Lakhmir Singh's Science is a series of books which conforms to the NCERT syllabus. The main aim of writing this series is to help students understand difficult scientific concepts in a simple manner in easy language. The ebook version does not contain CD.

Lakhmir Singh's Science for Class 8

English

In this digital age, information is pivotal to organizations. This book aims to raise awareness of the need to radically change management styles to fit with the new patterns of working in the 21st century. Each chapter provides ideas and discussion around a particular subject area and closes with an assessment of the skills that are required by managers in order to manage situations in a creative and dynamic way. Case studies are also used to enable the reader to consider different ways in which management skills can be applied to business situations.

New Jersey Math!

Written by examiners and practising teachers, each book in this series contains activities and useful features intended to aid understanding. Knowledge is tested throughout, with progress checks at the end of every chapter and practice questions at the end of each section.
