Will Elise's love life be an epic win or an epic fail? At Coral Tree Prep in Los Angeles, who your parents are can make or break you. Case in point: As the son of Hollywood royalty, Derek Edwards is pretty much prince of the school—not that he deigns to acknowledge many of his loyal subjects. As the daughter of the new principal, Elise Benton isn't exactly on everyone's must-sit-next-to-at-lunch list. When Elise's beautiful sister catches the eye of the prince's best friend, Elise gets to spend a lot of time with Derek, making her the envy of every girl on campus. Except she refuses to fall for any of his rare smiles and instead warms up to his

Russel Middlebrook is convinced he's the only gay

Then he meets the new Indian exchange student and falls for her—hard. Yeah, he wants to bite her, but he also wants to prove himself to her. Freaky Friday is perfect for fans of Wendy Mass, Jerry Spinelli, and Jon Scieszka! This middle grade novel is an excellent choice for tween readers in grades 5 to 6, especially during homeschooling. It's a fun way to keep your child entertained and engaged while not in the classroom. With one random wish, Jack and Ellie are living life in each other's shoes. He's her. And she's him. ELLIE assumed popular guys didn't worry about body image, being perfect, or talking to girls, but acting like you're cool with everything is tougher than it looks. JACK thought girls had it easy—no fights with bullies, no demanding dads, no power plays—but facing mean girls at sleepovers and getting grilled about your period is way harder than taking a hit to the face at sports practice. Now they're dealing with each other's middle school dramas—locker room teasing, cliques, video game battles, bra shopping, and a slew of hilariously awkward moments—until they hopefully switch back! Told in both Jack's and Ellie's voices, *The Swap* offers a fresh and honest take on tween friendship, all while exploring more serious themes of family, loss, empathy, and what it really means to be yourself. And as Jon Scieszka says, it's "seriously, truly, fearlessly funny!"

"It's the rarest author who can pull off laugh-out-loud hilarious, profound, and breathlessly romantic, all in the most sparkling prose. That shortlist includes Rainbow Rowell, Nicola Yoon, and now, Carlie Sorosiak."—Jeff Zentner, Morris Award-winning author of *The Serpent King* and *Goodbye Days* Last June, the summer camp Quinn's family owns in Winship, Maine, was still a magical place. A place where wild blueberries grew no matter the season, a legendary sea monster lurked in the waters, and Quinn fell in love with her best friend, Dylan. Then the accident happened. Now it's winter, the magic has drained from Quinn's life, and she knows it's her fault. But the new boy in town, Alexander, doesn't see her as the monster she believes herself to be. As Quinn lets herself open up again, she begins to understand the truth about love, loss, and monsters—real and imagined. Fear of the infection spreading is now at an all-time high and anyone with a scar is suspected of being a wolf. What makes Mac even more afraid, though, are the dark experiments that the warden of Thornhill was performing on wolves in a secret asylum called *Willowgrove*. Uncovering the truth about what happened may be the only way for Mac to save everyone she loves and end her nightmares for good.
