesn't want his restraint, but Colton knows better. She deserves love, marriage, and a white picket fence—three things Colton can't give her. But her proximity and the memory of their steamy near-miss three years ago slowly destroys his resolve. And he's not sure how much longer he can keep his hands off or his heart closed.

Finding Our Forever

From New York Times bestselling author Julia Quinn comes the first novel in the beloved Regency-set world of her charming, powerful Bridgerton family, now a series created by Shonda Rhimes for Netflix. In the ballrooms and drawing rooms of Regency London, rules abound. From their earliest days, children of aristocrats learn how to address an earl and curtsy before a prince—while other dictates of the ton are unspoken yet universally understood. A proper duke should be imperious and aloof. A young, marriageable lady should be amiable...but not too amiable. Daphne Bridgerton has always failed at the latter. The fourth of eight siblings in her close-knit family, she has formed friendships with the most eligible young men in London. Everyone likes Daphne for her kindness and wit. But no one truly desires her. She is simply too deuced honest for that, too unwilling to play the romantic games that captivate gentlemen. Amiability is not a characteristic shared by Simon Basset, Duke of Hastings. Recently returned to England from abroad, he intends to shun both marriage and society—just as his callous father shunned Simon throughout his painful childhood. Yet an encounter with his best friend's sister offers another option. If Daphne agrees to a fake courtship, Simon can deter the mamas who parade their daughters before him. Daphne, meanwhile, will see her prospects and her reputation soar. The plan works like a charm—at first. But amid the glittering, gossipy, cut-throat world of London's elite, there is only one certainty: love ignores every rule. This novel includes the 2nd epilogue, a peek at the story after the story.

Emergency Delivery

Dr. Ellie Swan has a plan: open her practice in tiny Bluelick, Kentucky, so she can keep an eye on her diabetic father, and make hometown golden-boy Roger Reynolds fall in love with her. But Ellie has a problem. Roger seeks a skilled, sexually adventurous partner, and bookish Ellie doesn't qualify. Tyler Longfoot only cares about three things: shaking his bad boy image, qualifying for the loan his company needs to rehab a piece of Bluelick's history, and convincing Ellie to keep quiet about the "incident" that lands him on her doorstep at two a.m. with a bullet in his behind. The adorable Dr. Swan drives a mean bargain, though. If sex-on-a-stick Tyler will teach Ellie how to bring a man to his knees, she'll forget about the bullet. Armed with *The Wild Woman's Guide to Sex* and Tyler's lessons, Ellie is confident she can become what Roger needs if she doesn't fall for Tyler first. Best Man with Benefits

Glass artist Savannah Smith expected a marriage proposal for Thanksgiving—just not from her strong, silent, super-hot neighbor. But when misplaced mail and a wayward can of paint lands them in a compromising position right as her family arrives for dinner, they assume he's "The One" she's been talking about. Then his family shows up. Fate dealt a crippling blow to paramedic Beau Montgomery's heart, and he isn't about to put it at risk again. Except, with his mother crying tears of joy over his surprise engagement to the sexy little blonde next door, he can't bring himself to ruin her "Christmas miracle." Somewhere between the paint can to the head and the chaotic family trip to the ER, Beau manages to talk Savannah into being his fake fiancée long enough to survive the holidays. If, of course, they don't fall in love first. He needs the kind of rescue only she can provide. Each book in the Love Emergency series is a standalone story that can be enjoyed out of order. Hard Compromise

Falling for the Marine (A McCade Brothers Novel) by Samanthe Beck: Pretending to be in love has never felt so sexy. USMC helicopter pilot Michael McCade has two goals: Get his damn back into alignment and keep his nose clean until his ultra-conservative commanding officer clears him to fly again. The doctor-recommended massage therapy seems like a

necessary evil if he's to return to the cockpit, but when his too-hot-to-handle neighbor turns out to be his masseuse, he strays from the straight and narrow in a major way. Former military brat Chloe Kincaid is looking for an ego-boosting, no strings attached hook up. But when her positively panty-melting neighbor (aka Major Hottie) shows up on her massage table, their off-the-charts chemistry overrides her no-military-men policy until they're caught. Now they have to fake an engagement to avoid the fallout, but can a girl who runs from attachments pretend to be in love with a straight-arrow soldier without falling hard?
